NOTE 1 DESCRIPTION OF THE PLAN

The following description of The Gehr Group, Inc. 401(k) Profit Sharing Plan (the Plan) of The Gehr Group, Inc. (the Plan Sponsor) is provided for general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan which is qualified under Section 401(k) of the Internal Revenue Code (IRC). The Plan was established in 1985 and operates on a calendar year basis. The Trustees of the Plan serve as the Plan Administrator. Transamerica Financial Life Insurance Company (Transamerica) is the plan custodian. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee is eligible for participation in the Plan upon completion of 2 months of continuous service and attainment of age 18. Enrollment can occur on the first day of the month coincident with or following satisfaction of the eligibility requirements.

Participant Contributions

Each year, participants may elect to contribute, tax-deferred basis, up to 100% of their eligible contribution amount, up to a maximum dollar amount as specified in the IRC. The maximum contribution is $19,000 and $18,500 for 2019 and 2018, respectively. Catch-up contributions are allowed for plan participants who are over age 50 before the end of the year subject to Internal Revenue Service (IRS) limits. Participants may rollover amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions

The Plan Sponsor makes a non-elective matching employer contribution each payroll period. The amount of the non-elective matching contribution is equal to 3% of base compensation deferred by the participant under the Plan for the payroll period. In addition, the employer can make a discretionary contribution, depending upon the current year's profit, and allocate it to each eligible employee in proportion to compensation. During the years ended December 31, 2019 and 2018, the Plan Sponsor made a discretionary contribution of 4.5% of base compensation.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contributions, the employer's non-elective matching contributions, allocations of the Plan Sponsor’s discretionary contribution and the Plan's earnings; and is charged with withdrawals and allocation of the Plan's losses. Allocations are based on participant earnings or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and the employer's non-elective matching contributions plus actual earnings thereon. Vesting in the employer's discretionary contributions portion of their accounts, plus earnings thereon, is based on years of continuous service according to the following schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are automatically fully vested upon normal retirement, death, total and permanent disability, or termination of the Plan. All years of service will be counted except for years with less than 1,000 hours worked.

Investment Options

Participants may direct participant and employer contributions, as desired, in any of several investment options held by the custodian and may change their investment options daily.

Payment of Benefits

On termination of service due to death, disability, or retirement, the participant will receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive payment equal to the value of the vested interest in his or her account as a lump-sum distribution, or elect to rollover the balance to another qualified benefit plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms are up to 5 years unless for the purchase of the primary residence of the participant. A participant may have only 2 loans outstanding at any time. The loans are secured by the balance in the participant's account and the current loans bear interest ranging between 5.75% and 6.5%. Principal and interest are paid ratably through payroll deductions. The loan will be deemed a distribution if the participant terminates employment with the Plan Sponsor. If any losses are realized or expenses are incurred in the event of default, such losses and expenses shall be charged specific only to the participant’s account. During the plan years ended December 31, 2019 and 2018, there were loans that participants defaulted on which resulted in deemed distributions of $9,737 and $8,771, respectively.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Fees

Employees of the Plan Sponsor perform certain administrative functions. Neither the Plan Sponsor nor its employees receive compensation from the Plan. Certain administrative fees of the Plan are paid out of the assets of the Plan and constitute a charge upon the respective investment funds. Annual audit fees are paid by the Plan Sponsor.

Forfeitures

Forfeitures are allocated to Participant accounts in proportion to compensation or may be used to pay Plan expenses. The Plan had forfeitures of $600 and $0, which were used to pay for Plan expenses for the years ended December 31, 2019 and 2018, respectively. Forfeited non-vested Company contribution account balance is $37,604 and $28,369 at December 31, 2019 and 2018, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivables from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts represent ownership of units of participation in various mutual funds. The value of a unit of participation is the total value of the investment in each mutual fund within the separate accounts divided by the number of units outstanding. The investments in the pooled separate accounts are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

Fully benefit responsive investment contracts held by a defined contribution plan are required to be reported at contract value. The Plan's investment in the Transamerica Stable Value Core Account, an unallocated insurance contract, meets the definition of a fully benefit responsive contract.

The contract value is calculated by the custodian of the Plan. This calculation generally considers various Treasury Bond rates, the fixed account interest rate, and the date/state of contract issuance.

Net Appreciation in Fair Value of Investments
Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Benefits Paid to Participants
Benefit payments to participants are recorded when paid.

NOTE 3 INVESTMENT INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica, the custodian of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2019 and 2018;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2019 and 2018;
- Investment information disclosed in Notes 4 and 5 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – December 31, 2019.

NOTE 3 INVESTMENT INFORMATION CERTIFIED BY CUSTODIAN (CONTINUED)

The Plan Administrator instructed the independent auditors not to perform any auditing procedures with respect to this information except for comparing such information to the related information in the financial statements and supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Observable inputs other than Level 1 measurements such as quoted prices for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Pooled separate accounts: These investments are valued using the net asset value (NAV) of units held by the Plan at year end as provided by the custodian. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value. To calculate the fair value of shares of an underlying fund, the number of shares of the respective underlying fund is multiplied by the closing NAV per share quoted by that fund. The NAV is used as a practical expedient to estimate fair value.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Prior to the adoption of ASU 2015-07, pooled separate accounts were classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active. Subsequent to the adoption of ASU 2015-07, the pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV is disclosed to permit reconciliation of the fair value of investments to the Statements of Net Assets Available for Benefits.

Investments reported using NAV at December 31, were as follows:

	2019	2018
Pooled separate accounts - at NAV	**$ 12,410,779**	$ 9,678,756
Total investments at fair value	**$ 12,410,779**	$ 9,678,756

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

During 2014, the Plan entered into an unallocated insurance contract with Transamerica. Such contributions are held in a general account by Transamerica. Unallocated insurance contracts guarantee the return of principal plus compound interest earned over a defined term, less any applicable contract or participant-level recording charges, provided all contributions remain in the account until the end of the guarantee period.

The unallocated insurance contract is deemed fully benefit responsive as the contract does meet the basic criteria to be considered a benefit responsive contract. The unallocated insurance contract in the group annuity contract is included in the financial statements at contract value as reported to the Plan by Transamerica.

There are no reserves against credit risk of the contract issuer or otherwise. The contract value of the unallocated insurance contract held by Transamerica at December 31, 2019 and 2018 was $2,960,590 and $2,579,395, respectively. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the unallocated insurance contract. The average annual rate for 2019 and 2018 was 0.90% and 0.75%, respectively.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and an unallocated insurance contract managed by Transamerica. Transamerica is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on these investments. Fees paid by the Plan to the custodians for administrative expenses amounted to $7,904 and $9,440 the years ended December 31, 2019 and 2018, respectively.

NOTE 7 INCOME TAX STATUS

The IRS has issued a favorable determination letter dated March 31, 2008 for the Plan. The Plan has been amended since receiving its latest determination letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. No provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are normally exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 PLAN TERMINATION

Although it has not expressed such intent, the Plan Sponsor, by action of its Board of Directors, reserves the right at any time to amend or terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and net assets available for benefits of the Plan would be distributed to the participants and their beneficiaries based on each participant's interest in the Plan, in accordance with the provisions of ERISA.

NOTE 10 SUBSEQUENT EVENTS

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries. While it is unknown how long these conditions will last and what the complete financial effect will be to the Plan to date, the Plan is expected to experience temporary decline in valuation of its investments. Management and Plan Administrator do not expect the impact to be material to the Plan's December 31, 2019 financial statements.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act provided plan sponsors the ability to offer qualifying participants penalty-free distributions up to $100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived required minimum distributions for terminated participants in calendar year 2020. The Plan Sponsor is evaluating the impact of these legislative change and plans to formally execute the required plan amendments, if any, reflecting their implementation by the deadline, which is the last day of the plan year beginning on or after January 1, 2022.

Management has evaluated events subsequent to December 31, 2019 to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through October 14, 2020, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no other subsequent events occurred that require recognition or additional disclosure in the financial statements.
