Independent Auditor's Report

To the Plan Administrator of the C2 Essentials, Inc. 401(k)/Profit-Sharing Plan:

Report on the Financial Statements

We have audited the accompanying financial statements of the C2 Essentials, Inc. 401(k)/Profit-Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

A. PLAN DESCRIPTION:

The following description of the C2 Essentials, Inc. 401(k)/Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for more detailed information.

General

The Plan is a multiple-employer defined contribution plan sponsored by C2 Essentials, Inc. (the "Plan Administrator"), covering substantially all employees of the adopting employers (the "Employers") who have met the age and service requirements selected. Age requirements range from no age requirement to attainment of age 21. Service requirements range from no service requirement to one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute from 1% up to 100% of their gross compensation, as defined by the Plan, on a pre-tax or after-tax ("Roth") basis, subject to Internal Revenue Code ("IRC") limitations. Participants who are at least age 50 may make an additional "catch-up" contribution subject to IRC limitations. Employers may also elect to add automatic enrollment and escalation features for participant contributions. Participants may also contribute funds from another qualified retirement plan ("rollover contributions"), subject to certain requirements.

Participant contributions may be matched by the Employers at a percentage of participants' contributions, as determined by the Employers. Employers may also elect to make Safe Harbor matching contributions on participants' contributions. Employers may also elect to make Safe Harbor non-elective contributions. In addition, Employers may make an additional discretionary matching contribution, a nonelective profit sharing contribution, or a non-elective prevailing wage contribution. The Employers made contributions of \$6,760,103 for the year ended December 31, 2019.

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are fully vested in that portion of their account which represents their contributions and Safe Harbor contributions and the income earned thereon. Participants become 100% vested in the Employers' contributions and earnings thereon upon death, total and permanent disability, or attainment of normal retirement age. Otherwise participant's interest in the Employers' contributions and earnings thereon vests according to one of following schedules as determined by the Employers.

1. Immediate 100% vesting.
2. 100% vesting after the completion of three years of service.
3. Graded vesting as set forth below:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account represents a forfeiture, as defined by the Plan. If a forfeiting participant is re-employed and fulfills certain requirements, as set forth in the Plan, the participant's account will be restored. Remaining forfeitures will be used to reduce Employers' contributions to the Plan or to offset plan expenses. During 2019, \$81,631 was used to reduce Employers' contributions. During 2019, no forfeitures were used to pay plan expenses. Unallocated forfeitures were \$115,062 and \$41,527 at December 31, 2019 and 2018, respectively.

Distribution of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Participants may elect a distribution in the form of a lump sum.

A participant may also request a withdrawal upon attainment of age 59 1/2 or upon demonstration by the participant to the plan administrator that the participant is suffering from "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the Internal Revenue Code or standards established by the Secretary of the Treasury or his delegate. A participant may also request a withdrawal of rollover funds at any time.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

A participant may borrow an amount up to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to plan limitations. The minimum loan amount is \$1,000. Loans must bear a reasonable rate of interest. Loans are collateralized by the participant's nonforfeitable interest in the Plan and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. Participants may only have two loans outstanding at a time. Principal and interest is generally paid ratably through payroll deductions each pay period. Participant loans are valued at the unpaid principal balance plus any accrued but unpaid interest and categorized as notes receivable from participants on the statements of net assets available for benefits. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Substantially all expenses incurred in the administration of the Plan are paid by the plan participants including certain participant transaction related fees, investment management fees, advisor fees and record-keeping fees.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

C. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used by the Plan. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Common collective trust fund – Valued at the net asset value of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2019			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 77,145,546	\$ 77,145,546	\$ -	\$ -
Total investments in the fair value hierarchy	77,145,546	<u>\$ 77,145,546</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value(1): Common collective trust	<u>1,607,794</u>			
Investments at fair value	<u>\$ 78,753,340</u>			

	2018			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 60,353,181	\$ 60,353,181	\$ -	\$ -
Total investments in the fair value hierarchy	60,353,181	<u>\$ 60,353,181</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value(1): Common collective trust	<u>1,944,049</u>			
Investments at fair value	<u>\$ 62,297,230</u>			

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The common collective trust held by the Plan allows for daily redemptions by participants; however the Plan is subject to a twelve month redemption notice period. The trustee, at their discretion, may waive the twelve month waiting period. There are no unfunded commitments.

C2 ESSENTIALS, INC. 401(k)/PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

D. TAX STATUS:

The Plan has adopted the volume submitter profit sharing plan of Slavic Integrated Administration Inc. The volume submitter plan sponsor, Slavic Integrated Administration Inc., received a favorable opinion letter dated March 31, 2014 in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with plan terms, and applicable requirements of the IRC and is, therefore, exempt from federal income taxes under Section 501(a) of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

E. PARTIES-IN-INTEREST:

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by Fidelity Investments, the custodian, are considered party-in-interest transactions. In addition, Slavic Integrated Administration Inc. is the plan's third party administrator and is considered a party-in-interest to the Plan.

F. PLAN TERMINATION:

Although the Plan was established with the intention that it will continue indefinitely, the Plan Administrator retains the right to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

G. ASSET TRANSFERS:

During 2019, there were Employers that elected to become participating employers in the Plan. Account balances of participants in prior plans of these Employers were transferred into the Plan during 2019. Below is a summary of the Employers that elected to become participating employers in the plan for the year ended December 31, 2019:

H. SUBSEQUENT EVENTS:

The Plan Administrator has evaluated subsequent events through October 13, 2020, the date these financial statements were available for issuance.

The 2019 novel coronavirus (or "COVID-19") has affected, and may continue to affect, the values of investments held by the Plan. The extent of the impact of the COVID-19 outbreak on the Plan's investments cannot be predicted at this time.

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which change the Plan to, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Additional optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
