Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information referred to in Note 3 which was certified by Reliance Trust Company, the trustee of the plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2019, and for the year then ended, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2019 financial statements.

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2018 Financial Statement

The financial statement of the Plan as of December 31, 2018, was audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated September 24, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2018 financial statement and (b) the form and content of the information included in the 2018 financial statement other than that derived from the information certified by the trustee, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements
December 31, 2019 and 2018

1. DESCRIPTION OF THE PLAN

The following description of Pierry, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings plan sponsored by Pierry, Inc. (the "Company"). The Plan was established in 2013 and is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

Plan administration

The Company has designated a Plan committee to manage the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Company has contracted with Reliance Trust Company (Reliance) to act as trustee and with State Street Bank and Trust Company (State Street) to act as custodian. A third-party administrator processes and maintains the records of participant data.

Eligibility

Employees become eligible to participate in the Plan after attaining age 21 and upon completion of three months of service, as defined in the plan documents. Employees excluded from participating in the Plan include those covered by a collective bargaining agreement and leased employees.

Contributions

Participants are allowed to contribute their eligible pre-tax or after-tax (as Roth contributions) compensation, as defined by the Plan document, up to the maximum annual amount allowed by the Internal Revenue Code (IRC).

Participants are also allowed to make rollover contributions to the Plan from other qualified retirement plans.

Participants direct the investment of contributions to their respective accounts into the investment options offered by the Plan.

The Plan allows for an employer safe harbor matching contribution in an amount equal to 100% on the first 3% of a participant's eligible deferred compensation and an additional 50% on the next 2% of a participant's eligible deferred compensation. The Company's safe harbor matching contributions for 2019 totaled $178,571 and were payable on a payroll period basis. Effective January 1, 2020, the safe harbor contributions are to be made on an annual basis.

The Plan allows the Company to make discretionary matching contributions. The Company has not made any discretionary matching contributions for the year ended December 31, 2019.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of any Company contributions and Plan earnings. Accounts are charged with an allocation of investment losses, if any, and administrative expenses, if not paid by the Company. Allocations are based on participant earnings or account balances, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are 100% vested in their contributions, safe harbor matching contribution and rollover amounts plus actual earnings thereon. Participants are fully vested in the discretionary matching contribution after three years of credited service. Participants become fully vested in the event of death, disability, normal retirement age, or plan termination.

Notes receivable from participants

Participants may borrow not less than $500 and up to a maximum of the lesser of $50,000 or 50% of their vested account balance. Notes receivable from participants (participant loans) must be repaid within five years, unless the participant's loan is used to acquire a primary residence, in which case the repayment period may be up to 30 years. Participant loans are secured by the respective participant's account balance and bear a rate of interest of prime plus 2%. Principal and interest are generally paid ratably through payroll deductions with payments made each pay period. At December 31, 2019, the rates of interest on outstanding loans ranged from 7.00% to 7.25% with various maturities through December 2021.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability, or death. Upon termination, participants with total vested account balances of up to $1,000 automatically receive a lump-sum cash distribution from the Plan. Unless affirmatively elected otherwise by the participant, if a participant's vested account balance is greater than $1,000 and less than $5,000, the balance may be automatically rolled over into an individual retirement account, preselected by the Company. If a participant's vested account balance is greater than $5,000, the participant may consent to either a distribution from the Plan or postpone payment to a later date and remain in the Plan, as described in the plan documents.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

The Plan's investments are reported at fair value (Note 4). Reliance certifies the fair value of the Plan's investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants

Participant loans are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant loans is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain administrative expenses of the Plan, including audit fees, were paid directly by the Company for the year ended December 31, 2019. The Plan is not expected the reimburse the Company. Investment and advisory fees, which may vary according to the individual investment options selected, are paid out of the assets of the Plan.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits as of December 31, 2019 (Note 9).

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance, the trustee, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018.
- Net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.
- Investments and notes receivable reflected on the Schedule of Assets (Held at End of Year).

Accordingly, as requested by the Plan administrator, the Plan's auditors performed no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.
- *Level 2* - inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- *Level 3* - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish heir daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trusts: Units held in collective trusts (CT) are valued using the net asset value (NAV) practical expedient of the CT as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding. There are no unfunded commitments in the CT and investments in these funds can be redeemed daily with no restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's investments at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 1,388,849	-	-	$ 1,388,849
Total assets in the fair value hierarchy				$ 1,388,849
Investments measured at NAV (practical expedient)				339,941
Investments at fair value				$ 1,728,790

The following table sets forth by level the Plan's investments at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 1,181,664	-	-	$ 1,181,664
Total assets in the fair value hierarchy				$ 1,181,664
Investments measured at NAV (practical expedient)				245,885
Investments at fair value				$ 1,427,549

5. INCOME TAX STATUS

The Plan has adopted a prototype plan that has received an opinion letter from the Internal Revenue Service (IRS) dated July 8, 2014. The Plan has been amended since the receipt of the letter from the IRS, however the Company believes the Plan has been operated in accordance with the provisions of the IRC and its associated trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants would become fully vested in their account balances in the event the Plan is terminated.

7. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Reliance, the trustee, and State Street, the custodian. Any purchases and sales of these investments are performed in the open market at fair value. Plan related fees are paid to Reliance, to State Street, to a financial advisory firm and to the third-party administrator. All these transactions while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets reported on Form 5500 as of December 31:

	2019	2018

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on Form 5500 for the year ended December 31, 2019:

Change in net assets available for benefits per financial statements	$ 315,884

Less current year participant contributions receivable	(14,584)
Less current year employer contributions receivable	(7,471)
Change in net assets available for benefits per Form 5500	$ 318,161

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.

9. SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared coronavirus disease 2019 (COVID-19) a global pandemic, and governmental authorities around the world have implemented measures to reduce the spread of COVID-19 including restrictions on business operations, public gatherings and travel, as well as stay-at-home orders, social distancing, and quarantines. COVID-19 is having a significant effect on overall economic conditions in nearly all regions around the world and has caused volatility in financial markets, which may continue to affect the market price of the Plan assets. While this is expected to be temporary, the current circumstances are dynamic and the impacts of COVID-19 cannot be reasonably estimated at this time.

On March 27, 2020, U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan has adopted certain measures included in the CARES Act which allow qualified participants to receive COVID-related distributions without penalty and delay repayments of any new or outstanding participant loans for up to one year. COVID-related loan limits increased to the lesser of $100 or 100% of the participant's vested balance, but the amount is reduced by the highest total loan balance in the last 12 months. Additionally, required minimum distributions beginning in 2020 will be delayed by one year, but may still be received at the request of participants.

The Plan has evaluated subsequent events through October 12, 2020, the date the financial statements were available to be issued.
