INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Paceco Investors, L.P. 401(k) Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Paceco Investors, L.P. 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis of Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Transamerica Life Insurance Company and State Street Bank, custodians of the Plan, except for comparing such information with the related information included in the financial statements. I have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodians as of December 31, 2019 and December 31, 2018 and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held (at end of year) as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, has been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

Note A – Description of Plan

The following description of the Paceco Investors, L.P. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for Paceco Investors, L.P. 401(k) Plan for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Employees of Quick Wash Coin Service, Ltd., Traders Village, Ltd., J.C. Pace, Ltd., Kimbell, Inc., Traders Village Houston, L.P., Traders Village San Antonio, L.P. and TA Ranch Operations, L.P. (a Division of Kimbell, Inc.) (the Companies) are eligible to participate in the Plan.

Eligibility

Employees who have completed one year of service, as defined, and have attained the age of 21 are eligible to participate in the Plan. Eligible employees may commence participation on the first entry date following the completion of the eligibility requirements. Plan entry dates are January 1 and July 1.

Contributions

Participants may elect to defer up to the 15% of their eligible compensation, as defined in the plan document, up to the maximum limits of Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Subject to the consent of the Plan administrator, participants may rollover amounts representing distributions from other qualified plans.

The Companies match 50% of each participant's contributions up to the first 6% of deferred compensation, for a maximum match of 3% of each participant's salary. Participants must complete 500 hours or be employed on the last day of the plan year to receive an allocation of employer contributions. All employer contributions are made at the discretion of the Companies.

Participants may direct the investment of all their contributions into any of the Plan's fund options.

Participant Accounts

Each participant's account consists of (a) participant contributions; (b) employer contributions; (c) rollover contributions; and (d) earnings on investments less any partial distributions from the Plan.

Participants may change their future investment options at their discretion. Additionally, participants may transfer their existing balances to other funds.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

Vesting

Participants are vested immediately in the contributions and earnings thereon. Company matching contributions and earnings thereon become vested as follows:

Years of Service	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

A year of service for vesting purposes is defined as at least 1,000 hours of service accumulated in a plan year.

Additionally, the balance in a participant's company contribution account shall become fully vested and non-forfeitable upon the occurrence of any of the following events:

- Attainment of age 65 while still an employee,
- Termination of employment as a result of disability.
- Termination of employment as a result of death,
- Termination of the Plan,
- Partial termination of the Plan affecting the participant, or
- Complete discontinuance by the Company of contributions to the Plan

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum account equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also withdraw pre-tax contributions in event of a financial hardship in an amount equal to their immediate financial need. Hardship withdrawals are processed as soon as administratively feasible and, in most cases, will be subject to Federal income taxes.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the various investment options. These options consist of various equity investments (funds) and the Transamerica Stable Value Fund (group annuity contract).

The participant may elect, on not more frequently than any valuation date, to have all or any portion of his vested interest in any investment fund(s) transferred to any other investment fund(s).

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

Forfeitures

Forfeited balances of non-vested participants' accounts are used to reduce future employer contributions or to offset administrative fees. As of December 31, 2019 and 2018, there were unallocated forfeiture balances of \$1,301 and \$2,908, respectively. These accounts will be used to reduce future employer contributions. In 2019, \$2,908 was used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow up to 50% of their individual vested account balance, in a minimum of \$1,000 up to a maximum of \$50,000, less the participants highest outstanding balance in the last 12 months, whichever is less. The notes are secured by the balance in the participant's account and bear interest at the prime interest rate + 1% as published in the Wall Street Journal. The interest rate is fixed at the time of note origination and remains unchanged during the life of the note. Note repayments for principal and interest are made ratably as individual payroll deductions during each regularly scheduled pay period. A participant may only have one outstanding note at a time.

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans. Under this method of accounting, contributions are recorded when deferred from participant's payroll and investment income is recorded when earned. Benefit payments are recorded when paid and expenses are recorded when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. These estimates include the fair value of investments. Actual results could differ materially from those estimates.

Risks and Uncertainties

The Plan assets consist of various investments which are exposed to a number of risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

Investment Valuation and Income Recognition

Plan investments, other than fully benefit-responsive investment contract (FBRICs), are stated at fair value. See Note E for discussion of fair value measurements.

FBRICs are reported at contract value, which is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in FBRICs through the Stable Value Fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/ (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Under the Plan's contract entered into with Transamerica Retirement Solutions Corporation ("Transamerica"), contract asset charges are assessed each month based on the actual combined balance of all separate accounts and the stable value fund. These charges are presented as administrative fees in the statement of changes in net assets available for benefits.

Administrative expenses, including trustee, legal, auditing, and other fees, may be paid out of the invested assets unless paid by the Employer. Certain administrative expenses were paid by the Companies in 2019.

Payments of Benefits

Benefits are recorded when paid.

Note C – Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note D – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated April 17, 2002, that the Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Volume Submitter Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor (DOL). The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note E – Fair Value Measurements

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are:

Level 1 – assets include equity securities that are traded in an active exchange market, as well as certain money market instruments. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

Level 2 – observable inputs other than Level 1 prices such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Level 3 – unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets include financial instruments whose value is determined using pricing models, for which the determination of fair value requires significant management judgment or estimation. As of December 31, 2019 and 2018, the Plan did not have such assets.

The following is a description of the valuation methodologies used for instruments measured at fair value:

Pooled Separate Accounts: stated at readily determinable fair value. The fair value is determined by the issuer and is valued daily using publicly available quoted market prices matched with the current underlying investment holdings of the accounts (Level 2).

Interest bearing cash: valued at the balance of the account at year end.

The estimated fair value is subjective in nature and involves uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could affect these fair value estimates.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's asset at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Interest Bearing Cash Account	\$ 1,301	\$ -	\$ -	\$ 1,301
Pooled Separate Accounts:				
Hybrid	-	1,277,176	-	1,277,176
Bond	-	728,861	-	728,861
International Equity	-	131,017	-	131,017
Equity - Large Cap	-	958,658	-	958,658
Equity - Mid Cap	-	348,701	-	348,701
Equity - Small Cap	-	195,950	-	195,950
Total assets at fair value	\$ 1,301	\$ 3,640,363	\$ -	\$ 3,641,664

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Interest Bearing Cash Account	\$ 2,908	\$ -	\$ -	\$ 2,908
Pooled Separate Accounts:				
Hybrid	-	946,270	-	946,270
Bond	-	704,029	-	704,029
International Equity	-	99,686	-	99,686
Equity - Large Cap	-	849,673	-	849,673
Equity - Mid Cap	-	301,078	-	301,078
Equity - Small Cap	-	136,582	-	136,582
Total assets at fair value	\$ 2,908	\$ 3,037,318	\$ -	\$ 3,040,226

The Plan evaluates the significance of various inputs to assess the appropriate classifications of the Plan's investments within the fair value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Transfers between levels are evaluated for their significance based upon the nature of the investments and size of the transfer relative to the net assets available for benefits. For the years ended December 31, 2019 and 2018, there were no transfers between levels within the fair value hierarchy.

Note F – Investment Contract with Insurance Company

The Plan has entered into a traditional group annuity contract primarily with Transamerica Life Insurance Company (TLIC). This contract, the Transamerica Stable VI Fund, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Paceco Investors, L.P. 401(k) Plan
Notes to Financial Statements

TLIC is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with TLIC but may not be less than 0%. Such interest rates are reviewed for resetting on a semi-annual basis for the TLIC Stable VI Fund. There are no reserves against contract value for credit risk of Transamerica or otherwise. The contract value of the investment at December 31, 2019 and 2018 was \$ 1,281,446 and \$ 1,223,341, respectively. The Transamerica Stable VI Fund is not a separate account investment choice, it is an investment in TLIC's general account.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect TLIC's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract's requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals \$20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator is not aware of any events which would limit the Plan's ability to transact at contract value with participants that are probable of occurring.

Note G – Notes Receivable from Participants

The Plan provides for loans to active participants as notes receivable. The Plan treats the notes as a participant's directed investment of the participant's account. The borrowing participant's account shares in the interest paid on the note and bear any expense or loss incurred because of the note. The notes bear interest at a rate established at the time the Plan makes the note. The estimated fair value of the notes receivable from participants at December 31, 2019 and 2018 was \$ 31,767 and \$44,074, respectively.

Note H – Information Prepared and Certified by Trustee or Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Transamerica or State Street Bank and Trust Company (State Street) except for comparing such information certified by Transamerica or State Street to information included in the Plan's financial statements and supplemental schedules.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2019 and 2018, and net appreciation in fair value of investments of \$617,286, interest and dividends for the year ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica or State Street Bank.

Note I – Party-in-Interest Transactions

Transactions with parties-in-interest include contributions from the Companies, investments in certain funds managed by the record keeper of the Plan, and the investment contracts managed by Transamerica or State Street and, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative expenses of the Plan not borne by the participants are paid by the Companies.

Note J – Subsequent Events

The Plan's management evaluated for additional subsequent events occurring after December 31, 2019 (the financial statement date) through October 9, 2020, the date the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared COVID-19 to be a pandemic. The outbreak of the COVID-19 pandemic has severely impacted global economic activity and caused significant volatility and negative pressure in financial markets. Because of the uncertainty impacting the financial markets during this time, management is unable to estimate the impact of the pandemic on assets of the Plan.

As a result of the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act includes relief provisions available to tax-qualified retirement plans and their participants. This relief includes the following for qualified participants: a temporary waiver of required minimum distributions, a temporary waiver of early withdrawal penalties for COVID-19 related distributions, and a temporary increase in the maximum amount for retirement plan loans.
