ADVISORY TAX AUDIT

INDEPENDENT AUDITOR'S REPORT

The Board of Directors,
Blower-Dempsay Corporation Retirement Savings Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Blower-Dempsay Corporation Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Ascensus Trust Company and Reliance Trust Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that Ascensus Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2019 to April 30, 2019 and that Reliance Trust Company held the Plan's investment assets and executed investment transactions as December 31, 2019 and for the period May 1, 2019 to December 31, 2019. The Plan administrator has obtained certifications from the custodians as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the accompanying 2019 financial statements.

Other Matter – Supplementary Information

The supplemental schedule H, part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018 were audited by KSJG, LLP, who merged with WithumSmith+Brown, PC on January 1, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the custodians. Their report dated August 29, 2019, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians were presented in compliance with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following brief description of the Blower-Dempsay Corporation (the "Company") Retirement Savings Plan (the "Plan") is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established April 1, 1989 and the provisions of the Plan were effectively amended and restated February 1, 2015.

Eligibility

The Plan is a defined contribution Plan covering employee of the Company who are twenty-one years of age and have six months of service, except those employees who are covered under a collective bargaining agreement including non-resident alien and leased employees.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocation of the Company's discretionary profit-sharing contribution and Plan earnings and reduced by withdrawals, forfeitures and administrative expenses. Allocations are based upon participant wages, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in their account.

Contributions

Participants' contributions are made to the Plan by means of a salary deferral agreement under which the participant is entitled to defer the lesser of 100% of their compensation or a fixed amount determined annually by the Internal Revenue Service. Rollovers from qualified Plans are allowed. The Company makes matching contributions to the Plan. For the year ended December 31, 2019, the Company has matched voluntary participant contributions at a rate of 25% of the participants' first 4% of compensation that is deferred, subject to a maximum match of $1,800. For the year ended December 31, 2019, matching contributions of $138,880 were allocated to the Plan. In addition, the Company, at its option, may contribute a portion of its current profits. For the year ended December 31, 2019, no discretionary profit-sharing contributions were allocated to the Plan.

Notes Receivable from Participants

The Plan allows participants to borrow up to 50% of their vested account balances, up to $50,000. The loan repayment period must be no more than five years, with the interest rate determined based on prevailing rates at the date of the loan. Home loans can be repaid over a reasonable period of time that may exceed five years, up to a maximum of 30 years. The loans bear interest at rates of 4.75% to 7.00% at December 31, 2019 and mature at various dates through June 2043.

Investment Options

Each participant directs the allocation of his or her contribution and employer matching contributions to a variety of investment options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

Forfeitures
Amounts forfeited from terminating participants' non-vested portion of their Company contributions and earnings on Company contributions are allocated to supplement the Company's discretionary contributions otherwise payable for the Plan year in which such forfeitures arise. At December 31, 2019 and 2018, there were unallocated forfeitures of $21,372 and $10,660, respectively. No forfeitures were used to reduce employer contributions or administrative expenses during the year ended December 31, 2019.

Payment of Benefits - Upon termination of service due to death, permanent disability, retirement or early retirement, as defined by the Plan document, a participant may elect to receive a distribution of his or her vested account balance as either a lump-sum amount or as installments. Withdrawals made by terminating participants are based upon the vested balance in their individual accounts at the time of termination and are recorded in the year of distribution. Hardship distributions are permitted under qualifying events and circumstances.

Administrative Expenses
Expenses incurred in the administration of the Plan are paid both by the Plan and the Company. In addition, certain investment related expenses have been offset with investment income and are not readily determinable. In addition, certain investment related expenses have been offset with investment income and are not readily determinable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Subsequent Events

The Plan evaluated subsequent events through October 8, 2020, the date these financial statements were available to be issued. Except for matters discussed at Note 8, the Plan reported no material subsequent transactions that required recognition or additional disclosure in these financial statements.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quote prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other thank quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Input to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Interest-Bearing Cash: Valued at market value of corresponding currency at year end.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 16,851,221	$ -	$ -	$ 16,851,221
Interest-bearing cash	21,604	-	-	21,604
Total assets at fair value	$ 16,872,825	$ -	$ -	$ 16,872,825

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 11,936,213	$ -	$ -	$ 11,936,213
Interest-bearing cash	2,409,732	-	-	2,409,732
Total assets at fair value	$ 14,345,945	$ -	$ -	$ 14,345,945

4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Ascensus Trust Company and Reliance Trust, the custodians, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the custodians, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended December 31, 2019 and 2018. The custodian has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018.

- Net appreciation in fair value of investments and interest on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2019.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations, so that each participant receives 100% of his or her account balance as of the date of the termination.

6. TAX STATUS

The Plan document is a prototype non-standardized defined contribution Plan that received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2018, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designated and being operated in compliance with the applicable requirement of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants are considered party-in-interest transactions. The Company, which also qualifies as a party-in-interest, absorbs certain administrative expenses of the Plan. Such transactions qualify for a statutory exemption.

8. POTENTIAL IMPACT OF COVID-19

The 2019 novel coronavirus (or "COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally and locally. Following the COVID-19 outbreak in January 2020, the values of investment securities have fluctuated significantly. These economic and market conditions and other effects of the COVID-19 outbreak may continue to adversely affect the Plan. The extent of the adverse impact of the COVID-19 outbreak on the Plan's participants' account balances and the amounts reported on the 2019 Statement of Net Assets Available for Benefits cannot be predicted at this time.
