ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Associated Urological 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan was established in 2005 to allow Associated Urological Specialists, LLC (the Company) to share a portion of its profits with its employees, to promote within them the strongest interest in the successful operation of the business, to increase efficiency in their work, to assure them that they will share in the prosperity of the business, and to provide them with an opportunity for accumulation of funds for retirement. The Plan is a defined-contribution plan covering all eligible employees of the Company who have at least six months of eligibility service, and are age 21 or older. Effective January 1, 2019, the requirement for eligibility service of 1,000 hours for elective deferrals and safe harbor contributions, and the one year requirement for employer profit-sharing plan contributions has been removed. In addition, the safe harbor nonelective contribution is now allocated per payroll period rather than on an annual basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute pre-tax compensation up to the lesser of the Federal Statutory limit, including the catch-up contribution, if applicable or 90% of the participant's annual compensation, subject to certain limitations, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan does not permit nondeductible contributions by participants.

The Company is required to make safe harbor contributions of 3% of all eligible employees' compensation on an annual basis.

Each year, the Company may contribute a discretionary profit-sharing contribution to participants. These contributions are subject to legal and compensation limitations. Generally, a participant must be employed on the last day of the year to receive a contribution.

During the year ended December 31, 2019, the Company made an \$855,109 safe harbor and discretionary contribution to the Plan for the 2018 Plan year. In addition, the Company made bi-weekly safe harbor contributions totaling \$310,233 to the Plan for the 2019 Plan year.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of the Plan (continued)

Vesting:

Participants are immediately 100% vested in their elective deferrals and earnings thereon. Vesting for employer contributions and earnings thereon is based on years of continuous service in accordance with the following table:

Completed years of service	Percentage of account balance vested
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Upon death or disability participants become fully vested.

Forfeited accounts:

At December 31, 2019 and 2018, forfeited nonvested accounts totaled \$10,075 and \$1,946, respectively. Forfeitures from participant's nonvested accounts may be used to reduce employer contributions. The amount of forfeited nonvested accounts used in 2019 was \$6,475.

Notes receivable from participants:

Active participants may borrow from their accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Active participants can only have one outstanding loan at a time. The minimum amount a participant can borrow is \$1,000. Loans are secured by the balance in the participant's account and bear interest at a rate equal to the Prime rate as published in the Wall Street Journal on the 14th day of each month plus one percent. The interest rate as of December 31, 2019 and 2018 was 5.75% and 6.25%, respectively. The note interest rate will be determined on the date of the loan request and will not change for the duration of the loan repayment period. Principal and interest are paid ratably through bi-weekly payroll deductions. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of the Plan (continued)

Payment of benefits:

Upon termination of service due to death, disability or retirement at age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a period of not more than a participant's assumed life expectancy (or the assumed life expectancy of the beneficiary).

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses, if any. Allocations are based on the participant's share of employer contributions or account balances, as prescribed by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance. The Plan allows participants to direct their and the Company's contributions to any of the provided investment alternatives.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements are prepared under the modified cash basis of accounting, modified to record assets or liabilities with respect to cash transactions and events that provide a benefit or result in an obligation that covers a period greater than the period in which the cash transaction or event occurred. The modifications result in recording securities investments at fair value and notes receivable from participants on the statements of net assets available for benefits. This method of accounting represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). This basis of accounting differs from GAAP primarily because contributions to the Plan and dividends and interest are recognized when received rather than when earned and certain deductions from net assets available for benefits are recognized when cash is disbursed rather than when the obligation is incurred.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Shares of mutual funds are valued at the market value of shares held by the Plan at year-end.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Investment valuation and income recognition: (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income are recognized when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are valued at their unpaid principal balance. Interest is recognized when paid. The Plan is required to review the collectibility of the outstanding loan balances and record an allowance for loans considered to be uncollectible. As of December 31, 2019 and 2018, no allowance for uncollectible loans was necessary.

Contributions:

Participant and employer contributions are recognized when received by the Trustee.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

All administrative expenses are paid by the Plan to the extent not paid by the Company.

Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting, requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through October 13, 2020, the date the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID-19 continues to evolve rapidly and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

Effective April 7, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

In addition, effective April 7, 2020, the Plan adopted the temporary participant loan amount and loan repayment deferral provisions of the CARES Act. The loan amount provision adopted by the Plan allows qualified Plan participants to request a loan up to 100% of their vested account balance, up to \$100,000, until September 23, 2020. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments due between March 27, 2020 and December 31, 2020, to defer such repayments for up to one year.

3. Investments (information prepared and certified by Reliance Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in these financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Reliance Trust Company (the Trustee) for the period from January 1, 2019 through December 31, 2019 and as of December 31, 2019.

The Trustee certified the fair value of investments of \$20,500,866 and \$16,109,636 at December 31, 2019 and 2018, respectively. Notes receivable from participants of \$139,750 and \$79,845 at December 31, 2019 and 2018, respectively. The interest rate on these receivables ranged from 4.25% to 6.50% in 2019 and 4.25% to 6.25% in 2018.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Investments (information prepared and certified by Reliance Trust Company (the Trustee)) (continued)

The Trustee also certified the dividend and interest income of \$2,076,424 during the year ended December 31, 2019. The Plan's investments (including investments bought, sold and held during the year) appreciated in value by \$1,297,295 during the year ended December 31, 2019. Interest income on notes receivable from participants was \$3,928 for the year ended December 31, 2019.

4. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability;• inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair value measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018.

Mutual funds: Valued at the market value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018.

Investments at fair value as of December 31, 2019:

December 31, 2019	Level 1	Total
Mutual funds	\$ 20,500,866	\$ 20,500,866
Total assets at fair value		\$ 20,500,866

Investments at fair value as of December 31, 2018:

December 31, 2018	Level 1	Total
Mutual funds	\$ 16,109,636	\$ 16,109,636
Total assets at fair value		\$ 16,109,636

5. Plan termination

It is the intent of the Trustee to continue the Plan in full force and effect. However, in the event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved by the Trustee. In the event of termination, the Trustee shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining assets will be distributed in such manner as will, in the opinion of the Trustee, bring about the purpose of the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. Tax status

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA (Cash or Deferred Arrangement) which received a favorable opinion letter from the Internal Revenue Service as of July 16, 2014, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the Code) and that any employer adopting this form of the Plan will be considered to have a qualified plan under Section 401(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its tax qualification. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

7. Risks and uncertainties

The Plan provides for various investment options in mutual funds. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term, could materially affect the participant's account balances and the amounts reported in the financial statements.
