NOTE 1 - DESCRIPTION OF THE PLAN

The following description of R.W. Zukin Corp. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan was established January 1, 1988 to provide retirement benefits to eligible employees of R.W. Zukin Corp. (the "Company"). The Plan was most recently amended and restated effective January 1, 2019. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Great-West Trust Company and Great-West Life & Annuity Insurance Company (collectively, "Great-West") serve as directed trustees of the Plan. A Great-West affiliate, Empower Retirement, is third-party administrator of the Plan and is responsible for maintaining participant records.

Participants accounts are charged asset based fees for record keeping and other administrative costs. Empower Retirement receives revenue sharing payments from Plan investment funds that are credited to participants who are invested in these funds. Fees for certain participant elective transactions are charged directly to the participant. Administrative costs totaled approximately $4,000 in 2019.

C. Eligibility

The Plan explicitly excludes nonresident aliens, collectively bargained employees, and temporary, part time and seasonal employees whose regularly scheduled service is less than 1,000 hours per year. Substantially all other employees of the Company who have attained age 21 are eligible to participate upon completing 90 days of service. Employees may enter the Plan on immediately upon attainment of eligibility.

D. Participant Contributions

Participants may elect to make pre-tax and/or Roth after-tax contributions to the Plan. Contributions are limited to applicable Code limits. Participants of age 50 or older may make up to $6,000 of additional catch-up contributions for 2019. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation.

E. Company Contributions

The Company makes safe harbor matching contributions equal to 100% of the first 3% and 50% of the next 2% of eligible compensation deferred by each participant. The Plan permits additional matching and nonelective contributions at the Company's discretion. No additional discretionary employer contributions were made in 2019.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions and safe harbor matching contributions. A participant's vested percentage in accounts attributable to Company discretionary contributions, if any, is determined under a schedule that provides for full vesting after six years of credited service. Forfeitures of terminated participants' non-vested accounts may be used to reduce Company contributions or used to pay Plan expenses.

G. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions, and an allocation of Plan earnings or losses and expenses. Participants direct the investment of their accounts among a diversified group of investment funds provided under the Plan.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. The Plan provides early retirement to participants at age 55 who have completed their 6th year of participation. Participants are eligible for benefits upon attainment of age 59½, retirement, disability, or termination of service. Benefits are payable in a lump sum or installments. The Plan provides for mandatory distribution of accounts that are valued at $5,000 or less. Hardship distributions are permitted from participant elective deferral accounts under limited circumstances on approval by the plan administrator. Benefits are recorded when paid.

I. Notes Receivable from Participants

The Plan allows participants to borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at a fixed rate commensurate with rates charged by commercial lenders for similar types of loans, and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence, in which case the maximum repayment period may be extended. No loans have been issued by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition

Plan investments are stated at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made to the account plus earnings less withdrawals and expenses. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividends and interest. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Investments include a variety of securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan meets requirements for tax-exempt status. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered under the Plan are issued by Great-West and its affiliate Putnam Investments. Purchases and sales of these funds and payment of Plan administrative fees from Plan assets are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition against party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying 2019 financial statements and supplemental schedule of assets (held at end of year) including investments held at December 31, 2019, and net appreciation in fair value of investments, interest and dividends for the year then ended was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees, Great-West Trust Company and Great-West Life & Annuity Insurance Company.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical assets in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. Plan investments included in the fair value hierarchy consist of mutual funds which are valued at closing market prices, deemed to be actively traded and are thereby valued based on Level 1 inputs.

NOTE 8 - COMMON/COLLECTIVE TRUSTS

Units of investment in common/collective trusts are measured at fair value using net asset value per unit as a practical expedient. There are no unfunded commitments or redemption restrictions pertaining to Plan investments in common/collective trusts. The fund managers file Forms 5500 as direct filing entities for these accounts pursuant to 29 CFR 2520.103-9.

NOTE 9 - GREAT-WEST GUARANTEED INTEREST FUND

Investments in the Great-West Guaranteed Interest Fund are maintained in a general account by Great-West. Great-West is contractually obligated to repay principal and a specified interest rate to the Plan. Because the fund is a fully benefit-responsive investment, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to this fund. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value. The crediting interest rate of the fund is based on a formula. The average yield earned by the Plan was 1.45% for the 2019.

Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Portfolio Fund. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS

Contributions totaling approximately $42,000 withheld from participants' pay during 2019 were not received by the trustee within the time period established by Department of Labor regulations. The plan administrator engaged in a prohibited transaction under ERISA as a consequence of the failure to timely remit participant deferrals to the Plan. The plan administrator fully restored lost earnings to the accounts of affected participants from the loss date to the recovery date.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500
