INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of the
Boutwell, Owens & Co., Inc. Profit Sharing & 401(k) Plan
Fitchburg, Massachusetts

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Boutwell, Owens & Co., Inc. Profit Sharing & 401(k) Plan, (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 5, which was certified by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustees as of the years ended December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Report on Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Emphasis of Matter

As discussed in Note 10 to the financial statements, management of Boutwell, Owens & Co., Inc. (the "Company"), the sponsor of the Plan, has forbearance agreements that could result in lenders demanding repayment of the related debt. These conditions raise doubt about the Company's ability to continue as a going concern. In the event the Company were to cease operations, as the Plan sponsor, the Company would have the right to terminate the Plan. Management of the Company, however, has no current plans that would affect the Plan's continuance. The financial statements do not include any adjustments that might result from the outcome of these uncertainties. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BOUTWELL, OWENS & CO., INC. PROFIT SHARING & 401(k) PLAN

Notes to the Financial Statements

December 31, 2019 and 2018

Note 1 - Description of the Plan

The following description of the Boutwell, Owens & Co., Inc. Profit Sharing & 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Boutwell, Owens & Co., Inc. (the "Company"). Employees must have attained the age of twenty-one to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan management is responsible for oversight of the Plan and also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute the maximum amount, as defined by the Plan, in accordance with Internal Revenue Service limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a fixed annuity as investment options. Effective January 1, 2019, the Plan was amended to provide for an automatic deferral of 3% of eligible compensation for participants when no other election is made, with the exception of participants hired before January 1, 2019. Participants hired before January 1, 2019 were eligible after satisfying the age requirement. Until the participant requests otherwise, the contributions are invested in a balanced mutual fund as determined by the Plan administrator.

Effective January 1, 2019, the Plan was amended to include a safe-harbor non-elective employer contribution equal to 3% of eligible compensation. Employees begin receiving the safe-harbor contribution on the first day of the Plan year after attaining six months of service. During 2019, safe-harbor non-elective contributions totaled \$180,378.

Note 1 - **Description of the Plan - Continued**

Contributions - continued

Participant deferral contributions may also be matched by the Company at the discretion of the Company. Participants are eligible to receive employer matching contributions on the first day of the Plan year, or the first day of the seventh month of the Plan year, after attaining six months of service. During 2019, there were no discretionary matching contributions made by the Company.

Additionally, the Company's Board of Directors may elect to contribute a discretionary non-elective employer contribution to the Plan. Participants are eligible to receive the discretionary non-elective employer contribution on the first day of the Plan year, or the first day of the seventh month of the Plan year, after attaining one year of service. Employer non-elective contributions are allocated based on the ratio of each eligible participant's compensation to total eligible participants' compensations for the Plan year. During 2019, there were no additional discretionary non-elective employer contributions made to the Plan.

Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, as well as allocations of the (a) Plan earnings, (b) allocation of administrative expenses, and (c) forfeitures of terminated participants' non-vested balances, if applicable. Allocations are based on participant earnings, account balances or specific transactions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions made to the Plan plus actual earnings thereon. The participants' accounts in the match and non-elective contributions vest in varying percentages based on years of continuous service until they become fully vested after six years.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest rates that range from 4.25%-6.50%, which are issued at the prime rate plus 1% at inception of the loan as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments for certain participants. For termination of service for other reasons, a participant may elect to defer payment until normal retirement age, or receive a lump-sum payment or a direct rollover to another qualified plan or IRA, provided the participant's vested account balance is greater than \$1,000. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

Forfeited Accounts

At December 31, 2019 and 2018, forfeited non-vested amounts totaled \$4,796 and \$106, respectively. These forfeited non-vested amounts may be allocated to participant accounts. During 2019, no amounts were allocated to participant accounts.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting and are in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees, and insurance company. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Notes to the Financial Statements - Continued

December 31, 2019 and 2018

Note 2 - Summary of Accounting Policies - Continued

Investment Valuation and Income Recognition - continued

Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Administrative expenses are paid either by the Plan, the Company or the participant, as provided by the Plan document. Expenses paid by the Company are excluded from these financial statements. Expenses relating to an individual participant's activity (loan fee, distribution fee, etc.) are charged against the participant's account. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Most investment-related expenses are included in net appreciation.

Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, Changes to the Disclosure Requirements for Fair Value Measurements. This ASU modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. The primary focus of the guidance is to improve the effectiveness of the disclosure requirements for fair value measurements.

Recent Accounting Pronouncements - continued

The amendments are effective for fiscal years beginning after December 15, 2019, with early adoption permitted. Management is currently evaluating the potential impact of the pronouncement on the Plan's disclosure requirements.

Note 3 - **Fair Value Measurements**

Promulgations of the Financial Accounting Standards Board have established a framework for measuring fair value, which provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The highest priority is assigned to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

Notes to the Financial Statements - Continued

December 31, 2019 and 2018

Note 3 - **Fair Value Measurements - Continued**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018.

Assets at Fair Value as of December 31, 2019

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 4,564,857</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,564,857</u>

Assets at Fair Value as of December 31, 2018

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 4,289,227</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,289,227</u>

Note 4 - **Fixed Annuity Contract**

The Plan has a benefit-responsive guaranteed investment contract with Great-West Life and Annuity Insurance Company ("Great-West"). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

BOUTWELL, OWENS & CO., INC. PROFIT SHARING & 401(k) PLAN

Notes to the Financial Statements - Continued

December 31, 2019 and 2018

Note 4 - Fixed Annuity Contract - Continued

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest will never be less than 0%. The interest crediting rate is reset quarterly.

As described in Note 2, because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The contract is included in the financial statements at contract value as reported to the Plan by Great-West. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. Management believes that there are no events probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The Plan must provide Great-West with a 30 day notice before contract termination. The Plan must elect to either 1) maintain the participant annuity accounts until they are applied to a payment option or distributed 2) receive payment for the sum of the participant annuity account value in the fund. Great-West may defer payment of this amount for up to 12 months and 3) any other option allowable under applicable laws as mutually agreed upon in writing by Great-West and the Plan.

Note 5 - **Information Prepared and Certified by the Trustees**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees of the Plan have certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018.
- Notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2019.
- Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.
- The Schedule of Assets (Held at End of Year) at December 31, 2019.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 6 - **Transactions with Parties-in-Interest**

Under ERISA, parties-in-interest are defined to include the Plan sponsor, officers, directors and employees of the sponsor; direct and indirect owners of the sponsor and their relatives, if they have combined voting power of 50% or more; the Plan custodian or trustee and the Plan administrator; other parties with fiduciary responsibilities; and a person and their relatives or an organization that provides services to the Plan such as the Plan actuary, auditors, lawyers, investment advisors, etc. Certain Plan investments are managed by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, the trustees of the Plan, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Great-West Life and Annuity Insurance Company for the investment management services, loan administration, and other recordkeeping services were \$2,983 for the year ended December 31, 2019. In addition, notes receivable from participants also qualify as party-in-interest transactions.

Notes to the Financial Statements - Continued

December 31, 2019 and 2018

Note 7 - **Tax Status**

The Plan has adopted the volume submitter plan document of Great-West Trust Company, LLC. The volume submitter sponsor received a favorable opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the last letter. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC, and that the related trust is therefore tax-exempt. Accordingly, no provision for income taxes has been included in the financial statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently not audits for any tax periods in progress.

Note 8 - **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9 - **Risks and Uncertainties**

Investment Risk

The Plan invests in various investment securities, which are inherently exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

BOUTWELL, OWENS & CO., INC. PROFIT SHARING & 401(k) PLAN

Notes to the Financial Statements - Continued

December 31, 2019 and 2018

Note 10 - **Going Concern**

The auditors' report on the financial statements of the Plan's sponsor contained an emphasis of a matter paragraph relating to the Company's ability to continue as a going concern due to forbearance agreements the Company has entered into with its creditors. If the creditors were to make demand on the Company for repayment of the loans, it is unlikely the Company would have the resources to honor the demand without a forced liquidation of operating assets.

The Plan's continuation is highly dependent upon the success of the Company's management to achieve its turnaround plans. Typically, assets of a retirement plan are legally separate from the Plan sponsor. There can be no assurance that the Company will be successful in accomplishing its objectives. These financial statements do not include any adjustments that might be necessary should the Plan be unable to continue as a going concern.

Note 11 - **Management's Acceptance of Financial Statements**

Subsequent Events

The World Health Organization ("WHO") declared a global health emergency on January 30, 2020 as the coronavirus ("COVID-19 outbreak") spread beyond China, where it had originated. In March 2020, the WHO declared a pandemic caused by the COVID-19 outbreak.

The pandemic has put unprecedented pressure on the global economy and financial markets. As such, the Plan's investments have had significant fluctuations since December 31, 2019. The full financial effect and duration of the COVID-19 outbreak cannot be reasonably estimated at this time and as a result, the impact to the plan's investments and ongoing liquidity cannot be determined.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management has adopted certain relief provisions included in the CARES Act and continues to evaluate other provisions.

Note 11 - **Management's Acceptance of Financial Statements - Continued**

Effective July 1, 2020, the Plan was amended to remove the safe-harbor non-elective employer contribution.

Management has evaluated subsequent events through September 29, 2020, the date for which the financial statements were available for issuance. Management accepted the financial statements and did not identify any events subsequent to December 31, 2019, other than the events described above, requiring disclosure or adjustment in these financial statements.
