ONEPOINT HRO LLC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of OnePoint HRO LLC Multiple Employer 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General and Eligibility

The Plan is a defined contribution plan covering all eligible employees of participating employers (collectively the “Company”). The participating employers elect the eligibility and date of entry on the Participation Agreement. Participating employers may elect a service period requirement for eligibility of immediate, three months, six months or one year. Participating employers may elect a monthly or quarterly plan entry date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Investment Options

Each year, participants may contribute up to 100% of pretax annual compensation as defined by the Plan, subject to qualified limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows for both catch up and Roth contributions.

For each Plan year, the participating employers elect the formula for employer matching contributions as offered in the participation agreement. The participation agreement allows the participating employers to elect to make no employer matching contribution, discretionary matching contributions, or a basic 401(k) safe harbor match. In addition, the participating employers may elect to make non-elective discretionary contributions.

Participants direct the investment of their account balances into participant-directed and self-directed accounts. For participant-directed accounts, participants may choose between various mutual fund investments offered by Mid-Atlantic Trust Company. Participants can change their investment allocations at their discretion by communicating directly with the Plan custodian via the telephone or internet. Participants direct the investment of their accounts by electing the percentages they wish to allocate between investment alternatives. The Plan provides a qualified default investment alternative for those participants who do not make an investment election. For self-directed accounts, participants may invest in individual stocks, bonds, or other securities selected by the employee which are publicly traded on major U.S. exchanges.

Participant Accounts

Separate accounts are maintained for each participant and are credited with the participant's contributions, employer matching and extra contributions, and rollover contributions, if any, including the allocations of earnings and losses to these accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow up to 50% of his or her vested balance subject to a minimum of \$1,000 and a maximum of \$50,000, with any note secured by such 50% portion, under rules adopted by the Plan administrator. Such rules are subject to certain conditions, including: the term of the note may not exceed five years (or a reasonable period of time if participant is acquiring a principal residence); the interest rate shall be the prime rate plus 1% which management considers to be commensurate with then prevailing rates in the

local community for similar notes; for employees, notes shall be repaid by payroll deductions in approximately equal payments; notes for terminated employees are repaid at least quarterly in advance, and; notes shall be repaid at the time a distribution becomes payable to the borrower by deducting unpaid principal and interest from the benefits otherwise payable. Based on contribution allocations, the aggregate note balance is estimated to be repaid to the funds in a proportionate manner. The notes bear interest at rates that range from 4.25% to 7.15%.

Vesting

Participants are immediately vested in their voluntary contributions and in their employer safe harbor contributions plus actual earnings thereon. For employer contributions, not subject to the safe harbor provisions, a participating employer may elect immediate vesting or a vesting schedule equal to 20% after the first two years, then 20% for each year of service until participants are fully vested after six years or more. Participants are credited for a year of service for each calendar year in which the participant completes 1,000 hours of service. Participants also become fully vested in all of their accounts in the event of retirement after age 65, upon death or disability, or if the Plan is terminated.

Non-vested balances of employees who terminate are forfeited and may be used to reduce future employer matching contributions or Plan expenses at the end of the Plan year.

Hardship Withdrawals

Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of all of such account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;
2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;
4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence; or
5. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Employee Deferrals are suspended for 6 months following a hardship withdrawal.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

At the time of a participant's retirement or termination of employment because of disability, or termination of employment for reasons other than retirement, death or disability, a participant is entitled to receive a lump sum payment of the full amount of his or her before-tax, after-tax, rollover, and safe harbor contribution accounts plus the vested portion of his or her prior years' matching and extra contribution accounts.

A participant may choose either a cash distribution with the mandatory 20% withholding for tax or a rollover distribution for the full amount to another qualified plan or an individual retirement account.

Death Benefits

If an active employee dies, the participant becomes fully vested. The participant's account balances are paid in a lump sum to the beneficiary.

Forfeited Accounts

Forfeitures from non-vested accounts may be used to reduce matching or non-elective employer contributions or plan expenses. For the years ended December 31, 2019 and 2018, \$0 of forfeited amounts were used to reduce employer contributions. At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$32,048 and \$10,031, respectively.

Investment Management Fees and Operating Expenses

Certain investment management fees and operating expenses are charged to the Plan for investments in mutual funds and are deducted from income earned on a daily basis and reflected as a component of administrative fees.

Administrative Expenses

Fees for the investment managers, third party administrators, and the audit are paid out of assets of the Plan. OnePoint HRO LLC, the Plan sponsor, pays all other fees incurred by the Plan and provides personnel who perform various administrative services. The expenses incurred by the Plan sponsor are not included in the accompanying financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Valuation of Investments and Income Recognition

Investments are stated at fair value. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the plan document. As of December 31, 2019, and 2018, no allowance for credit losses has been recorded.

ONEPOINT HRO LLC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting guidance on fair value measurements and disclosures defines fair value, establishes a framework for measuring the fair value of assets and liabilities using a hierarchy system and defines required disclosures. It clarifies that fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the reporting entity transacts business.

The Plan's statements of net assets available for benefits contain Plan investments that are recorded at fair value on a recurring basis. The three-level valuation hierarchy for disclosure of fair value is as follows:

Level 1

Uses quoted market prices in active markets for identical assets or liabilities.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Uses unobservable inputs that are not corroborated by market data.

FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

When available, quoted market prices are used to determine the fair value of investments held in the Plan, and such items are classified within Level 1 of the fair value hierarchy. An example is registered investment companies with available market prices. A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. The Plan's policy is to recognize transfers between levels at the end of each reporting period, if applicable.

Stable Value Fund:

Valued at the contract value held by the Plan at year end. The contract value is based on similar assets in active markets and is therefore classified within Level 2 of the valuation hierarchy.

Registered Investment Companies:

Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the quoted market price of each fund and are classified within Level 1 of the valuation hierarchy.

Common stock:

Common stock is recorded at fair value, which is the closing price per the major stock exchange where the stock is traded. Common stock is classified within Level 1 of the valuation hierarchy.

The following tables present the balances of assets and liabilities measured at fair value on a recurring basis by level as of December 31, 2019 and 2018:

Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mid-Atlantic Trust Company, the custodian of the Plan, as complete and accurate, except for comparing such information to information included in statements and supplemental schedule.

	December 31, <u>2019</u>	December 31, <u>2018</u>
Investments at fair value	\$ 28,955,272	\$ 23,667,735
Net appreciation/(depreciation) in fair value of investments	\$ 4,625,169	\$ (1,755,782)

NOTE 6 – RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain plan investments are invested in accounts held and managed by Mid-Atlantic Trust Company. Mid-Atlantic Trust Company is the custodian of the plan. FutureBenefits of America is the third-party administrator and received \$160,000 of direct compensation for contract administration services. Redhawk Wealth Advisors, Inc. received \$166,000 of direct compensation for Investment Advisory Services. These transactions qualify as party-in-interest transactions.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, record-keeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

NOTE 7 – FIDELITY BOND

As of December 31, 2019, the plan was covered by a fidelity bond in the amount of \$500,000.

NOTE 8 – PLAN TERMINATION

Although the Company intends to continue the Plan and to make regular contributions, the Company reserves the right to terminate the Plan at any time, and its continuance is not guaranteed. The Company also has reserved the right to amend or otherwise modify the Plan, or to discontinue any further contributions or payments under the Plan, by a resolution of its Board. In the event of a termination of the Plan or discontinuance of contributions, the account of each affected participant shall become non-forfeitable.

NOTE 9 – INCOME TAX STATUS

The Plan was amended and restated effective January 1, 2009, by adopting a volume submitter proto- type plan. The prototype plan has obtained an opinion letter dated March 31, 2008 from the IRS that the Plan is qualified, and the trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code. The Plan has been amended since this determination letter was issued, however, Plan management believes

NOTE 9 – INCOME TAX STATUS (CONTINUED)

that the Plan continues to be operated in compliance with the applicable provisions of Internal Revenue Service Code and the Plan is exempt from federal income taxes.

Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan applies the standards on accounting for uncertainty in income taxes. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

There are no reconciling items between the financial statements and Form 5500 net assets available for benefits or net increase in assets available for benefits.

NOTE 10 – COMPARATIVE STATEMENTS

Reclassification

Certain 2018 amounts have been reclassified to conform with the 2019 statement presentation.

NOTE 11 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated the financial statements for subsequent events occurring through the date of this report, which is the date the financial statements were available to be issued.

Accounting principles generally accepted in the United States of America require that financial statements recognize the effect of events subsequent to the statement of net assets available for benefits date that provide additional evidence about conditions that did or did not exist at that date. After December 31, 2019, the outbreak of the COVID-19 pandemic and related economic repercussions have created uncertainty for many industries. This increased uncertainty on the assets of the Plan cannot be reasonably estimated.
