Independent Auditor's Report

To the Board of Trustees of
National Entertainment Network, LLC
Broomfield, CO

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the National Entertainment Network, LLC 401(k Retirement Savings Plan (the "Plan" which comprise the statement of net assets available for benefits as of December 31, 2019, the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the U.S Department of Labor's ("DOL" Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA", the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company ("Fidelity" the trustee of the Plan for the year ended December 31, 2019, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2019, and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Partial Plan Termination

As discussed in Note 6 to the financial statements, as a result of a reduction of the Plan Sponsor's workforce in 2019, the Plan experienced a partial plan termination as defined by ERISA. Our opinion is not modified with respect to this matter.

Other Matters

2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated September 27, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule

The supplemental schedule for Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

NOTE 1- PLAN DESCRIPTION

The following description of the National Entertainment Network, LLC (the "Company" or "Employer") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions. On August 12, 2012, the Company amended the name of the Plan, which was formerly known as the National Entertainment Network, Inc. 401(k) Retirement Savings Plan, to the National Entertainment Network, LLC 401(k) Retirement Savings Plan. The amendment followed the Company's conversion from a corporation to a limited liability company.

General:

The Plan is a defined contribution plan established January 1, 1990 under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for eligible employees of the Company (excluding employees covered by a collective bargaining agreement, leased employees, and nonresident aliens) who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Fidelity Management Trust Company. ("Trustee") serves as the trustee of the Plan. The Plan transferred substantially all of its assets from Matrix Trust Company to Fidelity in 2018, with the remaining balance being transferred in February 2019.

Eligibility:

Any employee who has completed one month of service is eligible to participate in the Plan. Participation in the Plan may begin on the first day of each month, following completion of eligibility requirements.

Contributions:

Elective Deferral Contributions - Participants may contribute up to 75% of their pre-tax compensation, as defined in the Plan document, subject to limitations. Additionally, participants may contribute a percentage of their after-tax compensation and designate it as a Roth elective deferral contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4%of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral percentage increases by 1 percent annually with a cap of 10%.

Discretionary Matching Employer Contributions - The Company may make a discretionary matching employer contribution each Plan year to eligible employees who make elective deferral contributions. For the year ended December 31, 2019, the Company did not make a discretionary matching employer contribution.

NOTE 1-PLAN DESCRIPTION (Continued)

Discretionary Profit Sharing Contributions - The Company may make an annual discretionary profit sharing contribution to eligible employees who have completed 1,000 hours of service and are actively employed on the last day of the Plan year. Participants who die, become disabled, or reach normal retirement age during the year are also eligible to share in the discretionary profit sharing contribution. This contribution is allocated to each eligible participant's account in the ratio that each participant's compensation bears to the compensation of all eligible participants. For the year ended December 31, 2019, the Company did not make a discretionary profit sharing contribution.

All contributions are allocated to the Plan's investment funds at the direction of the participants. Participants may also contribute rollover contributions from other qualified plans.

Participant Accounts:

Each participant's account is credited with the participant's elective deferral contributions and an allocation of (a) the Company's contribution (discretionary matching and profit sharing), if any, (b) an allocation of fund earnings or losses, and (c) administrative expenses, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting:

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Employer contributions (discretionary matching and profit sharing) and earnings thereon become vested as follows:

Year(s) of Service	Vesting Percentage
Less than 2	0%
2	33%
3	67%
4 or more	100%

Additionally, the balance in a participant's employer contribution account becomes fully vested and non-forfeitable upon the occurrence of the following events:

- Participant's death;
- Participant becomes disabled, as defined under the Plan;
- Participant's normal retirement date; or
- Termination or partial termination of the Plan.

NOTE 1-PLAN DESCRIPTION (Continued)

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of (i) $50,000 or (ii) 50% of their vested account balance. Loan terms range up to a maximum of 5 years (10 years if used for the purchase of a principal residence). The loans are secured by the remaining balance in the participant's account and bear a reasonable rate of interest commensurate with local prevailing rates at the date the loan is granted, as determined by the Plan administrator. Principal and interest payments are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits:

Benefits to participants or beneficiaries generally are payable as a lump sum equal to the value of their vested account balance upon retirement, disability, death or termination of the participant. Additionally, participants may request in-service withdrawals upon attainment of age 59½, or upon incurring a financial hardship, as defined in the Plan document, if certain criteria are met.

Forfeited Accounts:

When certain terminations of participation occur, the non-vested portion of a participant’s account represents forfeiture. Forfeitures are used to reduce future employer contributions, can be used to pay administrative expenses of the Plan, or are reallocated to participants as a profit sharing contribution. For the year ended December 31, 2019, $21 was used to pay administrative expenses of the Plan. As of December 31, 2019 and 2018, unutilized forfeitures totaled $35,045 and $568, respectively.

Excess Contributions:

At December 31, 2019 and 2018, $6,476 and $9,554, respectively, were recorded as excess contributions payable for contributions made in excess of amounts allowed by the IRS.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting is accordance with accounting principles generally accepted in the United States of America (“GAAP”) and present the net assets available for benefits as of December 31, 2019 and 2018 and changes in net assets available for benefits for the year ended December 31, 2019.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ significantly from those estimates.

Investment Valuation and Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the next dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

All administrative expenses related to record keeping and trustee fees may be paid out of the Plan unless paid by the Employer. For the year ended December 31, 2019 the Plan paid $54,999 in administrative expenses.

Recent Accounting Standard:

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. ASU No. 2018-13 modifies the disclosure requirements for fair value measurements in Topic 820, Fair Value Measurement. The amendments are based on the concepts in the FASB Concepts Statement, *Conceptual Framework for Financial Reporting—Chapter 8: Notes to Financial Statements*, which the Board finalized on August 28, 2018. ASU No. 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. Management is currently assessing the impact that ASU No. 2018-13 will have on the Plan's financial statements.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE - UNAUDITED

The Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, current and former Trustees have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2019 and 2018.
- Net investment income, including interest and dividends, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2019.
- Schedule H, Part IV, Line 4i - schedule of assets (held at end of year) as of December 31, 2019.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan follows a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Transfers between levels are recognized on the actual date of the event resulting in the transfer. The three levels of the fair value hierarchy are described below:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:
Mutual funds
Mutual funds are valued at the quoted fair market value of shares held by the Plan at year end. Some funds have short-term trading fees, but there are no restrictions on redemption. Mutual funds are classified as Level 1 within the fair value hierarchy.

Common collective trust
The common collective trust is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value ("NAV") of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value and is based on the underlying assets owned by the fund, less its liabilities, divided by the number of units outstanding. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

	Assets at Fair Value as of December 31, 2019		
	Level 1	**Levels 2 and 3**	**Total**
Mutual funds	$ 9,074,107	$ -	$ 9,074,107
Total investments at fair value	$ 9,074,107	$ -	$ 9,074,107

	Assets at Fair Value as of December 31, 2018		
	Level 1	**Levels 2 and 3**	**Total**
Mutual funds	$ 7,806,811	$ -	$ 7,806,811
Investment at NAV			215,419
Total investments at fair value	$ 7,806,811	$ -	$ 8,022,230

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such transfers, the transfer is reported at the beginning of the reporting period. The significance of transfers between levels is based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the years ended December 31, 2019 and 2018.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares/units of mutual funds offered by the Trustee. These transactions qualify as party-in-interest transactions. Additionally, the Plan maintains notes receivable from participants. Fees paid for services rendered by parties in interest were based on customary and reasonable rates for such services.

NOTE 6 - PLAN TERMINATION

As a result of a reduction of the Plan Sponsor's workforce in 2019, the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in the employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

All affected employees who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

The Employer has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan's termination, participants will become 100% vested in the Employer's discretionary matching and profit sharing contributions portion of their accounts.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - TAX STATUS

The Plan uses a volume submitter plan document of Merrill Lynch "Prototype Non-standardized Profit Sharing Plan with CODA". The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS), which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Although the Plan has been amended since adopting the plan document, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 8 - TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 9 - SUBSEQUENT EVENTS

In March 2020, the global outbreak of the novel coronavirus disease ("COVID-19") was declared a pandemic by the World Health Organization and a national emergency by the U.S. Government. The COVID-19 pandemic and attempts to contain it, have caused significant disruptions and adverse effects on U.S. and global economies, including impacts to supply chains, customer demand and financial markets. The impact on the Plan's investments is uncertain and cannot be determined at this time.

On March 27, 2020, in response to the COVID-19 pandemic, the U.S. Congress enacted the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), which among other things, provides temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan Administrator has adopted certain of the relief provisions included in the CARES Act. The related financial impact cannot be reasonably estimated at this time.

The Plan has evaluated subsequent events through October 7, 2020, which is the date these financial statements were issued.
