COURTHOUSE NEWS SERVICE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Courthouse News Service 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan's sponsor is Courthouse News Service, Inc. (the "Company" or the "Employer").

General

The Plan was initially adopted January 1, 1998 and was restated effective January 1, 2016 to comply with more recent changes in pension laws and regulations. The Plan is a defined contribution plan covering all eligible employees of the Company. In order to be eligible to participate in the Plan, the participant must be at least 21 years of age and not be part of a group of employees that is excluded from the Plan. The employees excluded from the Plan include "grandfather" employees, "substitute" employees, "non-resident alien" employees and "contract" employees as defined by the Plan. In order to be eligible for the Employer profit sharing and match, the participant must have worked 1,000 hours during a consecutive 12-month period as defined by the Plan. An eligible employee may enter the Plan on January 1, April 1, July 1 or October 1 of each year after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participants direct the investment of their contributions (including Employer contributions) into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company contributions and Plan earnings (net of administrative fees). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Contributions

Participants may elect to make salary deferral contributions to the Plan starting at 1% of annual compensation up to the annual limit ($19,000 in 2019) established by the Internal Revenue Service ("IRS"). Participants who are age 50 or over at the end of the calendar year can make annual catch up contributions in addition to the above, up to the maximum amount allowed by the IRS ($6,000 in 2019). Participants can choose between pre-tax and Roth contributions.

Rollover Contributions

The Plan allows for participants in a former employer's qualified plan to contribute direct rollovers to the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Matching Contributions

The Plan allows for the Company to make matching contributions. The Company matched an amount equal to 50% of the first 5% of the participant's eligible compensation contributed to the Plan on a per pay period basis during the year ended December 31, 2019.

Profit Sharing Contributions

The Company may also make an additional discretionary profit sharing contribution which shall be allocated to each eligible participant based on the employee's classification. In order to receive an allocation of the profit sharing contribution, the participant must have worked at least 1,000 hours during the Plan year and be employed on the last day of the Plan year. There were no Employer discretionary profit sharing contributions made to the Plan for the years ended December 31, 2019 and 2018.

Vesting

Participants are immediately fully vested in their contributions and the earnings and appreciation or depreciation thereon. Employer profit sharing and matching contributions vest as follows:

Years of Service	% Vesting
1 year	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the value of their vested account balance on the loan date. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect on the loan date plus 2% per annum, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or annual installments over any period not exceeding the lesser of 10 years or the life expectancy of the participant. For terminated participants' account balances, the plan administrator may elect to make a mandatory distribution of account balance that are $5,000 or less. The plan administrator will make the distribution as a direct rollover for any amounts greater than $1,000. For terminated participants' account balances that are less than $1,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent. Hardship distributions are not permitted from the participant's employee deferral account.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of non-vested participant accounts can be used to reduce Plan expenses or to reduce Employer contributions. There was $8,365 used from the forfeiture account balance to reduce employer matching contributions and pay plan expenses during the year ended December 31, 2019. The balance in the forfeiture account at December 31, 2019 was $792. There was no balance in the forfeiture account at December 31, 2018.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Standards Codification

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ™ ("Codification") is the official source of authoritative, nongovernmental accounting principles generally accepted in the United States of America. The Codification is organized by overall topic which is at times referenced in the accompanying notes to the financial statements.

Investment Valuation and Income Recognition

The Plan's investments have been stated at fair value as determined by the Custodian. Quoted market prices are used to value investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end based on quoted market prices in active markets. Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold during the year as well as those held at year end. See Note 8 for discussion of fair value measurements.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a distribution in recorded.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
All expenses incident to the administration, termination, or protection of the Plan, including, but not limited to, legal, accounting, and custodian fees, shall be paid by the Company or, if not paid by the Company, shall be paid by the plan administrator from the Plan assets. Most of the administrative expenses of the Plan were paid by the Plan during the year ended December 31, 2019. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

Subsequent Events
The Plan has evaluated subsequent events through October 13, 2020, which is the date these financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Reliance Trust Company. Reliance Trust Company is the Custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Investment fees paid by the Plan to the Custodian are included as a component of net realized and unrealized appreciation in fair value of investments as they are paid through revenue sharing, rather than a direct payment and are not separately stated in the accompanying statement of changes in net assets available for benefits. The Plan incurred $24,952 of investment advisory fees to a third party investment advisor for the year ended December 31, 2019. The Plan also incurred fees to the third party record keeper which was not covered by revenue sharing which totaled $7,044 for the year ended December 31, 2019. These expenses are included in administrative expenses in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2019. The Plan Sponsor pays most other fees related to the Plan’s operations.

NOTE 5 – TAX STATUS

The IRS has determined and informed the Company by a letter dated May 7, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving this determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is still designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus ("COVID-19") as a pandemic, and on March 13, 2020, the President of the United States of America declared a national emergency relating to the pandemic. In addition to the President's declaration, state and local authorities have recommended social distancing and have imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health; however, they have also had material adverse impacts on domestic and foreign economies and may result in the United States entering a period of recession.

There has been heightened market risk and volatility associated with the pandemic, and this could materially affect future participants' account balances and the amount reported in the statements of net asset available for benefits and the statements of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have on the Plan.

NOTE 7 – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected that method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust Company, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, the statement of changes in net assets available for benefits for the year ended December 31, 2019, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2019.

NOTE 8 – FAIR VALUE MEASUREMENTS

The "*Fair Value Measurements"* topic of the Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the *Fair Value Measurements* topic of the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies or classifications in level used during the years ended December 31, 2019 and 2018.

Registered Investment Companies (Mutual Funds): Valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted market prices in active markets.

Cash and Cash Equivalents: Valued at dollar value of accounts held by the Plan at year end as provided by the Custodian.

The methods described above may produce a fair value calculation that may not be indicative of net realizable or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019:

	Investments at Fair Value		
	Level 1	Level 2-3	Total
Cash and cash equivalents	$ 22,663	$ -	$ 22,663
Mutual funds	5,832,403	-	5,832,403
Total investments, at fair value	$ 5,855,066	$ -	$ 5,855,066

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018:

	Investments at Fair Value		
	Level 1	Level 2-3	Total
Cash and cash equivalents	$ 15,879	$ -	$ 15,879
Mutual funds	4,426,116	-	4,426,116
Total investments, at fair value	$ 4,441,995	$ -	$ 4,441,995

NOTE 9 – SUBSEQUENT EVENT DISCLOSURE INCLUDING CARES ACT

On March 11, 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic (see Note 6). The COVID-19 pandemic and global disruptions have cause significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have incurred significant volatility in fair value since December 31, 2019. The impact brought by, and the duration of, COVID-19 continues to evolve rapidly, and the plan sponsor is not able, at this time, to estimate its full impact on the Plan's financial statements.

Effective April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective April 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.
