NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Succession Capital, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Succession Capital, Inc. (the "Company"), Floor Solutions, LLC, Kitchen Kaboodle II, Inc., United Fastener Inc., HJ Sherman Company, Inc., Jewelpop International, Inc. (through September 1, 2018), Left Hand Studios, LLC, Maverick Express, Inc., G&W Commercial Flooring, Inc., North American Shoe Co., Wine Valley Siding Supply, Inc., Intermountain Total Facility Services, LLC and Flooring Solutions Inc. (the "Participating Employer(s)") who have completed one (1) year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The effective date of the Plan is January 1, 2016.

Effective January 1, 2019, the Flooring Solutions Inc. adopted the Plan and became a Participating Employer, and as a result, the employees of Flooring Solutions Inc. became participants in the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax annual or after-tax compensation, as defined in the Plan, not to exceed the limit permitted under the Internal Revenue Service ("IRS") regulations each year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. The Company's employer contribution to the plan is discretionary. For the year ended December 31, 2019, no employer contribution was made. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers

Rollover contributions are permitted into the Plan in accordance with IRS regulations and plan provisions. Employees may rollover eligible amounts from other qualified plans to the Plan except for rollovers of certain designated Roth IRA contributions.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are 100% vested in their Elective Contribution, Qualified Nonelective Employer Contribution and Roth Contribution Account plus actual earnings thereon at all times. The Nonelective Employer Contribution and Matching Contribution Accounts of a Participant shall vest as follows:

Years of Vesting Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 7.5% which are commensurate with local prevailing rates as determined quarterly by the plan administrator and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be longer). Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution which may be a taxable event for the participant.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a periodic basis. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully-benefit responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor, and Principal Trust Company, the trustee of the Plan ("Principal"). See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 15, 2020. There were no excess contributions for the year ended December 31, 2018.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses of $47,624 were paid by the plan for the year ended December 31, 2019. Other expenses of the Plan are paid directly by the Company or by the Plan at the election of the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The Collective Investment funds and Pooled Separate accounts are direct filing entities.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual fund registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31,:

Assets at Fair Value as of December 31, 2019				
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,305,933	$ -	$ -	$ 1,305,933
Collective trust funds using NAV as a practical expedient				5,152,248
Pooled separate accounts using NAV as a practical expedient				36,045
Total investments at fair value				$ 6,494,226

Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 942,236	$ -	$ -	$ 942,236
Collective trust funds using NAV as a practical expedient				4,496,614
Pooled separate accounts using NAV as a practical expedient				31,636
Total investments at fair value				$ 5,470,486

Fair Value of Investments in Entities that Use Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value (NAVs) per share practical expedient as of December 31, 2019 and 2018, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2019			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Accounts	$36,045	$ -	Daily	1 Day
Collective Trust Funds	$5,152,248	-	Daily	1 Day

	As of December 31, 2018			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Accounts	$31,636	$ -	Daily	1 Day
Collective Trust Funds	$4,496,614	-	Daily	1 Day

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Changes in Fair Value Levels

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2019, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2019 and 2018, there were no transfers.

NOTE 4 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (FBRICs)

The Plan holds an investment in the Principal Fixed Income Guaranteed Option ("PFIGO") which is a fully benefit-responsive investment contract issued by the Principal Life Insurance Company and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less withdrawals.

Guaranteed investment contracts are backed by the general account of the contract issuer. The Plan deposits a lump sum with the issuer and receives a guaranteed crediting rate for a specified period. Interest is accrued on either a simple or fully compounded basis and is paid either periodically or at the end of the contract term. The issuer guarantees that all qualified participant withdrawals will be at contract value (principal plus accrued interest). The contract cannot be terminated before the scheduled maturity date. The

Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Separate account guaranteed investment contracts and synthetic guaranteed investment contracts are issued by insurance companies or other financial institutions, backed by a portfolio of bonds. The bond portfolio is either owned by the contract issuer and segregated in a separate account for the benefit of the Plan (separate account guaranteed investment contract) or owned directly by the Plan (synthetic guaranteed investment contract). The issuer guarantees that all qualified participant withdrawals will be at contract value and that the credit rate applied will not be less than 1% or greater than 3%. Crediting rates are typically reset quarterly to account for the difference between the contract value and the fair value of the underlying portfolio.

The contracts also generally provide for withdrawals associated with certain events which are not in the ordinary course of Plan operations. These withdrawals are paid with a market value adjustment applied to the withdrawal as defined in the investment contract. Each contract issuer specifies the events which may trigger a market value adjustment; however, such events may include, but not be limited to, the following:

- Material amendments to the Plan's structure or administration;
- Complete or partial termination of the Plan, including a merger with another plan;
- The failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA;
- The redemption of all or a portion of the interests in the Plan at the direction of the Plan sponsor, including withdrawals due to the removal of a specifically identifiable group of employees from coverage under the plan (such as a group layoff or early retirement incentive program), the closing or sale of a subsidiary, employing unit, or affiliate, the bankruptcy or insolvency of the Plan sponsor, the merger of the plan with another plan, or the plan sponsor's establishment of another tax qualified defined contribution plan;

NOTE 4 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (FBRICs) (CONTINUED)

- Any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Plan;
- Changes to competing investment options;
- The delivery of any communication to plan participants designated to influence a participant not to invest in the stable value option.

At this time, the occurrence of any such market value adjustment event is not probable.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

NOTE 6 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY PRINCIPAL AS COMPLETE AND ACCURATE

	2019	2018
Investments at fair value	$6,494,226	$5,470,486
Investments at contract value	$ 118,147	$ 47,874
Net appreciation in fair value of investments	$1,223,817	
Dividends and interest income	$ 25,919	

Notes receivable from participants of $83,554 and $66,154 as of December 31, 2019 and 2018, respectively, and interest income on notes receivable from participants of $3,712 for the year ended December 31, 2019 have also been certified by Principal.

NOTE 7 – TAX STATUS

On March 31, 2014, the IRS stated that the volume submitter adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401 (a). The Plan has not received a determination letter specified to the Plan itself; however, the plan administrators (and the Plan's tax counsel) believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC, and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – EXCESS CONTRIBUTIONS PAYABLE

Subsequent to December 31, 2019, certain 2019 participant contributions were deemed to be excess contributions under the IRC. Such contributions and the related investment earnings thereon were refunded to Plan participants in 2020. A liability for excess contributions of $27,110 was recorded in the Plan's financial statements at December 31, 2019.

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments that are shares of mutual funds and common trust funds managed by Principal would qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the coronavirus (COVID-19) pandemic has adversely affected, and may continue to adversely affect, economic activity globally, nationally and locally. Following the COVID-19 outbreak in March 2020, the values of investment securities have experienced significant volatility. These economic and market conditions and other effects of the COVID-19 pandemic may continue to adversely affect the Plans. The extent of the adverse impact to the amounts reported in the 2019 statements of net assets available for benefits will depend on future developments that are highly uncertain and cannot be accurately predicted.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements December 31, 2019 to Form 5500:

Net assets available for benefits per the Plan's financial statements	$ 6,670,145
Excess contributions payable not included in Form 5500	27,110
Net assets available for benefits reported on Form 5500	$ 6,697,255

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2019, to Form 5500:

Decrease in net assets per the financial statements	$ 1,080,650
Excess contributions payable not included in Form 5500	27,110
Decrease in net assets as reported on Form 5500	$ 1,107,760

NOTE 11 – DELINQUENT EMPLOYEE DEFERRAL REMITTANCES

In accordance with the Department of Labor's Regulation 2510.3102, an employer is required to segregate participants' contributions from its general assets as soon as practical, but in no event more than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from

their wages for a pension benefit plan such as the 401 (k) Plan. The Employer failed to remit participants' contributions withheld during the year ended December 31, 2019. The Employer has agreed to absorb any costs incurred by the Plan as a result of the untimely remittance of the participants' accounts.

NOTE 12 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2020, the date the financial statements were available to be issued.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, which continues to spread throughout the United States. The Plan could be materially and adversely affected by the risks, or the public perception of the risks, related to an epidemic, pandemic, outbreak, or other public health crisis, such as the recent outbreak of COVID-19. The ultimate extent of the impact of any epidemic, pandemic or other health crisis on the Plan's financial condition and results of operations will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of such epidemic, pandemic or other health crisis and actions taken to contain or prevent their further spread, among others. Accordingly, the Plan cannot predict the extent to which its financial condition will be affected.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was enacted. The CARES Act is a stimulus package that is a part of a series of bills meant to address the economic uncertainties associated with COVID-19. Effective April 7, 2020, the Plan adopted the applicable CARES Act provisions. The provisions implemented through the CARES Act include an allowance for a distribution of up to $100,000 that is exempt from the 10% early withdrawal penalty, an increase in the participant loan limits to the lesser of $100,000 or the participant's entire vested balance, and a 1-year extension on the due date of any participant loans currently due between March 27, 2020 and December 31, 2020. The impact of the CARES Act on the plans is unknown.

Effective August 1, 2020, DeBenedetto Flooring LLC Safe Harbor Plan merged with the Succession Capital, Inc. 401(k) Plan via Floor Solutions.

Effective January 1, 2020 the company will make employer matching contributions of 100% of participant contributions up to 2% of their compensation up to a maximum of $4,000. All matching contributions are discretionary and may be discontinued at any time.

Suspension of 401K Employer Matching

The Company has evaluated the impact of the COVID-19 pandemic on the overall global economy and the food and animal markets the Company serves; weakness and uncertainty were noted in the markets and many of the Company's customers and within a number of its markets. As a response to this change in the economic environment, the Company suspended the Plan's employer matching contributions effective April 18, 2020. The Company will continue to monitor the business and economic conditions for opportunities that may allow the reinstatement of matching contributions in the future.
