As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Voya Institutional Trust Company (Voya), the trustee of the Plan, except for comparing such information with the related information included in the 2019 financial statements. We have been informed by the Plan administrator that Voya holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Voya as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by Voya is complete and accurate.

Disclaimer of Opinion on the 2019 Financial Statements
Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2019 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Emphasis of Matter – Plan Transfer

As noted in Notes 1 and 7, effective December 31, 2019, Boat America Corporation exercised its right under the Plan to discontinue its contributions and to merge the Plan subject to the provisions of ERISA. Our opinion is not modified with respect to this matter.

Other Matters – Report on Supplementary Information and Report on 2018 Financial Statements

The supplemental schedule, Schedule of Delinquent Participant Contributions, for the year ended December 31, 2019, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2019 Financial Statements paragraph, we do not express an opinion on this supplemental schedule.

We have audited the accompanying financial statement of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2018 and the related statement of changes in net assets available for benefits for the year then ended, and in our report dated July 31, 2019, we expressed our opinion that such financial statement presents fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2018, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance With DOL Rules and Regulations for the 2019 Financial Statements

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by Voya, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BOAT AMERICA CORPORATION EMPLOYEES' PENSION AND SAVINGS PLAN
Notes to Financial Statements
December 31, 2019 and 2018

NOTE 1 - DESCRIPTION OF PLAN

The following description of Boat America Corporation Employees' Pension and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Boat America Corporation Employees' Pension and Savings Plan was established on January 1, 1979, as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all full time and part-time employees of Boat America Corporation (BAC) who are age twenty-one or older. Employees are immediately eligible to make elective deferrals upon entry to the Plan. To be eligible for employer contributions full time employees are required to work more than six months in a plan year. To be eligible for employer contributions part-time employees are required to work more than one thousand hours in a given plan year. The Plan excludes temporary or seasonal employees who work only up to six months in a plan year. The Plan also provides automatic employee enrollment upon eligibility. Effective July 1, 2016 the Plan terminated its IRC Safe Harbor election. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 21, 2019, all full-time and part-time employees of Boat America Corporation became Government Employees Insurance Company (GEICO), FEIN 53-0075853, employees. Coincident with the transfer of employees the Plan Sponsor, BAC, elected to merge this Plan effective December 31, 2019 into the Revised Profit Sharing Plan for the Employees of the Government Employees Companies (GEICO Plan), FEIN 52-1135801.

Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum allowed under the applicable provision of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to make Roth deferrals to the plan. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. The Plan includes an automatic deferral provision, which provides employees with an automatic deferral of 4% of compensation; the automatic deferral percentage will increase annually by 1% of compensation up to a maximum of 15% of compensation. However, participants can elect exclusion from the automatic deferral provision. Participants may direct contributions and related earnings to a general investment contract or mutual fund accounts selected by the 401(k) Plan Trustees. Prior to the merger on December 31, 2019, and on December 31, 2018, the Plan maintained 32 investment fund options, classified by the Plan as stable, conservative, moderate, dynamic, or aggressive in nature.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Through to the merger of the Plan on December 31, 2019, the Voya fixed accounts were guaranteed interest accounts, which were supported by investments in public bonds, private placement bonds and commercial mortgages. Participants could elect to revise investment allocations at any time using on-line access. The Plan provided for annual profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Boat America Corporation's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and related earnings. Pursuant to rights provided under the Plan with the termination by merger of the Plan the participants became 100% vested in their employer contributions effective December 31, 2019.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

The Plan also included a loan provision allowing participants to borrow money from their individual accounts at amounts between $1,000 and the lesser of $50,000 or 50% of the participant's vested balance. Principal and interest was paid through payroll deductions each pay period.

Payment of Benefits

Upon separation of service, participants whose vested accounts are below $5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum or installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify and in-service distributions to qualifying participants at the age of 59 ½.

Forfeited Accounts

Following termination of a Plan participant, any employer contributions that are not fully vested are forfeited and held within the forfeiture account. Any remaining amounts held in the forfeiture account, after such amount are used to pay any reasonable expenses are allocated to all eligible participants at the end of the Plan year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

The investments held in the Plan, a defined contribution plan, at December 31, 2018, were required to be reported at fair value, except for fully benefit-responsive investment contracts, which were measured at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account. Prior to the merger on December 31, 2019, and on December 31, 2018, no allowance for credit losses had been recorded. The plan administrator will consider a participant note receivable to be in default if any scheduled note repayment is not made by the end of the calendar quarter in which the missed payment was due. If a participant note receivable is considered to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Investment Valuation and Income Recognition

The investments in mutual funds of the Plan on December 31, 2018, were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details of fair value measurements.

The Plan invests in guaranteed interest contracts through Voya Retirement Insurance and Annuity Company (VRIAC) annuities, which are considered fully benefit responsive fixed annuity contracts and are valued at contract value on December 31, 2018. The contract's value of the VRIAC annuities equals the accumulated cash contributed and interest credited to the Plan's contracts less any withdrawals and administrative expenses. The VRIAC annuities guarantee principal and a specified interest rate.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and certain investment expenses.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Boat America Corporation pays some administrative expenses of the Plan directly. Other administrative expenses are paid by the Plan through deductions from the forfeiture accounts. During the year ended 2019 part of the 2018 forfeiture account balance was used to pay audit expenses. Boat America Corporation covered part of those audit expenses as well. Generally, the only recurring administrative expense of the Plan is a trust expense.

Federal Income Tax Status

The Internal Revenue Service (IRS) provided Voya with a letter dated September 1, 2014 with a favorable determination for the general Voya Plan structure. The Plan follows the general Voya Plan structure, so the Plan, as then designed, was in compliance with the applicable requirement of the IRC. The Plan has been amended since receiving the determination letter; however, it is designed correctly and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, the Plan administrator has concluded there are no uncertain tax positions as of December 31, 2019, and 2018 in accordance with Generally Accepted Accounting Practices.

Evaluation of Subsequent Events

Refer to Note 1, General. The plan assets were liquidated on January 2, 2020, and the funds were transferred from the Plan's trustee, Voya Financial to Vanguard Group, the GEICO Plan trustee on January 3, 2020.

Subsequent events were evaluated through September 28, 2020, the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and notes.

NOTE 3 - FAIR VALUE MEASURMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets that the Plan has the ability to access for identical assets or liabilities and have the highest priority. Level 2 inputs consist of quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Level 3 inputs are unobservable and significant to the fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets measured at fair value requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2019	
Mutual funds	$ -
December 31, 2018	
Mutual funds	$ 45,806,740

Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2, into, and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2019, and 2018, there were no transfers between levels.

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statement of Net Assets at December 31, 2019, the related Statement of Changes in Net Assets Available for Benefits for the year ending December 31, 2019 and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Plan trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The plan administrator instructed the auditors to not perform any auditing procedures with respect to the information summarized over Plan assets to which Voya Institutional Trust Company, the Trustee of the Plan, certified except for comparing the information with the related information included in the financial statements. The information includes total investments of zero at December 31, 2019, investment income of $12,912,727 and interest income of $45,434 for the year ended December 31, 2019.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 1999, the Plan entered into a fully benefit-responsive guaranteed investment contract with Voya Retirement Insurance and Annuity Company. VRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As of December 31, 2018, because the guaranteed investment contracts were fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3% for balances held in the Voya Fixed Account ("existing fixed account") as of November 16, 2018. Effective November 17, 2018 all new investments made in the Voya Fixed Account A ("new fixed account") were credited interest at a rate of 2%. The credited interest rate on the new fixed account is reviewed and reset on a quarterly basis but is guaranteed not to drop below 1%.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at December 31, 2018, was $25,345,541.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are investment funds and the guaranteed investment contracts managed by Voya Institutional Trust Company. Voya Institutional Trust Company is the trustee as defined by the Plan and record-keeper; and therefore, these transactions qualify as party-in-interest transactions. Ameriprise Financial Services, Incorporated and Ameritas Investment Corporation are related parties to the Plan acting as plan advisors and are paid out of plan assets directly. Boat America Corporation does not pay for their services directly.

Participant loans also qualify as party-in-interest transactions.

Boat America Corporation incurs certain administrative fees on behalf of the Plan and its personnel and facilities have been used to perform administrative functions for the Plan at no charge to the Plan.

GEICO, the transferee of employees of the Plan Sponsor, BAC, and sponsor of the GEICO Plan, is a party-in-interest.

NOTE 7 - PLAN MERGER

Effective December 31, 2019, Boat America Corporation exercised its right under the Plan to discontinue its contributions and to merge the Plan subject to the provisions of ERISA. As of December 31, 2019, by merging the Plan the participants became 100% vested in their employer contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.
