## INDEPENDENT AUDITORS' REPORT

Plan Administrators
SCNCS, LLC. 401(k) Plan
Commerce, California

### Report on the Financial Statements

We were engaged to audit the accompanying financial statements of SCNCS, LLC. 401(k) Plan, which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2019, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### *Basis for Disclaimer of Opinion*

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Reliance Trust Company holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Basis of Accounting***

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

***Other Matter***

The supplemental Schedule of Assets (Held at Year End) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2019, are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedules.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - Description of Plan:

The following description of the SCNCS, LLC, 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General.* The Plan is a defined contribution plan covering all employees of Century Snacks, LLC and its subsidiary ICG Shared Services, LLC (Company), who can enter the Plan on the first day of the month following their hiring. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions.* Participants may elect to contribute up to 90% of their compensation during the plan year which is defined in the Plan and subject to the limits imposed by the Internal Revenue Code.

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

The Company may make discretionary contributions to the Plan at the option of the Plan Sponsor's Board of Directors. The Company did not make discretionary contributions during the year ended December 31, 2019.

Participants direct the investment allocation of all contributions to their participant account.

*Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of the employers' contribution, Plan earnings, and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting.* Participants are 100 percent vested in their voluntary contributions plus actual earnings thereon. A participant's vesting of Company contributions, based on years of continuous service, is 20% after two years of service plus 20% each succeeding year resulting in 100% vesting after six years of service, or upon reaching age 59½, becoming disabled, or deceased.

*Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. The interest rate charged ranges from 5.25% to 7.50%.

NOTE A - Description of Plan (Continued):

*Participant Withdrawals.* If a participant is age 59½ or older, or becomes disabled or deceased, he or she may withdraw all or a portion of his or her account balance in the Plan.

If a participant has a "financial hardship" (term defined by the Internal Revenue Service guidelines), it is possible to withdraw all or portion of his or her vested account balance in the Plan up to the amount needed to satisfy the hardship, regardless of age.

*Payment of Benefits.* Upon termination of employment, a participant may elect to receive either a lump-sum distribution of their entire vested account balance. If the participant's vested balance exceeds $5,000, he or she may elect to leave their vested account balance in the Plan, within certain limitations. Upon termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

*Administrative Expenses.* Certain administrative expenses of the Plan are paid by the Company. Participants are responsible for fees associated with transactions such as loan originations, distributions and withdrawals. Account maintenance fees, which are netted with investment fair market value gains and losses, are paid from participant accounts invested in one or more of the Plan's designated investment alternatives.

*Plan Termination.* Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon Plan termination, participants would become 100% vested in their account balances.

NOTE B - Summary of Significant Accounting Policies:

*Basis of Accounting*

The financial statements of the Plan have been prepared on a modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. This is consistent with the certification by the Plan trustee of the unaudited information (See Note C) prepared on the modified cash basis of accounting. Consequently, contributions are recorded when received, investment income is recognized when received, and disbursements are recorded when made. Security investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets and changes in net assets of the Plan in conformity with generally accepted accounting principles.

Investments held by a defined-contribution plan are generally required to be reported at fair value. However, contract value is the relevant measurement attribute for direct interests in fully benefit-responsive investments contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the relevant measurement attribute for indirect interests in fully benefit-responsive investment contracts. The Statement of Net Assets Available for Benefits presents the fair value of investment contracts. The Statement of Changes in Net Assets Available for Benefits presents earnings, and gains and losses, on investment contracts on a fair value basis.

NOTE B - Summary of Significant Accounting Policies (Continued):

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

*Contributions*

Contributions from employees are recorded in the period in which the Company transfers payroll deductions from employee/participant earnings to the Plan's custodian/trustee.

*Payment of Benefits*

Benefits are recorded when paid.

*Use of Estimates*

The preparation of financial statements in conformity with the modified cash basis accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C - Investments:

Unaudited Information Certified by a Plan Trustee:

The Plan's investments were held in trust and administered by the trustee. All investment information presented in the accompanying 2019 financial statements and supplemental schedules, including investments held and net appreciation/depreciation in fair value of investments and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee. The Plan's trustee is Reliance Trust Company. Notes receivable from participants and related interest income was obtained or derived from information supplied by the Plan administrator and certified as complete and accurate by Plan trustee Reliance Trust Company.

The Plan entered into an indirect benefit-responsive investment contract (Stable Asset Fund) with Reliance Trust Company (Reliance) which maintains the assets of the contract in a common collective trust. Fair value, as reported to the Plan by Reliance, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note B, because the investment contract is fully benefit-responsive and held in a common collective trust of Reliance (an indirect interest), fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Fair value of the contract is substantially equivalent to contract value.

The trust holds synthetic guaranteed investment contracts valued at an amount equal to principal balance plus accrued interest. The trust may also invest in traditional guaranteed investment contracts valued at an amount equal to principal plus accrued interest. The crediting interest rate is based on a guaranteed formula agreed upon with the issuer but may not be less than -0- percent. Interest crediting rates are typically reset on a monthly or quarterly basis according to each contract.

Employer initiated events, if material, may affect the underlying economics of the investment contracts. These events include plant closings, layoffs, plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of a trust or other events. The occurrence of one or more employer initiated events could limit the trust's ability to transact at contract value with Plan unitholders.

The contract issuer may terminate the contract upon short notice due to the Plan's loss of tax-qualified status, material beaches of responsibilities that are not cured, or material and adverse changes to the provisions of the Plan. If one of these events occur, the contract issuer could terminate the contact at the market value of the underlying investments.

NOTE D – Fair Value Measurements:

The Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, or Level 3, which refers to securities not traded in an active market and for which no significant market inputs are available.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the fair market methodologies used at December 31, 2019 and 2018. Following is a description of the valuation methodologies:

Guaranteed Investment Contract: The contract valuation technique used to determine the fair value is the income approach; principal plus accrued interest plus deposits and less withdrawals, and is classified as a Level 3 investment.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year end measured by quoted market prices in an active market and are classified as Level 1 investments.

The preceding methods may produce a fair value calculation that may not be indicative of net realized value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's portfolio investments measured at fair value are classified as follows:

| | | Fair Value Measurements at Reporting Date Using: | | |
|---|---|---|---|---|
| | Balance December 31, 2019 | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Stable Asset Fund | $ 7,522 | $ - | $ - | $ 7,522 |
| Mutual Funds | 1,424,786 | 1,424,786 | - | - |
| | $ 1,432,308 | $ 1,424,786 | $ - | $ 7,522 |

| | | Fair Value Measurements at Reporting Date Using: | | |
|---|---|---|---|---|
| | Balance December 31, 2018 | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Stable Asset Fund | $ 3,582 | $ - | $ - | $ 3,582 |
| Mutual Funds | 1,127,073 | 1,127,073 | - | - |
| | $ 1,130,650 | $ 1,127,073 | $ - | $ 3,582 |

NOTE E – Administrative Expenses:

Administrative expenses consist of the following during the year ended December 31, 2019:

| | |
|---|---|
| Contract administrator fees | $ 1,505 |
| Investment advisory fees | 6,607 |
| | $ 8,112 |

NOTE F – Income Tax Status:

The IRS has determined and informed the Plan by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the Opinion Letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan sponsor has identified operational failures considered to be insignificant. The Plan sponsor has updated procedures to correct the problems and preserve the tax benefits available for the employer and employees.

The Plan evaluates all significant tax positions as required by modified cash basis accounting principles in the United States. As of December 31, 2019, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. Generally, the Plan is subject to examination by the appropriate regulatory authorities for three years after the IRS Form 5500 is due or filed, whichever is later.

NOTE G – Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – Party-in-Interest Transactions:

The Plan invests in the Reliance Trust Company Stable Asset Fund. This investment is considered a party-in-interest transaction because Reliance Trust Company serves as the custodian/trustee of the Plan. The Plan's management has approved this investment option.

NOTE I – Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of IRS Form 5500 (Form 5500):

| | 2019 | 2018 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 1,515,625 | $ 1,258,565 |
| Deemed distributions | (8,261) | (4,463) |
| Net assets available for benefits per schedule H to the Form 5500 | $ 1,507,364 | $ 1,254,102 |

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500:

| | 2019 |
|---|---|
| Net decrease in net assets per the financial statements | $ 257,060 |
| Adjustment for balance of participant loans deemed distributed | (3,798) |
| Net income per Schedule H to the Form 5500 | $ 253,262 |

NOTE J – Subsequent Events:

The Plan has evaluated subsequent events through October 13, 2020, the date which the financial statements were available to be issued. Due to the national and international concerns and current social and economic events transpiring in 2020 from the COVID-19 virus the Plan's investments values have become volatile to change and have generally at times decreased in value subsequent to December 31, 2019. The Plan is unable to determine the results of any possible future financial impact of the COVID-19 virus for the Plan at this time. The Plan is not aware of any other subsequent events that require recognition or disclosure in the financial statements.
