Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

BALL, BOUNCE & SPORT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Note 1: Description of Plan

The following description of the Ball, Bounce & Sport, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Ball, Bounce & Sport, Inc. (hereinafter called the “Company”) covering all employees of the Company who are age nineteen or older who have also completed six consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute from 1% to 90% of pretax annual compensation, as defined in the Plan. The Company may elect to make matching and non-elective contributions to the Plan. The Company has elected to match up to 3% of each participant’s defined compensation during 2019 and 2018. No non-elective contributions were made to the Plan during 2019 and 2018.

Participant Accounts

Each participant’s account is credited with the allocation of (a) participant contributions, (b) the Company’s matching and non-elective contributions, (c) Plan earnings, and (d) forfeitures of terminated participants’ nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting

Participants are immediately vested in their elective deferral and rollover contributions and the Company’s matching contributions plus actual earnings thereon. Vesting in any Company non-elective contribution allocated to a participant’s account plus actual earnings thereon is based on years of service. A year of vesting accumulates from the date of hire. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service, a participant may elect to receive the value of his or her account in a lump-sum amount or in the form of a rollover to another qualified plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of 50% of the participant’s vested amount or \$50,000. However, the maximum is reduced by the highest outstanding loan balance of each participant during the previous one-year period. Loan transactions are treated as transfers to (from) the investment fund from (to) the loan. Loans are secured by the balance in the participant’s account and bear interest at a rate of prime plus two percentage points. Principal and interest are paid ratably through monthly payroll deductions, and must be repaid fully within five years. Interest earned by the Plan on participant loans was \$6,254 and \$5,816 for the years ended December 31, 2019 and 2018, respectively.

BALL, BOUNCE & SPORT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note 1: Description of Plan (Continued)

Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts are allocated annually to fund employer matching contributions to the Plan. Any additional forfeited amounts are then allocated to restore previous forfeitures to participants that have been rehired and meet certain qualifications outlined in the plan document.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions among investment choices in increments of 1 percent. Participants may change their investment option on any normal business day.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with generally accepted accounting principles.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from these estimates.

Income Taxes

The Plan administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Management has evaluated income tax positions taken or expected to be taken, if any, on income tax returns filed and the likelihood that, upon examination by the relevant jurisdictions, those income tax positions would be sustained. Based on the results of this examination management determined there are no positions that necessitated disclosures and/or adjustments.

The Plan's tax returns are subject to examination generally for three years after they are filed.

Plan Costs

Fees paid by the Plan during the year ended December 31, 2019 and 2018 of \$3,124 and \$2,670, respectively, were costs charged by the third-party administrator for loan and withdrawal processing services. The plan sponsor pays directly other plan administrative costs.

BALL, BOUNCE & SPORT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note 2: Summary of Accounting Policies

Investment Valuation and Income Recognition

The Plan's investments are stated at estimated fair market value. Purchases are recorded on the date of contribution at the then-current market. Investment income from all sources is recorded on the accrual basis.

Subsequent Event

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

In 2020 the Plan sponsor's operations are in the process of being restructured. Management does not believe the restructuring will have a significant effect on the Plan's operations.

Effective April 2020 the Plan was amended to allow for optional relief items permitted under the CARES Act, which allows certain participants impacted by COVID-19 to receive without penalty up to \$100,000 in withdrawals from the Plan or borrow the lesser of 100% of their account balance of \$100,000 for 180 days beginning March 27, 2020. Impacted participants may also delay loan payments for up to one year. Required minimum distributions may also be waived at the election of a participant.

Subsequent events have been evaluated through October 13, 2020, which is the date the financial statements were available to be issued.

Note 3: Investments and Fair Value Measurements

Upon enrollment in the Plan, a participant may direct contributions in any of the 33 investment funds. The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The Plan's trustee is currently Reliance Trust Company.

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Plan has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are observable inputs for the asset or liability and rely on the Company's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Plan's own data.).

BALL, BOUNCE & SPORT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Note 3: Fair Value Measurements (continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan has no investments valued based on Level 2 or Level 3 inputs.

The fair value of investments in registered investment companies is based on quoted market prices of the shares held by the Plan at year-end and are therefore considered Level 1 investments. The value of these funds was \$4,618,874 and \$2,434,457 at December 31, 2019 and 2018, respectively.

The Plan also holds investments in common/collective trusts which are valued by using Net Asset Value (NAV) per share (or its equivalent), as a practical expedient permitted under Accounting Standards Update (ASU) No. 2009-12, *Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. This guidance amends ASC 820 and allows for the estimation of the fair value of investments for which the investment does not have a readily determinable fair value using NAV per share or its equivalent. NAV, in many instances, may not equal fair values that would be calculated pursuant to ASC 820. The value of these investments was \$314,557 and \$1,208,637 as of December 31, 2019 and 2018, respectively.

Note 4: Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6: Related-Party Transactions and Party in Interest Transactions

Fees incurred by the Plan for investment management services are included in net unrealized gain (loss), as they are paid through revenue sharing, rather than via a direct payment from the Plan or the Company. As described in Note 2, the Plan made direct payments during 2019 and 2018 to the third-party administrator of \$3,124 and \$2,670, respectively. The Company pays directly any other fees related to the Plan's operations.

BALL, BOUNCE & SPORT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note 7: Reconciliation of Financial Statements to Form 5500

For the years ended December 31, 2019 and 2018 the following differences exist between the audited financial statements (prepared on the accrual basis) and the Form 5500 (prepared on the cash basis):

	<u>2019</u>	<u>2018</u>
Net assets per the Form 5500	\$ 5,032,622	\$ 3,742,059
Adjustments for:		
Contributions receivable	17,986	25,263
Distributions payable	<u>(4,921)</u>	<u>-</u>
Net assets available for benefits per these financial statements	<u>\$ 5,045,687</u>	<u>\$ 3,767,322</u>

Note 8: Distributions Payable

For the year ended December 31, 2019, distributions payable represents funds returned during the year to the plan in the form of a stale distribution check. Such funds are in the process of being distributed to the separated participant.

Note 9: Prohibited Transactions

During the years ended December 31, 2018 the Company inadvertently failed to make ten deposits of participant contributions within the required timeframe as stated by the DOL. Management worked directly with the DOL to make the appropriate corrections for the lost earnings related to the late deposits.
