SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Sheely's Furniture & Appliance Co., Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all non-union employees of Sheely's Furniture & Appliance Co., Inc. (the "Company") who have one year of service and at least 1,000 service hours and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is an American Funds Distributors, Inc. Defined Contribution Prototype Plan and Trust.

Contributions - Participants may contribute up to the lesser of the annual limitation (\$19,000 and \$18,500 for 2019 and 2018, respectively), or 100% of their pretax compensation, as defined in the Plan document. The Company provides a safe harbor matching contribution whereby the Company matches the participants' contributions equal to the sum of 100% of the amount of their salary reductions that are not in excess of 3% of their compensation, plus 50% of the amount of their salary reductions that exceed 3% of their compensation but not in excess of 5% of their compensation. The Company may elect to make additional matching contributions. During 2019 and 2018, the Company exceeded the safe harbor requirements by matching the participant's contributions equal to the sum of 100% up to the first 5% of the elected contribution percentage.

The Plan provides for additional elective deferrals for eligible participants subject to certain limitations. Eligible participants are those participants who will attain at least age 50 before the close of the Plan year who would otherwise be eligible to make elective deferrals under the Plan. The maximum additional elective deferral for 2019 and 2018 is limited to \$6,000.

The annual addition (which includes employee and employer contributions) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of \$56,000 and \$55,000 for 2019 and 2018, respectively, as adjusted for increases in the cost of living under Code Section 415(d), or 100% of the participant's compensation within the meaning of Code Section 415(c)(3), for the limitation year.

Notes Receivable from Participants - The Plan does not permit notes to be made to the participants.

Investment Options - Participants may invest their voluntary contributions and the Company's contributions, plus actual earnings thereon into any of the 28 investment options provided by Capital Bank and Trust Company (the "Trustee") as listed in Note 3 to the financial statements. The participants may change their investment election for new contributions and existing balances daily.

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting - Participants are immediately 100% vested in their voluntary contributions, rollover contributions, and Company contributions plus actual earnings thereon.

Forfeitures - No forfeitures are present in the Plan since all contributions are immediately 100% vested.

Payment of Benefits - A participant who has attained age 62, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death. Upon termination of service or death, if the participant's account balance is \$1,000 or less, a participant will automatically receive a lump-sum payment, less applicable withholding taxes. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account shall be distributed in a direct rollover to an Individual Retirement Account (IRA) designated by the plan administrator. If the participant's account balance is greater than \$5,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. In any event, withdrawal of the account balance must commence once the participant attains the age of 70 ½. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 70 ½.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings and losses thereon. Allocations are based on participant earnings or account balances, as defined in the Plan document.

Plan Administration Expenses - Expenses incurred by the plan administrator and Trustee for their services and costs in administering the Plan are paid by the Company, except for certain transaction fees which are paid by the participants.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Net Appreciation (Depreciation) in Fair Value of Investments - The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation (depreciation) on investments. The net change in unrealized appreciation (depreciation) in the fair value of investments is determined by the change in fair value from the beginning of the year if held for the entire year or from date of purchase to the end of the year.

Income Recognition - Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

New Accounting Pronouncements - During 2019 and 2018, various new Accounting Standards Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The plan administrator of the Plan has determined, based on their review, that the following new accounting pronouncement that was issued is applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable and if they are applicable, their effect will be included in the notes to the financial statements.

In August 2018, the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement", to improve the disclosures in the notes to the financial statements by giving clear communication about the information required by U.S. GAAP. This ASU removed disclosures relating to the amount of, and reasons for, transfers between Level 1 and Level 2 of the fair value hierarchy; the policy for timing of transfers between levels; the valuation process for Level 3 fair value measurements; and for not-for-profits, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period.

The ASU also modified some disclosure requirements including in a place of rollforward for Level 3 fair value measurements, a non-public entity is required to disclose transfers in and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities; investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date that restrictions from redemption may lapse, but only if the investee has communicated the timing to the entity or announced the timing publicly, and cleared up that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date.

Finally, this ASU added disclosure requirements for public entities. These include the changes in unrealized gains and losses for the period included in other comprehensive income for recurring Level 3 fair value measurements held at the end of the reporting period, and the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements.

This ASU is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The amendments regarding changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

should be applied retrospectively to all periods presented upon their effective date. Management has determined that the adoption of this guidance will not have any impact on the financial statements and notes thereto.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

The Plan's mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The money market fund is valued at net asset value. The net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchase and sales) may occur daily.is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2019 and 2018.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at the statement of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018, respectively.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax-exempt status, the restated prototype plan from which the Plan was drafted has received a favorable determination letter from the IRS dated March 31, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code ("IRC"). Therefore, the plan

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator believes as of December 31, 2019 and 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee as defined by the Plan document. Transactions with the Trustee qualify as party-in-interest transactions. Direct fees paid by the Plan for benefits paid to participants were \$550 and \$800 for the years ended December 31, 2019 and 2018, respectively.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, assets will be allocated to each participant based on his/her respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through October 13, 2020, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event item was identified.

In early 2020, an outbreak of a novel strain of coronavirus was identified and infections have been found in a number of countries around the world, including the United States. As a result of the spread of the coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the instruments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
