INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Netcare Corporation Employee Retirement Program
Columbus, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Netcare Corporation Employee Retirement Program Plan, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by American United Life Insurance Company (AUL), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedules

The supplemental schedule of assets (held at end of year) as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by AUL, the trustee of the Plan. Their report, dated October 9, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2019

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

NOTE 1 - PLAN DESCRIPTION

The following description of the Netcare Corporation Employee Retirement Program (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan, established October 1, 1980, and amended and restated effective January 1, 2014, is a profit sharing 401(a) plan covering substantially all full-time employees of Netcare Corporation (Corporation). Employees are eligible to participate in the Plan on their date of hire. Effective January 1, 2017, an amendment was made to change the Plan's entry date to the first day of the following quarter. Amendment 3 to the Plan, effective January 1, 2018, included the change that compensation excludes the reimbursement contributions.

Contributions - The Corporation may contribute a discretionary profit sharing contribution in an amount, if any, determined solely at the Corporation's discretion, subject to Internal Revenue Code (IRC) limitations. A participant who completes one year of service, 1,000 hours of service during the plan year and is at least 21 years of age will be entitled to receive a profit sharing contribution. The 1,000 hours of service requirement will be waived if the participant dies, retires or becomes disabled during the plan year. Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements. There were an immaterial amount of contributions during 2019.

Participant Accounts - Each participant's account is credited with the Corporation's profit sharing contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are partially paid by the Corporation and partially paid by participants. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Vesting occurs on an increasing percentage basis in relation to years of credited service. There are two vesting schedules for the employer profit sharing contributions. The first is for employees who were participating in the Plan on or after January 1, 2002, and prior to January 1, 2006. Its vesting schedule is 20% upon completion of three years of services and reaching 100% upon completion of seven years of service. The second vesting schedule is based on employees who entered into the plan after January 1, 2006. Its vesting schedule is 20% percent upon completion of two years of service and reaching 100% upon completion of seven years of service.

Notes Receivable from Participants - A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Notes receivable from participants are collateralized by the percentage of the participant's vested account balance equal to the amount borrowed divided by the vested account balance, and bear interest at rates as determined by the Plan administrator, based on local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying financial statements follows:

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Corporation. Expenses that are paid by the Corporation are excluded from these financial statements. Investment-related expenses are included in administrative expenses.

Recent Accounting Pronouncements - In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, Fair Value Measurement - Disclosure Framework (Topic 820). The updated guidance improves the disclosure requirements on fair value measurements and is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption is permitted for any removed or modified disclosures. Management elected to adopt this standard for the plan year ended December 31, 2019. There was not a significant impact on the footnote disclosures as a result of adopting the standard.

NOTE 3 - CERTIFICATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2019 and 2018, and net depreciation in the fair value of investments, investment income and interest income on notes receivable from participants for the year ended December 31, 2019, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by American United Life Insurance Company (AUL).

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

NOTE 4 - PARTY-IN-INTEREST

Plan investments consist of mutual funds and annuity contracts managed by AUL. AUL is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions are performed by employees of the Corporation at no cost to the Plan.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

NOTE 6 - INCOME TAX STATUS

The underlying volume submitter plan has received an opinion letter from the Internal Revenue Service (IRS) dated July 24, 2015, stating that the written form of the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. In accordance with the applicable IRS Revenue Procedures, the Company has determined that it is eligible to and has chosen to rely on the current IRS volume submitter opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. While the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2019 and 2018, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2016.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

NOTE 8 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identifiable assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Carrying amount approximates fair value due to the short-term nature of these funds.

The preceding methods described might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2019			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	2,120,194	-	-	\$ 2,120,194
Money market funds		27,050	-	-	27,050
Investments At Fair Value	\$	<u>2,147,244</u>	<u>-</u>	<u>-</u>	<u>\$ 2,147,244</u>
		2018			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	1,864,676	-	-	\$ 1,864,676
Money market funds		30,796	-	-	30,796
Investments At Fair Value	\$	<u>1,895,472</u>	<u>-</u>	<u>-</u>	<u>\$ 1,895,472</u>

NOTE 9 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan participates in a benefit-responsive investment contract with AUL, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The AUL Fixed Account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The AUL Fixed Account does not permit the bank to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

NOTE 9 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the insurer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestures or spinoffs of a subsidiary) that cause significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through October 14, 2020, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the financial statements except for the matter described in the following paragraph.

The coronavirus pandemic could materially and adversely affect the Plan, its operations and its performance. Government-imposed quarantines have caused market performance of the investments to decline. Additionally, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law, which provides both plan sponsor and participant relief. As of October 14, 2020, the date that the financial statements were available to be issued, the Plan did not adopt any CARES Act provisions. Management of the Plan is unable to accurately predict how the coronavirus will affect the results of Plan operations because of the severity and duration of the pandemic are uncertain. However, while it is premature to accurately predict the ultimate outcome of these developments, Plan management expects the Plan's results for the year ended December 31, 2020 to be impacted.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.
