Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

LEGACY HUMAN RESOURCES 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Legacy Human Resources 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement and amendments for a more complete description of the Plan’s provisions.

General – The Plan was formed effective January 1, 2006 by Legacy Human Resources (the “Plan Administrator”). This Plan is a multiple-employer plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – The Plan covers all employees, as defined in the Plan, of the adopting employers (the “Employers”) who have completed the age and service requirements selected by the Employers in the Adoption Agreement. New Employers entering the Plan may initially waive the eligibility requirements for employees employed by the Employers as of the date entering the Plan. Participation occurs after completing each employer’s age and service requirements.

Employee Contributions – Each year, participants may elect to contribute from 1% to 98% of either their pre-tax compensation, after-tax compensation (Roth contribution), or any combination thereof as defined in the Plan, up to a maximum of \$19,000 and \$18,500 for the years ended December 31, 2019 and 2018, respectively. Participants who have attained age 50 during the Plan year may make an additional elective deferral contribution of \$6,000 during 2019 and 2018. The percentage of contribution may be changed as of any subsequent Plan entry date. Any such change will apply only after its effective date, and after it is executed and filed with the Plan Administrator. Fund allocation percentages may be changed by the participants at any time.

Employers’ Contributions – Discretionary employer-provided matching contributions may be made to the Plan. The match, if any, will be a specified percentage of the elective contributions the employee makes to the Plan. The Employers will determine the amount of the discretionary contributions, if any, they will make each Plan year. Employers can also elect to make a 401(k) safe harbor plan design contribution which aids the companies in passing discrimination testing required by ERISA. Discretionary employer-provided non-elective (profit sharing) contributions may also be made to the Plan. Allocation of these contributions to participants will be made in accordance with the formula selected by the Employers as defined in the Plan.

The total of employer and employee contributions is limited to the lesser of \$56,000 and \$55,000 or 100% of the participant’s eligible pre-tax compensation for the years ended December 31, 2019 and 2018, respectively.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and, if applicable, employer-provided matching contributions, allocations of employer-provided non-elective (profit sharing) contributions, Plan earnings (losses), and charged with management or service fees and allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. Additional administrative fees are charged by the custodian upon fund withdrawal.

LEGACY HUMAN RESOURCES 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participant contributions are 100% vested. Each adopting employer selects among three options for vesting of employer contributions. Under the first option, employer contributions are 20% vested after two years of service, and 20% for each additional year of service. Under the second option, employer contributions are not vested until after three years of service at which time the contributions are 100% vested. The third option is full and immediate vesting, or any accelerated vesting that vests sooner than the first option. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the Plan calendar year. See each respective employer's adoption agreement for any variations in the time of service requirement.

Investment Options – Participants may direct contributions to any of the investment options offered by the Plan. The investment options include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Notes Receivable from Participants – Participants can borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the excess (if any) of (1) the highest outstanding balance of any other notes from the Plan during the one-year period prior to the date of the new note, over (2) the aggregate outstanding balance of any other notes from the Plan on the date of the new note, or 50% of their vested account balance. Note terms range from one to five years or up to 15 years for the purchase of a principal residence. Participants can only have a maximum of two notes outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates at the time the note is approved by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – Upon retirement or separation from service with the Employers, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from the employment of the participant's employer, the participant shall continue to be treated in all respects as a participant.

Hardship Withdrawal – Hardship withdrawals can only be made to the extent that there is a financial hardship, as defined in the Plan document and in accordance with IRS rules.

LEGACY HUMAN RESOURCES 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts – As of December 31, 2019 and 2018, forfeited non-vested accounts were \$23,591 and \$13,670, respectively. These accounts can be used to reduce future Employers' matching contributions or pay for Plan expenses. On January 21, 2020, \$4,658 and on July 15, 2020, \$19,537 were paid from forfeited non-vested accounts for Employers' matching contributions for the year ended December 31, 2019.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting, except that benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Withdrawals and Exchanges – Withdrawals and exchanges between investment fund options by participants are recorded based upon the specific proceeds and cost of the investment at the date of withdrawal or exchange.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2019 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses – Certain expenses of maintaining the Plan are paid for by the Plan Administrator and therefore are excluded from these financial statements. Management fees, asset fees, and account administrative fees are paid by the participants.

Date of Management's Review of Subsequent Events – The Plan has evaluated subsequent events through October 5, 2020, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Level 1 Fair Value Measurements:

Mutual Funds: Shares of registered investment companies are valued at the daily quoted net asset value closing price of the shares as reported by the fund at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

	Fair Value Measurements at Reporting Date Using:			
	Total	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2019</u>				
Shares of registered investment companies	<u>\$ 39,057,215</u>	<u>\$39,057,215</u>	<u>\$ 0</u>	<u>\$ 0</u>
<u>December 31, 2018</u>				
Shares of registered investment companies	<u>\$ 29,949,454</u>	<u>\$29,949,454</u>	<u>\$ 0</u>	<u>\$ 0</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

NOTE 4 - TAX STATUS

The master prototype plan from which the Plan was drafted has received a favorable determination from the IRS on March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and currently being operated in compliance all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time. In addition, although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Slavic Integrated Administration, Inc. ("SIA"), the Plan's third-party administrator receives fees for recordkeeping services along with participant account administrative and asset fees. The total fee paid by the Plan for the year ended December 31, 2019 was \$157,577.

Slavic Mutual Funds Management Corporation ("SMF"), which is owned by the stockholders of SIA, is the investment advisor to the Plan. Participants, if they elect this service, are charged a quarterly advisor fee. The total fee paid by the Plan for the year ended December 31, 2019 was \$31,403.

The party-in-interest transactions above are exempt from prohibited transaction rules of ERISA.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impacts could occur though such potential impacts are unknown at this time.
