We are providing this letter in connection with your audit of the financial statements and supplemental schedule of the Italian Rose Garlic Products, LLC 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the custodian, in accordance with the DOL Regulation 2520.103-5 other than comparing such information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information certified by the custodian has been audited by you in accordance with auditing standards generally accepted in the United States of America and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 6, 2020, the following representations made to you during our audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated August 31, 2020, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.
- 2) We are responsible for the fair presentation of the Plan's statements of net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America (US GAAP) and for the fair presentation of the accompanying supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The financial statements and related footnotes are fairly presented in conformity with US GAAP and the notes include all disclosures required by laws and regulations to which the Plan is subject.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and to prevent and detect fraud.

- 4) The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder.
 - b. Guarantees whether written or oral under which the Plan is contingently liable to a bank or other lending institution have been properly recorded or disclosed in accordance with US GAAP.
 - c. All significant assumptions used in making accounting estimates, including those measured at fair value, and material concentrations known to management that are to be disclosed are reasonable and in accordance with US GAAP. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
- 5) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 6) There are no -
 - a. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed.
 - b. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
 - c. Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with accounting for contingencies under US GAAP, that we are not aware of, and the Plan has not consulted a lawyer concerning litigation, claims, or assessments.
- 7) Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 8) The Plan obtained its latest determination letter on July 16, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the appropriate requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 9) The supplemental schedule or financial statements disclose the following, if applicable.
 - a. Non-exempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under the section).
 - b. Investments or loans in default or considered to be uncollectible.
 - c. Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section).

Information Provided

- 10) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC and intends to continue as a qualified Plan (and trust). The Plan sponsor has operated the Plan (and trust) or insurance contract in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- 11) All material transactions have been properly recorded in the accounting records and are reflected in the financial statements.
- 12) All required amendments to and filings of the documents with the appropriate agencies have been made.
- 13) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities are as disclosed in Note 3 to the financial statements, and are considered appropriate for the Plan's investments. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes. The fair value disclosures are considered complete and accurate.
- 14) We have no -
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and we have not consulted legal counsel concerning litigation or claims.
- 15) Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 16) There have been no communications from regulatory agencies concerning noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements, or deficiencies in financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.
- 17) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens or encumbrances on such assets nor has any asset been pledged
- 18) We have no knowledge of any fraud or suspected fraud that affects the Plan and involve -
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
- 19) We have no knowledge of any fraud, allegations of fraud or suspected fraud affecting the Plan received in communications from management, employees, former employees, participants, regulators, beneficiaries, service providers, third party administrators, or others.
- 20) We have made available to you -
 - a. All information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Minutes of the meetings of all relevant committees for the period from 1/1/2018 through the date of this letter, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - d. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- 21) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 22) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 23) The Plan has complied with the fidelity bonding requirements of ERISA.

- 24) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 25) We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- 26) We have made all management decisions and performed all management functions in relation to the non-attest services provided by Baker Tilly US, LLP, as listed below. We have designated an individual with suitable skill, knowledge and/or experience, to oversee the services received. Furthermore, we have established and maintained internal controls, including monitoring activities related to the non-attest services provided by Baker Tilly US, LLP, and we have evaluated and accept responsibility for the adequacy and results of the non-attest services received.

The non-attest services provided by Baker Tilly US, LLP are listed below:

> Preparation of the Plan's financial statements

- 27) We believe the supplemental information, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- 28) We take responsibility for the methods of determining fair value for the investments in the Plan.
- 29) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user controls section of the report, and have determined that those user controls have been designed appropriately and have been implemented.
- 30) Employer contributions totaling \$160,575 were made to the Plan in 2019, none of which were outstanding at December 31, 2019.
- 31) We have evaluated the Plan's covered service providers to ensure compliance with ERISA 408(b)(2), Services Provider Rules, and ERISA 404(a)(5) Participant Disclosures Rules. Each covered service provider has provided the Plan a written contract which complies with the criteria set forth in the 408(b)(2) regulation: disclosure of services to be provided, description of compensation, manner of receipt of such compensation and all conflicts of interest. Communications to participants in accordance with the 404(a)(5) regulation were provided to the participants of the Plan and all expenses of the Plan were presented to the participants of the Plan in a manner which complies with the 404(a)(5) regulation. Plan management has evaluated all fees paid by the Plan for the year ended December 31, 2019 for reasonableness.
- 32) We understand that the statement of net assets available for benefits of the plan as of December 31, 2018 was compiled in accordance with Statements on Standards for Accounting and Review Services ("SSARS") issued by the American Institute of Certified Public Accountants ("AICPA"). The objective of a compilation is to assist plan management in presenting financial information in the form of financial statements. We understand that you have not audited or reviewed the statement of net asset available for benefits as of December 31, 2018, and accordingly, you do not express an opinion or provide any assurance regarding the financial statement.
