LEMLE & WOLFF, INC. 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note A - Description of Plan

The following description of Lemle & Wolff, Inc. ("Company") 401 (k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Trustees is responsible for oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions. Each year, participants may contribute an amount equal to 1% to 20% of the participant's eligible compensation. A participant may elect to make these contributions on a pre-tax basis pursuant to Section 401(k) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make matching contributions equal to a discretionary percentage, to be determined by the Company, of the participant's salary reductions.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan earnings; and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is 100% vested upon entering the Plan.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $500 up to the maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's vested account balance and bear interest at the prime lending rate plus 1%. Principal and interest is paid ratably through payroll deductions per pay period. All loans are repaid within a period of five years, except loans for the participant's principal residence which must be repaid within a period of no more than thirty years. Due to Covid-19, participant borrowing amount was increased up to $100,000 or up to 100% of vested account balance. *See Subsequent Events Note K* for more detail.

Note A - Description of Plan (Continued)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant will be entitled to 100% of his/her account balance. Distributions may be made as a lump sum or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures. Forfeitures of contributions other than matching contributions will be added to the employer's contribution under the Plan. Forfeitures of matching contributions will be used to reduce the employer's matching contribution.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note B - Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan has no excess contributions in Plan year 2019.

Payments of Benefits

Payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note C - Plan Termination

Although the Company has not expressed any intent to do so, the management has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note E - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Note G - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a determination letter dated April 24, 1998, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to December 31, 2017.

LEMLE & WOLFF, INC. 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

Note I - Related-Party Transactions and Party in Interest Transactions

All Plan investments are managed by Morgan Stanley. Morgan Stanley is the recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Effective January 1, 2018, ADP provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Morgan Stanley. Morgan Stanley receives revenue from mutual fund service providers for services Morgan Stanley provides to the funds. This revenue is used to offset certain amounts owed to Morgan Stanley for its administrative services to the Plan.

If the revenue received by Morgan Stanley from such mutual fund service providers exceeds the amount owed under the MSA, Morgan Stanley remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2019, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Morgan Stanley for administrative expenses not covered by revenue sharing.

The following expenses incurred by the Plan but paid by the Plan sponsor are as follows:

December 31,	2019	2018
Preparation of Financial Statements of Lemle & Wolff, Inc. 401 (k) Plan.	$ 12,000	$ 12,000
Total Expenses	$ 12,000	$ 12,000

Note J - Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note K – Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through October 14, 2020, the date the financial statements were available to be issued. There are subsequent events related to the COVID-19 pandemic as follows:

Note K – Subsequent Events (Continued)

In March 2020, the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) as a global pandemic and the virus has continued to spread throughout the United States. The pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

On March 27, 2020, the "Coronavirus Aid Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several available relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to $100,000;
- Increase the available loan amount to the lesser of $100,000 or 100% of the participants vested account balance;
- Permit COVID-19 impacted participants to take out loans while on furlough; and
- Extend the period of loan repayments, if applicable, up to one year.
