NOTES TO FINANCIAL STATEMENTS

KNORR BRAKE 401(k) RETIREMENT AND SAVINGS PLAN

December 31, 2019 and 2018

NOTE A--DESCRIPTION OF THE PLAN

The following description of Knorr Brake 401(k) Retirement and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, as defined under Section 401(k) of the Internal Revenue Code (IRC), and has been established by New York Air Brake, LLC (the Sponsor) for the benefit of eligible employees of its affiliate, Knorr Brake Corporation and its subsidiary, Anchor Brake Shoe Company. The Plan is subject to the provisions of ERISA. The Board of Directors is responsible for the oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

Eligibility: All fulltime, permanent employees are eligible to participate in the elective deferral, employer matching, safe harbor non-elective, and fixed non-elective features of the Plan upon their date of hire. To become eligible to participate in the employer discretionary contribution, a participant must be employed on the last day of the Plan year.

Participant Contributions: Participants may contribute tax-deferred and after-tax Roth dollars through payroll deductions (elective deferral contributions) equal to the lesser of 60% of eligible compensation or \$19,000 into the Plan for 2019 (\$18,500 for 2018). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, as defined by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (participant rollovers). Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated default fund, which is based on the participant's expected retirement date, until changed by the participant. The automatic deferral rate is increased annually by 1% until the participant reaches a 6% deferral rate.

KNORR BRAKE 401(k) RETIREMENT AND SAVINGS PLAN

December 31, 2019 and 2018

NOTE A--DESCRIPTION OF THE PLAN--Continued

Sponsor Contributions: In 2019 and 2018, the Sponsor made matching contributions equal to 50% of the first 6% of participant elective deferrals which amounted to \$1,840,920 and \$1,748,166, respectively. In 2019 and 2018, the Sponsor elected to make an employer safe harbor non-elective contribution of 3% of participants' eligible compensation, as defined by the Plan, which amounted to \$2,052,201 and \$1,893,349, respectively. In 2019 and 2018, the Sponsor elected to make an employer fixed non-elective contribution of 3% of participants' eligible compensation, as defined by the Plan, which amounted to \$315,929 and \$384,988, respectively. The Sponsor, at the discretion of its Board of Directors, may also contribute to the Plan additional discretionary contributions for all eligible participants. In 2019 and 2018, the Company's discretionary contribution was 3% of an employee's eligible compensation which amounted to \$2,223,238 and \$2,139,156, respectively. Contributions are subject to certain limitations determined by the IRS.

Participant Accounts: Each participant's account is credited with the participant's and Sponsor's contributions and an allocation of Plan earnings (losses) and administrative expenses. Allocations are based on the ratio of each participant's account balances to the total account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their elective deferral and rollover contributions plus actual earnings thereon. Vesting in the Sponsor's matching, safe harbor non-elective, fixed non-elective and discretionary contributions portion of the participants' accounts is based on years of credited service, as defined by the Plan. A participant is 100% vested in the Sponsor's matching and discretionary contributions after 5 years of credited service (20% per year). A participant is 100% vested in the Sponsor's safe harbor non-elective and fixed non-elective contributions after 2 years of credited service (20% after year 1 and 100% after year 2).

Receivables--Notes From Participants: Participants may borrow from their vested accounts a minimum of \$1,000 with the maximum amount being the lesser of 50% of the vested account balance or \$50,000 reduced by the highest outstanding loan balance at any time in the prior twelve month period. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the Plan Administrator, usually the Prime Rate plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the loan is for the purpose of acquiring a principal residence then the maximum period shall be 15 years. Participants are permitted to have only one loan outstanding at a time and may only apply for one loan each calendar year.

NOTES TO FINANCIAL STATEMENTS--Continued

KNORR BRAKE 401(k) RETIREMENT AND SAVINGS PLAN

December 31, 2019 and 2018

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits: Distributions from the Plan are available upon retirement, death, termination of employment, proven hardship or disability. Upon termination of a participant's employment for any reason, a participant may elect to receive either a lump-sum cash distribution, a direct rollover distribution, or a combination of both equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

Forfeitures: Sponsor contributions which have been forfeited by employees upon termination are used to reduce the Sponsor's contributions. In 2019 and 2018, Sponsor contributions were reduced by \$530,836 and \$465,726, respectively, from forfeited nonvested accounts. Forfeiture account balances totaled \$61,185 and \$89,833 at December 31, 2019 and 2018, respectively.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note C for discussion of fair value measurements.

Purchases and sales of shares in mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

KNORR BRAKE 401(k) RETIREMENT AND SAVINGS PLAN

December 31, 2019 and 2018

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Receivables--Notes From Participants: Receivables--notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of receivables--notes from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. The Sponsor can elect to pay certain administrative costs from forfeited nonvested accounts which are also included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Events Occurring After Reporting Date: Plan management has evaluated events and transactions that occurred between December 31, 2019 and October 9, 2020, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Other than the events disclosed in Note H, there were no such events or transactions identified by Plan management.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The shares held in mutual funds by the Plan are deemed to be actively traded.

Interest-bearing cash: The fair value of interest-bearing cash approximates carrying value due to the nature of the instrument.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2019 and 2018, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company (Fidelity), the trustee, that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets.

	2019	2018

NOTE D--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)--Continued

Fidelity also certified to the completeness and accuracy of \$24,549,816 and \$(15,218,106) of net appreciation (depreciation) in fair value of investments, \$6,566,631 and \$7,212,762 of interest and dividends and \$135,053 and \$120,881 of interest income on receivables--notes from participants related to the aforementioned Plan assets for the years ended December 31, 2019 and 2018, respectively.

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Investment fees paid by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments within the statements of changes in net assets available for benefits.

Fidelity provides certain administrative services to the Plan pursuant to a Retirement Plan Service Agreement between the Plan Sponsor and Fidelity. Fidelity receives revenue from the investment service providers for services Fidelity provides to the investment funds.

Participants are charged fees for loan and benefit payment processing and recordkeeping services relating to non-Fidelity mutual funds. Fees paid by the Plan to Fidelity for these services amounted to \$173,010 and \$71,599 for the years ended December 31, 2019 and 2018, respectively. These fees are deducted from individual participant accounts. The Sponsor pays directly any other fees related to the Plan's operations. The Plan Administrator believes all party in interest transactions qualify for either statutory or administrative exemption from the prohibited transaction rules under ERISA.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor matching, safe harbor non-elective, fixed non-elective, and discretionary contributions.

NOTE G--TAX STATUS

The Plan adopted the updated version of the volume submitter plan sponsored by Fidelity Management and Research Company. The IRS has determined and informed the volume submitter plan sponsor by a letter dated March 31, 2014, that the volume submitter plan qualifies under the applicable sections of the IRC. The Plan Administrator timely adopted the volume submitter plan. Although the Plan has been amended since adopting the volume submitter plan, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan's Administrator was notified, on August 9, 2017, that the Plan's Form 5500 was selected for examination by the IRS, for the 2015 Plan year. By a letter dated June 18, 2018, the IRS concluded their audit and has accepted the 2015 Form 5500 as filed. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE H--RISKS, UNCERTAINTIES AND SUBSEQUENT EVENT

The Plan invests in shares of mutual funds and interest-bearing cash. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID-19 continues to evolve rapidly and the Company is not able at this time to estimate its full impact on the Plan's financial statements. In response to the pandemic, effective April 5, 2020, the Plan adopted the following provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020 to help those participants impacted by the COVID-19 pandemic:

- Participants are permitted to take a distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
