Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Ohio Bridge Manufacturing Employee Benefit Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the asset information summarized in the notes to the financial statements, which was certified by Mutual of America, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Mutual of America held the Plan's investment assets and executed investment transactions for the period May 11, 2018 through December 31, 2019 and Ascensus Trust Company held the Plan's investment assets and executed investment transactions during the period January 1, 2018 through May 10, 2018.

The plan administrator has obtained a certification from the trustees as of December 31, 2019 and 2018, and for the years then ended, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter –Supplementary Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplementary schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

OHIO BRIDGE MANUFACTURING EMPLOYEE BENEFIT PLAN

Notes to Financial Statements
December 31, 2019 and 2018

Description of the Plan

The following description of the Ohio Bridge Manufacturing Employee Benefit Plan (the Plan), formerly known as the US Bridge Retirement Plan, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is an employee profit sharing plan which also allows employee salary deferrals subject to section 401(k) of the Internal Revenue Code (IRC). The Plan covers all eligible employees of American Culvert and Fabricating Company, The Bridge Construction Company, Ohio Bridge Manufacturing, Ltd. d.b.a. US Bridge and C-Z Company, together "the Employer". The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute any percentage of compensation up to 75% provided that their salary deferral contributions do not exceed federal limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Effective in 2015, the Plan was amended to include an employer non-elective contribution. The Ohio Bridge Corporation d.b.a. US Bridge contributed non-elective safe harbor contributions equal to 3% of each eligible participant's compensation during 2019 and 2018.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions, (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and non-elective Employer contributions plus actual earnings thereon.

Payment of Benefits

Upon termination of service due to termination, death, retirement, or disability, the participant may elect to receive their vested account balance either in a lump-sum amount or installments. Participants who have reached 59 ½ may elect to take in service distribution. Participants become 100% vested in their account balances upon retirement, death or disability as defined by the plan agreement.

Description of the Plan (continued)

Forfeited Accounts

Forfeitures are used to reinstate previously forfeited participant accounts, if any. Remaining forfeitures may be used to satisfy employer profit sharing contributions, or used to pay administrative expenses of the Plan. Any remaining forfeitures are allocated to participant accounts on a pro-rata basis based on the allocation of employer profit sharing contributions.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present the contract value of the investment, which approximates fair value. The statements of changes in net assets available for benefits are prepared on a contract value basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred in connection with the general administration and investment management of the Plan are paid by the Plan and recorded in the accompanying statements of changes in net assets available for benefits as administrative fees. All other expenses of maintaining the Plan are paid by the Employer.

Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by the Plan's trustee.

	2019	2018
Mutual funds	\$ 3,502,074	\$ 2,794,587
Total	\$ 3,502,074	\$ 2,794,587

The trustee also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2019	2018
Net appreciation (depreciation) in fair value of investments	\$ 626,942	\$ (178,546)

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.

Notes to Financial Statements
December 31, 2019 and 2018

Fair Value Measurements (continued)

Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 Inputs are significant unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds: Valued at the quoted NAV of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Party-in-Interest Transactions

The Plan holds certain investments managed by Mutual of America Investment Corporation. Mutual of America is the Custodian as defined by the plan agreement and, therefore, these transactions qualify as party-in-interest. The Plan paid certain investment management and administration fees to the Custodians of the Plan. Fees paid by the Plan to the Custodians amounted to approximately \$1,200 and \$17,000 for the years ended December 31, 2019 and 2018, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants would become 100% vested in their employer contributions.

December 31, 2019 and 2018

Tax Status

The Plan utilizes a Volume Submitter Profit Sharing Plan with CODA that received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2008, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the 2019 statement of net assets available for benefits.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared COVID-19 to be a pandemic. The outbreak of the COVID-19 pandemic has severely impacted global economic activity and caused significant volatility and negative pressure in financial markets. Because of the uncertainty impacting the financial markets during this time, management is unable to estimate the impact of the pandemic on assets of the Plan.

Plan management is continuing to evaluate the relief provisions available to plan participants under the CARES Act.
