Independent Auditor's Report

To the Board of Trustees of
The Job Center Retirement Savings Plan

Report on the Financial Statements

We have audited the accompanying financial statements of The Job Center Retirement Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the period April 1, 2019 through December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Job Center Retirement Savings Plan as of December 31, 2019, and the changes in net assets available for benefits for the period April 1, 2019 through December 31, 2019 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year, referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Job Center Retirement Savings Plan

Notes to Financial Statements

December 31, 2019

1. Description of The Plan

The following description of the The Job Center Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan with a cash or deferred arrangement covering substantially all employees of The Job Center, LLC (the Employer) who have completed one year of service and are age twenty-one (21) or older. The Plan was adopted on April 1, 2019 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective April 1, 2019, the Plan was amended to set entry dates for newly eligible participants of January 1 and July 1 of each Plan year.

Prior to April 1, 2019, employees were eligible to participate in the OneSource Employee Management 401(k) Savings Plan (the “Prior Plan”). During 2019, the accounts and assets of participants with balances in the Prior Plan were transferred into this Plan in the amount of \$935,873.

Contributions

The Plan provides for contributions by participating employees of an amount not to exceed the maximum amount allowable under the applicable provisions of the Internal Revenue Code of 1986, as amended (the Code).

The Employer is required to make a safe harbor matching contribution to the accounts of its participating employees equal to one-hundred percent (100%) of the amount of the participant’s elected deferrals that do not exceed three percent (3%) of the participant’s Plan compensation, plus fifty percent (50%) of the amount of the participant’s elected deferrals that exceed three percent (3%) but do not exceed five (5%) of the participant’s Plan compensation. In addition, the Employer may make a discretionary non-elective profit sharing contribution. During 2019, the Employer elected not to make any discretionary non-elective profit sharing contributions.

Rollovers

The Plan permits participants to transfer distributions from other qualified plans into the Plan, subject to approval by the Plan.

Participant Accounts

Each participant’s account is credited with (a) contributions, (b) an allocation of Plan earnings and losses, and (c) Plan expenses. The participants direct the investment of their account balances among certain investment options offered by the Plan. The Employer contributions are invested in accordance with the participants' investment selection.

Plan Investment Options

Upon enrollment in the Plan, participants may direct their contributions in twenty (20) investment options. Participants may change their investment options at any time. Except for the Vanguard Federal Reserve Money Market Fund, there is no guarantee of principal or earnings when participating in these funds.

Notes Receivable from Participants

Participants may borrow from their account balances the lesser of \$50,000, or fifty percent (50%) of their vested account balance. Note terms range from one (1) to five (5) years, or longer if used for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Notes to Financial Statements

1. Description of The Plan (Continued)

Vesting

Participants are immediately 100% vested in their participant, rollover, and safe harbor contribution accounts at the time such contributions are made. Participants become vested in the Employer's non-safe harbor contributions accounts (if applicable) according to the vesting schedule as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in non-safe harbor Employer contributions. Forfeited nonvested accounts may be used to pay administrative expenses, reduce future Employer contributions or allocated to participant accounts as a non-elective contribution. At December 31, 2019, forfeited nonvested accounts totaled \$11. During 2019, forfeited nonvested amounts were not used to pay Plan expenses, reduce Employer contributions or allocated as a non-elective contribution.

Payment of Benefits

The benefit to which a Plan participant is entitled is the benefit that can be provided by the contributions made and income earned on investments. Upon service or disability retirement, death, or termination, a participant or beneficiary will receive an amount equal to the value of his account, including earnings. The benefit will be paid in a lump-sum amount or, partial withdrawals in amounts necessary to satisfy the required minimum distributions of the Internal Revenue Service Code.

Hardship Withdrawals

The Plan allows for hardship withdrawals in the event of immediate and heavy financial need of up to 100% of the participant's vested account balance.

Payment of Expenses

All expenses of administration may be paid out of the Plan unless paid by the Employer. Such expenses shall include any expenses incident to the functioning of the administrator, including, but not limited to, fees of accountants, counsel, and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Plan. However, the Employer may reimburse the Plan for any administration expenses incurred. Any administration expenses paid to the Plan as a reimbursement shall not be considered an Employer contribution. The Employer elected to pay some administration expenses incurred in 2019.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan administrator to make certain estimates and assumptions that could affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 7).

The Plan presents in the statement of changes in net assets available for benefits the net investment gain from registered investment companies, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividends are recorded when earned.

Payment of Benefits

Benefits are recorded when paid.

3. Party-in-Interest Transactions

The Plan invests in registered investment companies managed by affiliates of Fidelity Personal Trust Company, FSB (Fidelity). Fidelity act as Custodian for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rule.

4. Tax Status

The Employer adopted the Slavic 401k.com, Inc. DBA PlanRight Prototype Plan and need not apply for a separate determination letter, but instead may rely on the opinion letter dated March 31, 2014 issued by the Internal Revenue Service stating that employers who adopt the Plan will be considered to have a plan qualified under Code section 401(a). Accordingly, the Plan's net investment income is exempt from tax.

Accounting principles generally accepted in the United States of America require the Plan sponsor to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

The Job Center Retirement Savings Plan

Notes to Financial Statements

December 31, 2019

5. Plan Termination

While the Employer has not expressed any intent to terminate the Plan, it is free to do so at any time. Upon termination of the Plan by the Employer, the accounts of the affected participants shall become fully vested, and assets in the Plan shall be distributed to participants in proportion to their respective account balances after payment of appropriate Plan expenses.

6. Risks and Uncertainties

The Plan invests in various investment options. These investment options are exposed to risks, such as interest rate, credit, market and other risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Fair Value Measurements

The Plan's investments in registered investment companies are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan utilizes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of inputs used to measure fair value under this accounting standard are described as follows:

- Level 1 - Quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included within Level 1. Inputs that are principally derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurement of the assets or liabilities. These include certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies the Plan used for assets measured at fair value.

Registered investment companies (mutual funds) and money market fund: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. The funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

7. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

	December 31, 2019			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 1,015,755	\$ 0	\$ 0	\$ 1,015,755

Total assets in the fair value hierarchy	<u>\$ 1,050,545</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 1,050,545</u>

8. Subsequent Events

The Plan's management evaluated the activity of the Plan through October 12, 2020 (the date the financial statements were available to be issued) and concluded that, except as disclosed below, no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Plan Sponsor's financial condition, liquidity, workforce and future results of operations as well as the effects on the Plan.
