INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of the
401(k) Plan for Employees of
Utilities & Industries Management Corp. and Affiliates:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements – modified cash basis of the 401(k) Plan for Employees of Utilities & Industries Management Corp. and Affiliates (the "Plan"), which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2019, and the related statements of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with the modified cash basis of accounting described in Note B-1. This includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these 2019 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* on the 2019 financial statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2019 Financial Statements

As permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information discussed in Note C, which was certified by Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, (collectively, "Principal"), except for comparing such information with the related information included in the 2019 financial statements. We have been informed by the Plan administrator that Principal holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Principal as of December 31, 2019, and for the year ended December 31, 2019, that the information provided to the Plan administrator by Principal is complete and accurate.

EISNERAMPER

Disclaimer of Opinion on the 2019 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2019 Financial Statements paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these 2019 financial statements.

Basis of Accounting

We draw attention to Note B-1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Other Matters

The supplemental schedule of assets – modified cash basis (held at end of year) as of December 31, 2019 and the schedule of delinquent participant contributions - modified cash basis for the year ended December 31, 2019, which are the responsibility of Plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2019 Financial Statements paragraph, it is inappropriate to, and we do not, express an opinion on the supplemental schedules – modified cash basis referred to above.

The financial statements of the Plan as of December 31, 2018, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal. Their report, dated September 4, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the 2018 financial statements taken as a whole, and (b) the form and content of the information included in the 2018 financial statements, other than that derived from the information certified by Principal, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules – modified cash basis, other than that derived from the information certified by Principal, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the 401(k) Plan for Employees of Utilities & Industries Management Corp. and Affiliates (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution plan established January 1, 1985 covering all eligible employees of Utilities & Industries Management Corp. and its affiliates (the Company and Plan Co-Sponsors), including Lee Spring Company LLC (collectively, the "Company"). TD Ameritrade Trust Company ("TD Ameritrade") was the custodian of the Plan through January 31, 2018. Effective February 1, 2018, the third-party administrator of the Plan's assets is Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, (collectively, "Principal"), and the investment advisor is Leumi Investment Services Inc. ("Leumi"). The Plan is administered by the Company and Principal. Each employee shall be eligible to become a participant at the completion of one year of service, attainment of age 21 and being employed by either Utilities & Industries Management Corp. or the aforementioned eligible affiliates.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

[2] Contributions:

Participants may contribute up to 75% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant pre-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company matches 100% of the participant pre-tax contributions, up to 1% of base compensation, then 50% of participant pre-tax contributions up to 2% of base salary, as defined in the Plan. The matching contribution may only be made to those eligible non-union participants who work over 500 hours during the Plan year. The maximum employer match contribution is $5,600 and $5,500 for the years ended December 31, 2019 and 2018, respectively, or 2% of compensation, whichever is less. Additional discretionary profit-sharing contributions may be made at the option of the Company's Board of Directors. To be eligible for discretionary profit-sharing contributions, a participant must work 1,000 hours in the given Plan year and be a non-union participant employed on the last day of the Plan year. The maximum employer discretionary profit-sharing contribution is $18,200 and $17,875 for the years ended December 31, 2019 and 2018, respectively, or 6.5% of compensation, whichever is less. Participants direct the investment of participant and employer contributions.

[3] Participant accounts:

Upon enrollment in the Plan, participants may direct salary deferral contributions, employer matching and discretionary profit-sharing contributions to selected investments as made available and determined by the plan administrator. Participants may change their investment options any time via direct telephone or internet access on the Principal website.

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's matching contributions, discretionary profit sharing, and (b) plan earnings. Allocations are based on participant earnings or account balances, as provided. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is as follows:

Years of Service	Vesting
0-1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates on outstanding loan balances range from 4.25% to 6.50% and 4.25% to 6.25% at December 31, 2019 and 2018, respectively. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

[6] Payment of benefits:

Distributions from the Plan will be made to those participants upon termination of services due to death, disability or retirement. The value of the participant’s distribution will be paid in a single lump sum payment. The Plan allows for early withdrawals by participants providing the participant has attained age 59-1/2 or if the participant is able to prove financial hardship as provided in the Plan document.

[7] Forfeitures:

Forfeited nonvested accounts are used to reduce future Company contributions and pay Plan expenses. During the year ended December 31, 2019, forfeitures of approximately $4,420 were used to reduce employer contributions and $3 were used to pay Plan expenses. Forfeited nonvested accounts available at December 31, 2019 and 2018 were approximately $3,962 and $3,728, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting is a cash basis that adjusts securities to fair market value and does not provide for accrual for contributions receivables or payables. Interest and dividends are recorded when received; expenses are recorded when paid.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[3] Payment of benefits:

Benefits are recorded when paid.

[4] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

The Plan has a fee agreement with Leumi from which it receives revenue sharing funds which are recorded in the non-allocated ERISA budget spending account invested in non-interest bearing cash. The purpose of this account is to pay necessary and reasonable plan-related expenses in accordance with the Department of Labor's ("DOL") guidance. During 2019 and 2018, additions to the ERISA spending accounts were $19,677 and $12,606, respectively. ERISA spending account funds utilized during 2019 and 2018 to pay investment advisory expenses totaled $19,677 and $12,606, respectively. The ERISA spending account balance at both December 31, 2019 and 2018 was $0.

[5] Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[6] Reclassification:

Certain amounts in the 2018 financial statements and disclosures have been reclassified to conform to the presentation in the 2019 financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[7] Recent accounting pronouncement ASU 2018-13:

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2018-13 ("ASU 2018-13"), *Fair Value Measurement (Topic 820) Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments in this update apply to all entities that are required to make disclosures about recurring or nonrecurring fair value measurements. Certain of the disclosures that are required by the amendments are not required for nonpublic entities. ASU 2018-13, eliminates, adds and modifies certain disclosure requirements for fair value measurements as part of its disclosure framework project. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019 and interim periods within those fiscal years. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent annual period presented in the year of adoption. All other amendments should be applied retrospectively to each period for which the financial statements are presented. Early adoption is permitted. An entity is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date.

The Plan elected to adopt ASU 2018-13 as of and for the year ended December 31, 2019. The amendment has been applied prospectively and retrospectively to applicable amendments as defined above for all periods presented.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, (collectively, "Principal"), has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits-modified cash basis as of December 31, 2019 and 2018, the statements of changes in net assets available for benefits – modified cash basis for the years ended December 31, 2019 and 2018 and the accompanying supplemental schedule of assets (held at end of year) – modified cash basis as of December 31, 2019 and 2018.

NOTE D - FAIR VALUE MEASUREMENTS

The FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Pooled separate accounts: Valued at NAV, as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market. The pooled separate accounts are comprised of a wide variety of underlying investments such as common stocks. There are no redemption fees, restrictions, nor unfunded commitments.

Collective investment trust fund: Valued at the NAV of units of a collective trust. The NAV, as provided by Principal, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The dissolution of the Plan's investment may require a 12-month notice of redemption. Principal, in its sole discretion, may choose to waive this notice period.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) can occur daily. Withdrawals from the fund for benefit payments and participant transfers to noncompeting options can be paid within 30 days after written notification is received. Other withdrawals require a 12-month advance written notice. Principal, in its sole discretion, may choose to disburse withdrawals at the Plan and participant level in less than the required notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018.

	Investment Assets at Fair Value as of December 31, 2019			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	**$ 2,321,615**	**$ -**	**$ -**	**$ 2,321,615**
Collective investment trust measured at NAV (A)				**7,456,963**
Pooled separate accounts measured at NAV (A)				**226,299**
Total Investment assets at fair value	**$ 2,321,615**	**$ -**	**$ -**	**$ 10,004,877**

	Investment Assets at Fair Value as of December 31, 2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 1,513,591	$ -	$ -	$ 1,513,591
Collective investment trust measured at NAV (A)				6,465,381
Pooled separate accounts measured at NAV (A)				178,086
Total Investment assets at fair value	$ 1,513,591	$ -	$ -	$ 8,157,058

(A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE E - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE G - TAX STATUS

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA Plan sponsored by PPC Inc. On March 31, 2014, the Internal Revenue Service stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt."

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2019 and 2018 to Form 5500:

The following is a reconciliation of benefits paid to participants per the financial statements for the years ended December 31, 2019 and 2018:

	2019	2018

(Subtract) Add: Amounts allocated to excess contributions of participants at December 31, 2018	**(14,498)**	14,498
Add: Amounts allocated to excess contributions of participants at December 31, 2019	**8,457**	-
Benefits and withdrawals paid to participants per Form 5500	**$ 566,667**	$ 190,528

NOTE I - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Principal and, therefore, transactions related to these investments qualify as party-in-interest transactions. Notes receivable from participants and administrative fees paid to Principal are also party-in-interest transactions. Fees paid by the Plan were $44,898 and $37,770 for the years ended December 31, 2019 and 2018, respectively.

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2019 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

COVID-19 poses risks to the Company as well, given that such public health epidemics, if sustained, could impact Company employees, customers, supply chain and production in affected regions. Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may impact demand for the Company's products. Such impacts could adversely affect Company profitability, cash flows, financial results, and the ability to make Plan contributions. At this point, the extent to which the coronavirus may impact the Company's financial results is uncertain.

NOTE K - NONEXEMPT PARTY-IN-INTEREST TRANSACTION

During the year ended December 31, 2019, it was discovered that certain amounts withheld from participants were not timely remitted to the Plan. The Plan administrator deposited $35 into the Plan on June 18, 2019, which was the calculated lost earnings on the late contributions.

NOTE L - SUBSEQUENT EVENTS

The Coronavirus, Aid, Relief, and Economic Security (“CARES”) Act was signed into law on March 27, 2020 and provided optional distribution and loan provisions as well as suspension of required minimum distributions (“RMDs”) for anyone required to receive an RMD in 2020. The Plan Sponsor has implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2022 as required by the CARES Act.

Participants, who meet specific conditions, are eligible to take a COVID-19 related distribution up to $100,000 without a 10% early withdrawal penalty. Eligible distributions can be taken from January 1, 2020 through December 31, 2020, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account. The number of withdrawals that each Impacted Participant is able to make before December 31, 2020 is limited to two.

NOTE L - SUBSEQUENT EVENTS (CONTINUED)

Loan repayments due between March 27, 2020 and December 31, 2020 may be suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to 1 year.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive an RMD in 2020. However, participants and beneficiaries have a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received an RMD prior to the enactment of the Act have until August 31, 2020 to rollover the RMD to an eligible retirement plan.

The Plan has evaluated subsequent events through October 7, 2020, the date the financial statements were available to be issued.
