Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the custodian of the Plan. Their report, dated October 8, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

UNITED PRODUCERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

1. DESCRIPTION OF THE PLAN

The following brief description of the United Producers, Inc. Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) and profit sharing plan established by United Producers, Inc. ("Company" or "Employer"). The Plan is a defined contribution plan which includes salary deferral features of Section 401(k) of the Internal Revenue Code. The Plan is intended to meet the requirements of a qualified plan under Section 401(a) of the Internal Revenue Code. Effective January 1, 1990, the Plan provides for retirement benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of United Producers, Inc. who have completed one year of service with a minimum of 1,000 hours and are 21 years of age or older are eligible to participate in the Plan, subject to certain requirements.

Contributions

Participants are permitted to make salary deferral contributions up to the lesser of 100 percent of their compensation or Internal Revenue Service (IRS) deferral limits. Participants over 50 years of age before the end of the Plan year are eligible to make catch-up contributions. Currently, the Employer matches 40 percent of the amount contributed by the employee up to 5% of employee compensation. Participants direct the investment of their contributions into various mutual fund and other options offered by the Plan. Additional profit sharing amounts may be contributed at the discretion of the Employer; however, there were no such contributions made to the Plan in 2019.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contribution as well as Plan earnings and charged with an allocation of any administrative expenses paid for by the Plan. Allocations are based on participant's earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in salary deferral contributions as well as income allocations relating to such contributions. Participants are also vested immediately in the Company's match and profit sharing contributions.

UNITED PRODUCERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Notes Receivable from Participants

Each participant can obtain a note between \$1,000 and the lesser of 50% of the participant's account balance or \$50,000. The loan term may not exceed five years unless such loan is for the purpose of the participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid during each pay period through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant is eligible to receive a lump sum payment equal to the participant's account balance. For a participant whose account balance is less than \$5,000, the account is automatically rolled to an individual retirement account. For a participant whose account balance is less than \$1,000, the participant automatically receives a lump sum payment equal to the participant's account balance.

Administrative Expenses

The Company absorbs significant costs associated with the administrative expenses of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting. That basis differs from accounting generally accepted in the United States of America in that contributions and investment income are recorded when received by the Plan and expenses are recorded when paid. The modified cash basis differs from the cash basis in that investments are recorded at fair value and notes receivable from participants are recognized.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

UNITED PRODUCERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Valuation of Investments

The Plan's investments are held in mutual funds, a money market fund and a collective trust. Investments in mutual funds are valued at quoted market prices in the active market. The collective trust investments are public investment securities valued using the net asset value (NAV) provided by the investment advisor. Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Reclassifications

Certain prior year amounts disclosed in Note 4 have been restated at net asset value (NAV) as a practical expedient in the current year presentation. There was no change to net assets as a result of this reclassification.

Tax Status

The Plan is based on a volume submitter plan which has received a favorable opinion letter from the Internal Revenue Service that the volume submitter plan is designed to qualify as being exempt from Federal income taxes. The Plan administrator has not separately applied for a determination letter from the Internal Revenue Service. However, the Plan administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2017.

UNITED PRODUCERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the Statement of Net Assets Available for Benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is October 14, 2020.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the custodian of the Plan at December 31, 2019 and 2018, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2019 and 2018, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019.

4. FAIR VALUE MEASUREMENTS

Effective January 1, 2019, the Plan early adopted the Financial Accounting Standards Board's Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments in this ASU removed and modified certain disclosure requirements in Topic 820. As such, the fair value measurement disclosures for 2018 have been restated for these changes.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual)

UNITED PRODUCERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- *Money market fund*: Generally transact subscription and redemption activity at a \$1 stable NAV, however, on a daily basis the funds are valued at their daily NAV calculated using the amortized cost of the securities held in the fund.
- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds are held by the Plan and are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.
- *Collective trust*: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Certain administrative expenses of the Plan were paid by the Company.

The investment management fees are paid to Strategic Advisors, Inc. by the Plan. Fidelity Management Trust Company is the custodian of the Plan and Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company for these services.

6. PLAN TERMINATION

Although the Company has not expressed any intent to discontinue participation in the Plan, it has the right to terminate the Plan. All accounts of the participants shall vest and become nonforfeitable in the event the Plan is terminated, partially terminated, or contributions by the Employer are discontinued. Upon termination, the Employer shall direct the custodian regarding distribution of accounts to participants or their beneficiaries.

7. SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national and global economies. The extent to which COVID-

19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Potential impacts include, but are not limited to, investment portfolio declines and decrease in contributions due to reductions in the Company's operations. Management believes the Plan is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.
