Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Mackie Wolf Zientz & Mann, P.C. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Ascensus Trust Company and John Hancock Life Insurance Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Ascensus Trust Company held the Plan's investment assets and executed investment transactions during the year ended December 31, 2019, and John Hancock Life Insurance Company held the Plan's investment assets and executed investment transactions during the year ended December 31, 2018. The plan administrator has obtained certifications from the custodians as of December 31, 2019 and 2018 and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

MACKIE WOLF ZIENTZ & MANN, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Mackie Wolf Zientz & Mann, P.C. 401(k) Plan (the Plan) provides only general information. The Plan is sponsored by Mackie Wolf Zientz & Mann, P.C. (the Plan Sponsor). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, established on January 1, 2010, as amended from time to time, covering all employees of the Plan Sponsor. Employees are eligible to participate after completing one month of service and having attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as all provisions of the federal income tax laws.

Effective January 1, 2019, the Plan was amended to automatically enroll employees hired after December 31, 2018 at 3%.

The Plan Administrator and Trustees of the Plan are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may make tax-deferred contributions not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor shall contribute to the Plan by making a safe harbor matching contribution equal to 100% of the matched employee contributions up to a maximum amount of 4% of compensation. The Plan Sponsor may also make additional discretionary profit sharing contributions to be allocated to participants as designated by the Plan Sponsor. During the year ended December 31, 2019, no profit sharing contributions were made. The Plan Sponsor made a matching contribution of $208,204 during the year ended December 31, 2019. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's tax-deferred contributions and employer contributions, as well as allocations of the Plan Sponsor's profit sharing contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferred salary contributions, safe harbor contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Plan Sponsor's matching contributions and profit sharing contributions, if any, of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested upon retirement, disability, death or reaching retirement age while employed by the Plan Sponsor. If a participant separates from the employment of the Plan Sponsor, a participant shall be vested based upon the following schedule:

Year(s) of Vesting Service	Percentage Vested
Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 or more years	100%

Notes Receivable from Participants

Participants may borrow against their vested account balances a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or $50,000 minus the highest outstanding balance of loans in the past 12 months. Only one loan may be outstanding at any one time. The loans, in the form of promissory notes (Note 2), are secured by the balance in the respective participant's account, and bear interest at reasonable rates, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest on participant notes receivable are repaid through payroll deductions.

Payment of Benefits

Distributions from the Plan will be made in one lump-sum payment in cash equal to the value of the participant's vested interest in his or her account balance, in partial distributions, or in installments. If a participant's vested benefit in the Plan exceeds $5,000, the participant must consent to the distribution before it may be made. If a participant's vested benefit is greater than $1,000 but less than $5,000, the participant may elect to receive this distribution in cash or rolled to an individual retirement account. If the participant's vested interest does not exceed $1,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

Forfeited Accounts

Forfeitures are to be used to reduce the employer's contribution to the Plan or to pay administrative expenses incurred by the Plan. During the year ended December 31, 2019, there were no forfeitures as all safe harbor matching contributions are immediately 100% vested, and the Plan Sponsor has made no profit sharing contributions that could result in forfeitures.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis with dividends being recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants (Note 1) are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions and reduce a participant's account balance based upon the terms of the Plan document. The Plan recognizes interest income from the notes receivable as earned.

Payment of Benefits

Benefits are recorded when paid.

Expenses

It is the philosophy of the Plan Sponsor to absorb and pay most Plan administration expenses such as audit fees and other administrative costs so as not to decrease Plan assets. Any fee or expense paid, directly or indirectly, by the Plan Sponsor is not considered a contribution to the Plan, provided the fee or the expense relates to the ordinary and necessary administration of the Plan.

In addition, during the year ended December 31, 2019, the Plan incurred administrative fees of $2,090. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

Recent Accounting Pronouncements

During the year ended December 31, 2019 and through October 13, 2020, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

Subsequent Events

In preparing the financial statements, the Plan has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2019, up until the issuance of the financial statements, which occurred on October 13, 2020. As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impacts could occur though such potential impact is unknown at this time.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and may require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act that included numerous employee benefit plan provisions to assist plan sponsors and participants.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and

Level 3 Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Level 1 Fair Value Measurements

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the daily closing price as reported by the fund. Money market funds held by the Plan are open-end money market funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2019	
	Level 1	Total
Mutual funds	$ 4,404,701	$ 4,404,701
Money market funds	80,678	80,678
Total assets at fair value	$ 4,485,379	$ 4,485,379

4. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Armanino, LLP (Armanino) is the Plan's Third-Party Administrator. Ascensus Trust Company (Ascensus) is the Custodian as defined by the Plan, and Ascensus, LLC is the record-keeper. Therefore, transactions with Armanino, Ascensus, and Ascensus, LLC qualify as party-in-interest transactions.

Ascensus provides certain administrative services to the Plan pursuant to a contract between the Plan Sponsor and Ascensus. Ascensus receives revenue from mutual fund service providers for services Ascensus provides to the funds. This revenue is used to offset certain amounts owed to Ascensus for its administrative services to the Plan.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their account balances.

6. REPORTABLE TRANSACTIONS

There were no reportable transactions or uncollectible, non-exempt transactions with parties-in-interest or any other prohibited transactions which would require supplemental disclosure under Department of Labor rules and regulations, except for an insufficient amount of fidelity bond coverage during the year. The Plan had insufficient bond coverage from January 1, 2019 to the end of the year; however, effective January 1, 2020, the Plan increased coverage to $500,000, which is sufficient coverage.

7. TAX STATUS

The Plan, as originally drafted, is a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan Sponsor of the prototype plan by a letter dated March 31, 2014, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). However, a determination letter from the IRS has not yet been requested by the Plan Sponsor to determine if the Plan as amended was designed in accordance with applicable sections of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. We further caution that it is not possible to list all such factors, and you should not consider the identified factors as a complete list of all risks and uncertainties.

9. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

For the years ended December 31, 2019 and 2018, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors to not perform any auditing procedures with respect to the information certified by the Custodians of the Plan in 2019 and 2018, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule.
