NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Community Media Group Management Services, Inc. Retirement Savings Plan (the Plan) provides only general information. Employees should refer to the pamphlet: Community Media Group Management Services, Inc., Retirement Savings Plan Summary Plan Description, for a more complete description of the Plan's provisions. Copies of the pamphlet are available from the Plan sponsor.

1. General

The Plan is a defined contribution plan covering substantially all employees of Community Media Group, Inc. and Subsidiaries (the Company) who are at least 21 years of age. The Plan is subject to the provisions of ERISA.

2. Contributions

A separate contribution account is established for each employee eligible for participation in the Plan. Employees are automatically enrolled in salary deferrals upon hire unless a waiver is completed. Each participant may defer up to 100% of eligible compensation annually not to exceed $19,000 in 2019 and $18,500 in 2018. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. The employer makes a discretionary matching contribution for employees that have completed one year of service, as determined by the Board of Directors after the end of the plan year. As of December 31, 2019 and 2018, no such contributions have been made.

The Plan has met the minimum funding as required by ERISA.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Vesting in a participant's employer contributions account is based on the employee's years of service and in accordance with the following schedule for plans which are not top heavy:

Vesting Service (whole years)	Percentage Vested
Less than 3	-
3 years or more	100%

Participants' employee contributions are fully vested at all times.

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates equal to any reasonable rate charged by lenders in similar situations. Loans are for a five-year period, except loans to purchase a residence, which may be made for ten years. Principal and interest are paid ratably through payroll deductions.

6. Payment of Benefits

The normal retirement age is 65. At normal retirement, employees are eligible to receive the full amount in their contribution accounts as a single lump sum payment. Withdrawals in cases of hardship, as defined by the Plan, are also permitted.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, employees become fully vested in their accounts.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

2. Valuation of Investments

The fair value of the participation shares owned by the Plan in separate accounts is based on the fair market value on the last day of the business year. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

3. Income Tax Status

The IRS has determined and informed the Plan sponsor by letter dated March 31, 2008, that the Plan, as then designed, is in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

6. Payment of Benefits

Benefits are recorded when paid.

7. Administrative Expenses

The Plan sponsor pays for certain plan expenses such as bookkeeping, testing and audit fees. Plan participant accounts are charged with an allocation of fund investment advisory and management fees.

NOTE C - RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. As of the date of this report, the current economic environment has increased the degree of uncertainty.

NOTE D - FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There are three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Money Markets: Are valued at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D - FAIR VALUE MEASUREMENT - CONTINUED

Input levels by investment category of the Plan's net assets at December 31, 2019 are as follows:

	Level 1	Level 2	Level 3	Total
Money Market	$ 93,100	$ -	$ -	$ 93,100
Total investments by fair value level	$ 93,100	$ -	$ -	93,100
Investments Measured at NAV as a practical expedient				5,585,202
Total investments at fair value				$ 5,678,302

Input levels by investment category of the Plan's net assets at December 31, 2018 are as follows:

	Level 1	Level 2	Level 3	Total
Money Market	$ 81,150	$ -	$ -	$ 81,150
Total investments by fair value level	$ 81,150	$ -	$ -	81,150
Investments Measured at NAV as a practical expedient				3,832,022
Total investments at fair value				$ 3,913,172

NOTE E - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following unaudited information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company, for the years ended December 31:

	2019	2018
Investments, at fair value	$ 5,678,302	$ 3,913,172
Investment income (loss)	$ 853,452	$ (299,059)

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan invests in certain funds of the Plan custodian. In 2019 and 2018, Fidelity Management Trust Company was the custodian of the Plan's assets and is considered a party-in-interest as defined by ERISA. NOTE G - SUBSEQUENT EVENTS

Management evaluated all events and transactions that occurred after December 31, 2019 through October 14, 2020, the issue date of these financial statements. As a result of Coronavirus Disease 2019, which was declared a pandemic on March 11, 2020, the United States Federal Government, State and Local Governments, and other countries around the world have taken measures that have suddenly limited economic output. As of the date of this report, the measures taken by the governments are expected to be short-term in nature. However, due to the uncertainty of the overall effects of the Coronavirus and the length of time of economic measures taken by Federal and State and Local Governments, the degree of economic uncertainty is increased as of the date of this report.

Additionally, in response to the economic impact of the Coronavirus pandemic, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted in March 2020, which, among other things, contains numerous tax, emergency funding and other provisions that affect certain retirement plan provisions. As of the date of this report, no provisions allowed by the CARES Act have been adopted by the Plan. The Plan is continuing to evaluate the impact of the CARES Act on its plan provisions, operations and cash flows.

The Plan Administrator
Community Media Group
Management Services, Inc.
Retirement Savings Plan
West Frankfort, Illinois

We have conducted a DOL limited-scope audit of the financial statements of Community Media Group Management Services, Inc. Retirement Savings Plan for the year ended December 31, 2019 and we will issue our report thereon dated October 14, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and will not, express an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 21, 2020. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Community Media Group Management Services, Inc. Retirement Savings Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments is based on the fair value of the participants shares owned by the Plan in the separate accounts based on the share value on the last business day of the plan year.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 14, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

This information is intended solely for the use of management of Community Media Group Management Services, Inc. Retirement Savings Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Kerber, Eck & Braeckel LLP
