COMMUNICATION OF SIGNIFICANT DEFICIENCIES

To the Plan Administrator
Rob's Automotive & Collision Center 401(k) Plan
Bristol, Pennsylvania

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Rob's Automotive & Collision Center 401(k) Plan (the "Plan") as of and for the year ended December 31, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered Rob's Automotive & Collision Center 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Rob's Automotive & Collision Center 401(k) Plan's internal control to be significant deficiencies:

- While conducting the test of hardship withdrawals in relation to the benefit payment area of testing, management was not able to provide supporting documentation outlining the specific need for the hardship withdrawal. This documentation provides support that the hardship distribution received was in accordance with the Plan and U.S. Department of Labor regulations. Lack of documentation could lead to potential errors and may potentially affect the Plan's tax status.

COMMUNICATION OF SIGNIFICANT DEFICIENCIES

Page Two

- During our audit, we found management does not have signed opt-out forms for non-participating, eligible employees. Signed opt-out forms provide safeguards against employee claims that they were entitled to benefit plan deferrals, which could result in an obligation of the employer to the employee.
- During our audit, we identified one (1) participant on the census that did not meet the Plan's eligibility qualifications of completing one year of service with 1,000 hours. One participant made contributions during the plan year which was refunded in 2020. The plan administrator should review participants' eligibility based upon the plan document to ensure correct entrance date into the plan.

During our audit, we also became aware of the following matters, which we believe represent opportunities for strengthening internal controls and operating efficiency:

- While ERISA does not technically require that the Plan have an investment policy, such policies are encouraged because they help assure that investments are made in a rational manner and in furtherance of the Plan's funding policy. We recommend that the Plan create an investment policy for the Plan and consult with an Investment Advisor, and then perform and document periodic reviews of the investments.

This communication is intended solely for the information and use of the plan administrator, plan management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

To the Plan Administrator
Rob's Automotive & Collision Center 401(k) Plan
Bristol, Pennsylvania

We have conducted a DOL limited-scope audit of the financial statements of Rob's Automotive & Collision Center 401(k) Plan (the "Plan") for the year ended December 31, 2019 and have issued our report thereon dated October 8, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 15, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Rob's Automotive & Collision Center 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Management's estimate of fair value of investments in money market funds and mutual funds is based on net assets value (NAV) of shares held by the Plan at December 31, 2019. We evaluated the key factors and assumptions used to develop the valuation of investments in determining that it is reasonable in relation to the financial statements as a whole.

An independent member of **B K R**
INTERNATIONAL

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosure of fair value measurements in Note 4 to the financial statements. (See financial statements for complete disclosure).
- The unaudited investment information certified by the trustee as noted in Note 3.

The financial statement disclosure is neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. In addition, none of the misstatements detected as a result of audit procedures were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 8, 2020.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the plan administrator of Rob's Automotive & Collision Center 401(k) Plan and management of Rob's Automotive & Collision Center, and is not intended to be, and should not be, used by anyone other than these specified parties.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Rob's Automotive & Collision Center 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ROB'S AUTOMOTIVE & COLLISION CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 DESCRIPTION OF PLAN

The following description of Rob's Automotive & Collision Center 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established as a 401(k) retirement plan for the employees of Rob's Automotive & Collision Center, Inc. and LRA Enterprise, LLC, (collectively the "Company"). The Plan covers all employees of the Company who are age 21 or older and have completed 1,000 hours of service within 12 months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to any limitations determined by the plan committee or by statute. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participant contributions may only be pre-tax contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company matches all participants' pretax contributions up to a maximum of 25% of the first 4% of the participant's base compensation. The Company made matching contributions of \$51,159 net of \$3,976 of forfeitures and \$45,359 net of \$6,395 of forfeitures for the years ended December 31, 2019 and 2018, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, qualified rollover contributions and allocation of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into particular investments offered by the Plan.

Vesting

Participants are fully vested in their voluntary contributions and related investment earnings. Vesting of the employer contributions accrues for each year of service, completing 1,000 hours, at 20% annually after the first full year of service. A participant becomes fully vested after six years of service. Regardless of the vesting schedule, a participant will become fully vested upon the occurrence of any one of the following events: (a) death, (b) total and permanent disability, or (c) the date the participant attains the age of 65.

Forfeitures

Forfeitures may be applied to offset plan expenses or to reduce the Company's matching contributions. For the years ended December 31, 2019 and 2018, the Company's matching contributions were offset by \$3,976 and \$6,395, respectively, from forfeited non-vested accounts. Forfeited non-vested accounts totaled \$61 and \$5,836 as of December 31, 2019 and 2018, respectively.

ROB'S AUTOMOTIVE & COLLISION CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. A participant may have only one outstanding loan at any one time.

The loans bear interest at a fixed rate of 1% over the prime interest rate. Loans are repayable over a specific period not to exceed five years. If a loan is to be used for the purchase of a participant's principal residence, a longer repayment term may be permitted.

Payment of Benefits

A participant's vested account balance will be distributable upon the occurrence of any one of the following events: (a) death or disability, (b) termination, (c) early retirement or (d) any other termination of service. If the participant's account balance is greater than \$5,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. Participants may receive in-service distributions of their vested account on or after attainment of age 59 ½. In any event, withdrawal of the account balance must commence once the participant attains the age of 70 ½ years. Upon termination of service, in the event the participant's account balance is \$1,000 or less, a lump-sum payment, less applicable withholding taxes, will be made as soon as practicable. The Plan provides for hardship withdrawals under the provisions of the Internal Revenue Code.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ROB'S AUTOMOTIVE & COLLISION CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses have been recorded as of the years ended December 31, 2019 and 2018. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid. All requested distributions have been paid as of December 31, 2019.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2019 and 2018. Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, the supplemental schedule of assets (held at end of year) as of December 31, 2019, and the related investment income and interest income on notes receivable as reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019.

ROB'S AUTOMOTIVE & COLLISION CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 4 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Registered Investment Companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: The fair value of participation units held in Reliance Trust Company, Stable Value Fund Collective Investment Trust, often referred to as "Invesco Stable Asset Fund - ADPZ", is based on net asset value, which is obtained from audited information reported by the issuer of the common collective trust at year-end, which is used as practical expedient to estimate fair value.

The Stable Value Fund is held in a Common Collective Trust. The investment objective of the Invesco Stable Asset Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. Withdrawals from the Invesco Stable Asset Fund - ADPZ for participant exchanges into a competing investment must first be directed into a non-competing investment for a period of 90 days, after which time the exchange into the competing investment may be completed. If the Plan is terminating participation in the trust, 12 months is required for the withdrawal.

NOTE 4 FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

Assets at Fair Value as of December 31, 2019:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies (mutual funds)	\$ 3,843,195	\$ -	\$ -	\$ 3,843,195

Total assets at fair value	<u>\$ 3,843,195</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,849,322</u>

Assets at Fair Value as of December 31, 2018:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies (mutual funds)	\$ 2,837,209	\$ -	\$ -	\$ 2,837,209

Total assets at fair value	<u>\$ 2,837,209</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,876,594</u>

- (a) In accordance with Accounting Standards Codification Topic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Common collective trust				
Invesco Stable Asset Fund ADPZ	\$ 39,385	N/A	Daily	90 days

The Plan invests in a common collective trust with Invesco Trust Company called the Invesco Stable Asset Fund - ADPZ. The Plan identifies this investment as the stable asset fund. The stable asset fund is included in the financial statements at its net asset value as reported to the Plan by Invesco Trust Company.

NOTE 6 EXCESS CONTRIBUTIONS PAYABLE

Excess contributions payable represents contributions from participants, who did not meet the eligibility requirements to enter the plan. Excess contributions payable for the plan year December 31, 2019 and 2018 were \$1,050 and \$120, which reduced the 2019 and 2018 contributions, respectively.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has several service providers which are considered parties-in-interest as defined by ERISA. The trustee of the Plan is also the custodian of the Plan assets.

NOTE 8 TAX STATUS

The Plan obtained its latest determination letter based on a prototype plan on July 16, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ROB'S AUTOMOTIVE & COLLISION CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 8 TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE 9 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan maintains a significant allocation in the following investments:

- Vanguard Target Retire 2035 Inv
- MFS Total Return R6
- Lord Abbett High Yield Fund R6

NOTE 11 SUBSEQUENT EVENTS

The plan administrator has evaluated events or transactions that have occurred after December 31, 2019 (the financial statements date) through October 8, 2020, the date that the financial statements were available to be issued. During this period, the plan administrator did not have any material recognizable subsequent events that would require adjustment to, or disclosure in, the financial statements.

However, due to the current global pandemic, the Company and businesses in general are being affected throughout the country. The financial impact to the Plan cannot be estimated at this time. The Plan Sponsor continues to monitor, ask questions and properly document steps taken by the fiduciaries to review this situation. The volatility of the market is currently unknown and depends on future developments including the duration of the pandemic. Management of the Company as well as the Federal, State, and local governments are addressing how to best manage the situation.
