Note 1 - Plan Description

The following description of George T. Sanders Co. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees, excluding union, leased, and nonresident employees, of George T. Sanders Company (the "Company") who have completed one year of service, defined as 1,000 hours of service, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The board of directors of the Company administers the Plan. John Hancock Life Insurance Company (U.S.A.) functions as custodian and manages plan assets. TPA Services, Inc. maintains the Plan's records and provides administrative services to the Plan. Investment management fees and custodian fees are paid by the Plan in accordance with the plan agreement.

Contributions

The Plan provides for employee salary deferral contributions up to a maximum of 100 percent of annual eligible compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Effective May 1, 2018, the Plan was amended to allow participants to contribute up to 100 percent of their eligible compensation on an after-tax basis. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Company matches 100 percent of participant contributions on the first 3 percent of compensation deferred and 50 percent on deferrals between 3 percent and 5 percent. Matching contributions are funded each pay period.

The Company may make annual discretionary profit-sharing contributions equal to a uniform percentage of each participant's eligible compensation. Participants who have completed the Plan's eligibility requirements and are employed on the last day of the Plan year will be eligible to receive an allocation of the Company's discretionary profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' eligible compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. John Hancock Life Insurance Company (U.S.A.) offers plan participants a variety of investment options through various pooled separate accounts. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants' contributions, the qualified employer match contribution, and related earnings are fully vested at all times and are not subject to forfeiture for any reason.

Note 1 - Plan Description (Continued)

The Company's matching and discretionary profit-sharing contributions vest according to the following schedule:

Years of Service	Vesting Percentage
2	20 %
3	40
4	60
5	80
6	100

A participant's account becomes 100 percent vested upon death, attaining normal retirement age (the age of 65 or, if later, the fifth anniversary date of the first day of the Plan year during which the participant entered the Plan), retirement due to disability, or termination of the Plan.

Benefit Payments

On termination of service due to death, a participant's beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment annuities.

Distributions are payable upon retirement, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

If the vested balance is $1,000 or less, the benefit will be paid automatically to the participant as soon as administratively feasible following termination of employment. If the vested account balance is more than $1,000 but less than $5,000, the vested account will be distributed from the Plan. The participant may elect to receive this distribution in cash or to roll over the distribution to an individual retirement account (IRA) or the qualified plan of a new employer. The benefit will automatically roll into an IRA if no election is made by the participant.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions to the Plan. At December 31, 2019 and 2018, forfeited account balances totaled $0.

The Plan used approximately $15,927 for the year ended December 31, 2019 to reduce employer contributions.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by John Hancock Life Insurance Company (U.S.A.) or its affiliates. John Hancock Life Insurance Company (U.S.A.) is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

Investment Valuation

The Plan's investments are stated at fair value.

The pooled separate accounts are valued at net asset value per share or its equivalent (NAV) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments. See Note 5 for additional information.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Company.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 6, 2020, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

John Hancock Life Insurance Company (U.S.A.) (the "Custodian") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodian.

Note 4 - Tax Status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2014. The Plan has not individually sought its own determination letter.
