NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The DHX-Dependable Hawaiian Express, Inc./Our Best Assets, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of the Plan's sponsor, DHX-Dependable Hawaiian Express, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers and employees of the Company serve as the Plan's administrator. The specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 785,940	$ -	$ -	$ 785,940
Common/Collective Trust Measured at NAV[A]				6,939,935
				$ 7,725,875

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 415,833	$ -	$ -	$ 415,833
Common/Collective Trust Measured at NAV[A]				5,632,344
				$ 6,048,177

[A] In accordance with ASC 820, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds valued at their quoted market prices. The Putnam Stable Value Fund and Target Date Funds are common/collective trusts for which fair value is measured using the net asset value per share practical expedient. The Putnam Stable Value Fund's investment objective is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The Target Date Fund's investment objective is to seek a total return consisting of long-term growth of capital and current income.

Shares may be redeemed at any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts.

Valuations are furnished by the trustee. Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis.

D. Eligibility

Employees are eligible to participate in the Plan after six months of service. Participants may enter the Plan on the first day of the next calendar quarter after meeting the eligibility requirements. The Plan allows for automatic deferrals of 6% for newly enrolled participants with annual increases of 2%, up to a maximum of 10% of compensation.

E. Contributions and Vesting

Participants may contribute to the Plan through tax-deferred salary deductions of 1% to 90% of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code (the "Code"). Catch up contributions are allowed. Participants' rights to voluntary contributions, rollover contributions and earnings thereon are 100% vested immediately upon contribution. The Company may make matching contributions at its discretion; matching contributions of $70,698 were made for 2019. Participants are always 100% vested in employer matching contributions.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Notes Receivable from Participants

At the discretion of the Plan administrator, a participant may borrow up to the lesser of 50% of his or her vested account balance or $50,000. The minimum loan is $1,000. The term of the loan may not exceed five years, except when loan proceeds are used to purchase the participant's principal residence, in which case the term of the loan may not exceed ten years. Loans bear interest at prevailing market rates. Notes receivable from participants at December 31, 2019 carry interest rates of 4.25% to 6.50%.

G. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company after age 59½, or prior to that age for financial hardship (as defined in the Plan).

H. Retirement Age

Normal retirement age is 65. Early retirement is allowed at age 55 with five years of service.

I. Administrative Expenses

Substantially all administrative expenses are paid by the Company.

J. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 2 - INCOME TAX STATUS

The Plan was designed under a Prototype Non-Standardized Profit Sharing Plan, which has received a favorable opinion letter issued by the Internal Revenue Service on March 31, 2014, stating that it is acceptable under Section 401(a) of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - INVESTMENT FUNDS

All amounts in each participant's account are invested and reinvested as elected by participants from among the investment funds made available by the plan administrator. Participants may change how their accounts are allocated daily.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2019 and 2018 and investment income for the year ended December 31, 2019 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The trustee of the Plan and its related entities issue and/or manage investments held by the Plan. Transactions involving these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The DHX-Dependable Hawaiian Express, Inc./Our Best Assets, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of the Plan's sponsor, DHX-Dependable Hawaiian Express, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers and employees of the Company serve as the Plan's administrator. The specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 785,940	$ -	$ -	$ 785,940
Common/Collective Trust Measured at NAV[A]				6,939,935
				$ 7,725,875

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 415,833	$ -	$ -	$ 415,833
Common/Collective Trust Measured at NAV[A]				5,632,344
				$ 6,048,177

[A] In accordance with ASC 820, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds valued at their quoted market prices. The Putnam Stable Value Fund and Target Date Funds are common/collective trusts for which fair value is measured using the net asset value per share practical expedient. The Putnam Stable Value Fund's investment objective is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The Target Date Fund's investment objective is to seek a total return consisting of long-term growth of capital and current income.

Shares may be redeemed at any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts.

Valuations are furnished by the trustee. Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis.

D. Eligibility

Employees are eligible to participate in the Plan after six months of service. Participants may enter the Plan on the first day of the next calendar quarter after meeting the eligibility requirements. The Plan allows for automatic deferrals of 6% for newly enrolled participants with annual increases of 2%, up to a maximum of 10% of compensation.

E. Contributions and Vesting

Participants may contribute to the Plan through tax-deferred salary deductions of 1% to 90% of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code (the "Code"). Catch up contributions are allowed. Participants' rights to voluntary contributions, rollover contributions and earnings thereon are 100% vested immediately upon contribution. The Company may make matching contributions at its discretion; matching contributions of $70,698 were made for 2019. Participants are always 100% vested in employer matching contributions.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Notes Receivable from Participants

At the discretion of the Plan administrator, a participant may borrow up to the lesser of 50% of his or her vested account balance or $50,000. The minimum loan is $1,000. The term of the loan may not exceed five years, except when loan proceeds are used to purchase the participant's principal residence, in which case the term of the loan may not exceed ten years. Loans bear interest at prevailing market rates. Notes receivable from participants at December 31, 2019 carry interest rates of 4.25% to 6.50%.

G. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company after age 59½, or prior to that age for financial hardship (as defined in the Plan).

H. Retirement Age

Normal retirement age is 65. Early retirement is allowed at age 55 with five years of service.

I. Administrative Expenses

Substantially all administrative expenses are paid by the Company.

J. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 2 - INCOME TAX STATUS

The Plan was designed under a Prototype Non-Standardized Profit Sharing Plan, which has received a favorable opinion letter issued by the Internal Revenue Service on March 31, 2014, stating that it is acceptable under Section 401(a) of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - INVESTMENT FUNDS

All amounts in each participant's account are invested and reinvested as elected by participants from among the investment funds made available by the plan administrator. Participants may change how their accounts are allocated daily.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2019 and 2018 and investment income for the year ended December 31, 2019 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The trustee of the Plan and its related entities issue and/or manage investments held by the Plan. Transactions involving these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The DHX-Dependable Hawaiian Express, Inc./Our Best Assets, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of the Plan's sponsor, DHX-Dependable Hawaiian Express, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers and employees of the Company serve as the Plan's administrator. The specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 785,940	$ -	$ -	$ 785,940
Common/Collective Trust Measured at NAV[A]				6,939,935
				$ 7,725,875

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 415,833	$ -	$ -	$ 415,833
Common/Collective Trust Measured at NAV[A]				5,632,344
				$ 6,048,177

[A] In accordance with ASC 820, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds valued at their quoted market prices. The Putnam Stable Value Fund and Target Date Funds are common/collective trusts for which fair value is measured using the net asset value per share practical expedient. The Putnam Stable Value Fund's investment objective is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The Target Date Fund's investment objective is to seek a total return consisting of long-term growth of capital and current income.

Shares may be redeemed at any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trusts.

Valuations are furnished by the trustee. Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis.

D. Eligibility

Employees are eligible to participate in the Plan after six months of service. Participants may enter the Plan on the first day of the next calendar quarter after meeting the eligibility requirements. The Plan allows for automatic deferrals of 6% for newly enrolled participants with annual increases of 2%, up to a maximum of 10% of compensation.

E. Contributions and Vesting

Participants may contribute to the Plan through tax-deferred salary deductions of 1% to 90% of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code (the "Code"). Catch up contributions are allowed. Participants' rights to voluntary contributions, rollover contributions and earnings thereon are 100% vested immediately upon contribution. The Company may make matching contributions at its discretion; matching contributions of $70,698 were made for 2019. Participants are always 100% vested in employer matching contributions.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Notes Receivable from Participants

At the discretion of the Plan administrator, a participant may borrow up to the lesser of 50% of his or her vested account balance or $50,000. The minimum loan is $1,000. The term of the loan may not exceed five years, except when loan proceeds are used to purchase the participant's principal residence, in which case the term of the loan may not exceed ten years. Loans bear interest at prevailing market rates. Notes receivable from participants at December 31, 2019 carry interest rates of 4.25% to 6.50%.

G. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company after age 59½, or prior to that age for financial hardship (as defined in the Plan).

H. Retirement Age

Normal retirement age is 65. Early retirement is allowed at age 55 with five years of service.

I. Administrative Expenses

Substantially all administrative expenses are paid by the Company.

J. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 2 - INCOME TAX STATUS

The Plan was designed under a Prototype Non-Standardized Profit Sharing Plan, which has received a favorable opinion letter issued by the Internal Revenue Service on March 31, 2014, stating that it is acceptable under Section 401(a) of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - INVESTMENT FUNDS

All amounts in each participant's account are invested and reinvested as elected by participants from among the investment funds made available by the plan administrator. Participants may change how their accounts are allocated daily.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2019 and 2018 and investment income for the year ended December 31, 2019 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The trustee of the Plan and its related entities issue and/or manage investments held by the Plan. Transactions involving these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500
