ATLANTIC AVIATION FBO INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

A. Description of the Plan

General

The following brief description of the Atlantic Aviation FBO Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Atlantic Aviation FBO Inc. (the "Company"). Participants should refer to the Plan Document for more complete information. The Company's corporate offices are located in Plano, Texas.

The Plan is a defined contribution plan available to all employees of the Company. Effective October 1, 2017, the Plan was amended to allow participants to enroll in the Plan on the first day of the month following their date of hire. Prior to this date, participants could enroll immediately after completing six months of service. All employees of the Company are eligible to participate in the Plan, except for those employees covered by the collective bargaining agreement, leased employees, or nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

During 2018, the Plan was amended to include Opa Locka LLC and Rancho Mesa Partners LLC as participating employers.

Employee Contributions

Participants may contribute up to 60% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan Document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

Employer Contributions

For the years ending December 31, 2019 and 2018, the Company made safe harbor matching contributions to the Plan of 100% of the first 3% and 50% of the next 2% of the base compensation contributed by the participant.

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution; (b) Plan earnings; and, (c) an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions and all safe harbor matching contributions plus actual earnings thereon.

Participant Loans

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000, reduced by the highest outstanding loan balance in their account during the prior twelve month period, or 50% of their vested account balance. Loan terms range up to five years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2019 and 2018, interest rates were 4.25%. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset employer matching contributions. For the years ended December 31, 2019 and 2018, the Company did not use any forfeitures to reduce the employer contributions. Forfeitures available to reduce future employer contributions totaled $52,220 and $46,681 at December 31, 2019 and 2018, respectively.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

A. Description of the Plan – continued

Benefit Payments – continued

Certain in-service withdrawals are allowed. A participant may also elect to withdrawal all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; or, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for repair of damages to a principal residence that would qualify for the casualty deduction under the Code; or, (6) for payment of burial or funeral expenses for the participant's parents, spouse, or dependents.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan pays fees related to notes receivable from participants and the Company pays all costs relating to asset charges and recordkeeping.

Transfer to Plan

During 2018, one participant's investment balance was transferred in to the Plan from a commonly-controlled plan. This transaction is reflected as a transfer in to the Plan in the statement of changes in net assets available for benefits for the year ended December 31, 2018. There were no transfers to the Plan in 2019.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic No. 820, *Fair Value Measurements*, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies under FASB ASC Topic No. 820.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

FASB ASC Topic No. 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in FASB ASC Topic No. 820 are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

C. Fair Value Measurements – continued

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

FASB ASC Topic No. 820 requires that we describe the methodologies used to measure the fair value of assets and liabilities. We have described below the methodology used to measure each major category of assets and liabilities. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- Money market funds are valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.

- Mutual funds are measured using the estimated net asset values of the shares held by the Plan at year end and are classified within Level 1 of the valuation hierarchy.

- The fair values of the underlying funds in the common/collective trusts are valued based on the unit value established for each fund at each valuation date. The unit value of a collective investment fund is calculated by dividing the fund's net asset value on the calculation date by the number of units of the fund that are outstanding on the calculation date, which is derived from observable purchase and redemption activity in the collective investment fund. The Company's common/collective trusts are categorized in Level 2 to the extent that they are readily redeemable at their net asset value.

The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2019 and 2018. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

	2019			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 59,341,658	$ -	$ -	$ 59,341,658
Common/collective trusts	-	964,619	-	964,619
Money market fund	1,347,588	-	-	1,347,588
Total investment at fair value	$ 60,689,246	$ 964,619	$ -	$ 61,653,865

C. Fair Value Measurements – continued

	2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 48,130,996	-	-	$ 48,130,996
Money market fund	1,600,056	-	-	1,600,056
Total investment at fair value	$ 49,731,052	$ -	$ -	$ 49,731,052

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessments of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Information Certified by the Trustee

The Plan Administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator limited auditing procedures with respect to the investment information certified by the trustee, which included total investments as of December 31, 2019 and 2018, the total investment income for the years ended December 31, 2019 and 2018, and all information included in the supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2019.

E. Tax Status

The Plan has most recently adopted the "Fidelity Volume Submitter Plan Document", which is a volume submitter nonstandardized profit-sharing plan, effective September 15, 2015. The Plan was covered by another Fidelity Volume Submitter Plan Document prior to this date. The most recent advisory letter dated March 31, 2014 has been received, indicating that such plan is qualified under Sections 401(a) and 401(k) of the Code. The Plan Administrator believes that the Plan is currently designed and is being operated in accordance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

G. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

H. Subsequent Events

In preparing the accompanying financial statements, management of the Company has evaluated all subsequent events and transactions for potential recognition or disclosure through October 9, 2020, the date the financial statements were available for issuance.

Subsequent to December 31, 2019, the 2019 novel coronavirus ("COVID-19") has adversely affected, and may continue to adversely affect, the macro-economic environment and global economy. Due to the disruption of COVID-19 on the global economy, the values of investment securities have declined significantly and may continue to be adversely affected.

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security Act" (the "CARES Act") which allowed plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, while the Plan has not been formally amended, the Company determined it was in the best interest of the participants to allow a) a COVID-19 distribution up to $100,000, b) an increase in the available participant loan amount up to $100,000, not to exceed 100% of the participant's account balance, c) deferral of 2020 loan repayments for a year.
