Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Digestive Specialists, Inc./Digestive Endoscopy Center, LLC. 401(k) Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Matrix Company, LLC (Matrix), the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplementary information. The plan administrator informed me that Matrix holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Matrix as of, and for the years ended, December 31, 2019 and 2018, that the information provided to the plan administrator by Matrix is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the accompanying financial statements and supplementary information.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedule referred to above.

Report of the Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the Trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Digestive Specialists, Inc./Digestive Endoscopy Center, LLC, "(Company") 401(k) Profit Sharing Plan ("Plan"), formerly known as the Digestive Specialists, Inc. 401(k) Profit Sharing Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the Company who have twelve months of service, are age twenty-one or older and have 1000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan assets are held in a Trust whose Trustee is Matrix Trust Company, LLC (Matrix), a regulated and supervised trust company. The Trust has thirty-one mutual fund options available to participants.

Contributions – Each year, participants may elect to defer a maximum of 75% of their wages up to the maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their accounts using the various investment options offered by the Plan. The Company has adopted the "safe harbor" feature which requires the Company to annually contribute an amount equal to at least 3% of each participant's compensation. Additional profit-sharing amounts are contributed at the discretion of the Company's Board of Directors.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Company's contribution and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are self-directed.

Participant Loans – Participants may borrow from their account a minimum of \$1,000 up to the lesser of the maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates prime plus 1% as published in the Wall Street Journal on the date the loan is processed, which is commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money.

Vesting – Participants are immediately vested in their contributions plus earnings. Vesting in the Company's contribution portion of their accounts, plus earnings on this portion, is based on years of continuous service. A participant is 100% vested after six years of credited service.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits – On termination of service due to death, disability or retirement, a participant will receive a monthly annuity payment for their lifetime, joint and 50% survivor annuity if married, or they may elect to receive another payment option. These options are a lump-sum payment of their vested interest or an annuity with installment payments on a monthly or other periodic basis. If a participant dies before receiving all payments, the balance of the account will be paid to their beneficiary if the periodic payment option is selected.

If a participant's vested interest is \$5,000 or less, it may be paid out in one lump sum.

Forfeited Accounts – Forfeited nonvested accounts may be used to reduce future employer contributions or pay Plan expenses. If an employee returns to work before five consecutive one-year breaks in service, the participant may restore the forfeited portion of their account by repaying any payment received at termination. The balance in the forfeiture account was \$2,236 and \$0 at December 31, 2019 and 2018, respectively. The amount of forfeitures used was \$2,772 and \$12,458 in 2019 and 2018, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Expenses – The Plan pays a portion of the administrative expenses for the plan's operations.

Marketable securities and securities transactions – Marketable securities are carried at fair value determined by the Plan Trustee, Matrix, based on their quoted market value. ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a consistent framework for measuring fair value and, with certain exceptions, this framework is generally applied to all financial statement items required to be measured at fair value. The standard requires fair value measurements to be classified and disclosed in one of the following three categories:

- *Level 1* – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- *Level 2* – Quoted prices in markets that are not active, or inputs which are observable, either directly or indirectly, for substantially the full term of the assets or liability; and
- *Level 3* – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable.

Participant Loan Receivables – Participant Loan Receivables are measured at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are charged directly to the borrowing participant's account and are included in the administrative expenses when incurred. At December 31, 2019 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the delinquent participant note receivable is deemed a benefit payment based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates – The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments (level 1) are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recognized when received and included in the investment gains.

Subsequent Events – Subsequent events were evaluated through October 12, 2020, which is the date the financial statements were available to be issued.

NOTE C - INVESTMENTS

In addition to the investments shown in the Statements of Net Assets Available for Benefits, Matrix provided information regarding the change in value of those investments. The Plan's investments (including realized gains and losses on investments bought and sold), increased (decreased) during the year ended December 31, as follows:

NOTE D – PLAN TERMINATION

NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS

Effective January 1, 2016, the Plan was amended and restated to allow the merger of the DECL retirement Plan and to comply with other miscellaneous required provisions. With the advice of Plan council, the Company is relying on an advisory letter by the Internal Revenue Service that the Plan is qualified under Code Section 401 to the extent provided in Revenue Ruling 2011-49, and any superseding guidance.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment companies (mutual funds). These mutual funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with any mutual fund investment, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – ADMINISTRATIVE EXPENSES

The Annual Return/Report of Employee Benefit Plan (Form 5500) requires the reporting of direct compensation of \$5,000 or more paid to Plan service providers on Schedule C. In 2019 and 2018, Schedule C reports a total of \$75,383 and \$94,617, respectively, was paid to service providers> those amounts are included in the amounts reported on Schedule H.

Included in the amounts on Schedule H in 2019 and 2018 were other expenses for investment advisor fees, trading fees, plan administration and recordkeeping the aggregate amount paid was \$86,603 and \$94,617, respectively. The 2018 amount includes the Plan audit fees. In 2019, the Company paid those directly.

NOTE H – SUBSEQUENT EVENTS

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

The Company has evaluated subsequent events through October 12, 2020 which is the date the financial statements were completed.
