LIFESTYLE COMMUNITIES, LTD. AND AFFILIATES 401(K) PLAN

Notes to Financial Statements
December 31, 2019 and 2018

Plan Description

The following description of the Lifestyle Communities, Ltd. and Affiliates (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan, a defined contribution plan, as amended, covers substantially all full-time employees of the Company who have completed three months of service and are age 21 or older. The Plan excludes union and nonresident alien employees of the Company from participating in the Plan. Effective January 1, 2016, the following employment classifications of the Company were excluded from participating in the Plan: server, host, door & security associate, non-lead bar back and non-lead bartender. Eligible employees may enroll in the Plan on the first day of the fiscal quarter following the date when eligibility requirements have been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a percentage of pre-tax annual compensation, as defined in the plan agreement, not to exceed the maximum dollar limitation set by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Rollover contributions are not eligible for the employer discretionary match.

At the option of the Company, a discretionary matching contribution up to 6% of participant's compensation may be made to the Plan. The Company may also make an employer discretionary contribution at the option of the Company's management. During 2019 and 2018, the Company contributed a matching contribution equal to 33% of each participant's contribution, up to 6% of the participant's bi-weekly compensation. No discretionary contributions were made in 2019 or 2018.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and allocations of Plan earnings. Participant accounts are reduced for allocations of investment advisor fees. Allocations are based on account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LIFESTYLE COMMUNITIES, LTD. AND AFFILIATES 401(K) PLAN

Notes to Financial Statements
December 31, 2019 and 2018

Plan Description (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon, is based on continuous years of service according to the following vesting schedule:

Years of Service	Vesting Percentage
1	0%
2	25%
3	50%
4	75%
5 or more	100%

Under the plan agreement, forfeitures of employer contributions resulting from termination are used to reduce future employer contributions or pay Plan expenses.

Investment Options

A participant may direct all contributions in any of the 23 investment options as allowed by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants may not have more than two outstanding notes at any time. Notes must be repaid within five years unless the note is granted to allow the participant to purchase his or her principal residence, in which case the plan administrator may allow for a longer repayment period. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. Interest rates on outstanding notes receivable ranged from 4.25% to 6.00% for the years ending December 31, 2019 and 2018, respectively. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

The Plan provides for in-service withdrawals of participant accounts for participants that have either attained age 59 ½ or are able to demonstrate financial hardship, as defined in the plan agreement. Upon termination of service due to death, disability, termination of employment or retirement, a participant's vested account balance shall be distributed as a lump sum amount.

Administrative Expenses

The Plan's administrative expenses were paid by either the Plan or the Company, as provided by the plan agreement. Other administrative fees directly related to notes receivable from participants and redemption fees are paid by the participants.

Plan Description (continued)

Forfeited Accounts

At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$17,325 and \$18,531, respectively. These accounts may be used to fund administrative services incurred by the Plan or to reduce the employer's matching contribution.

Forfeitures of \$40,689 and \$37,491 were used to fund administrative services incurred by the Plan in 2019 and 2018, respectively. There were no forfeitures used to reduce employer contributions in 2019 or 2018.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Participant contributions are recognized when due through salary withholding. Employer contributions are recognized at the time the related employee contributions are recognized.

Investment Valuation and Income Recognition

The Plan's investments consist of mutual funds, which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

LIFESTYLE COMMUNITIES, LTD. AND AFFILIATES 401(K) PLAN

Notes to Financial Statements
December 31, 2019 and 2018

Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded as soon as the participant's account is distributable.

Payment of Benefits

Benefits are recorded when paid.

Information Prepared and Certified by the Custodian (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LIFESTYLE COMMUNITIES, LTD. AND AFFILIATES 401(K) PLAN

Notes to Financial Statements
December 31, 2019 and 2018

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year-end as reported by the various fund houses to the custodian.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The mutual funds are considered Level 1 investments as of December 31, 2019 and 2018.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' accounts will become fully vested.

Parties-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the custodian, Noble Davis Consulting, Inc. is the investment advisor and record keeper of the Plan, and GBQ Partners, LLC is the auditor of the Plan, as defined in the plan agreement, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative fees paid by the Plan to parties-in-interest were \$56,733 and \$51,985 for the years ended December 31, 2019 and 2018, respectively.

Tax Status

The Plan has adopted a Volume Submitter Profit Sharing Plan, which received a favorable opinion letter from the IRS on March 31, 2014, stating that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan is relying on the IRS opinion letter and does not intend to obtain a separate determination letter for the Plan. The Plan has been amended since adopting the plan agreement. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2019 statement of net assets available for benefits.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.

Subsequent to year-end, Plan management appointed a new investment custodian and record keeper and transferred all plan assets from Mid Atlantic Trust to the newly appointed custodian.

Subsequent Events – Date of Management’s Evaluation (continued)

On March 11, 2020, the World Health Organization declared COVID-19 to be a pandemic. The outbreak of the COVID-19 pandemic has severely impacted global economic activity and caused significant volatility and negative pressure in financial markets. Because of the uncertainty impacting the financial markets during this time, management is unable to estimate the impact of the pandemic on assets of the Plan.

As a result of the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The CARES Act includes relief provisions available to tax-qualified retirement plans and their participants. This relief includes the following for qualified participants: a temporary waiver of required minimum distributions, a temporary waiver of early withdrawal penalties for COVID-19 related distributions, and a temporary increase in maximum amount for retirement plan loans. Plan management has implemented these relief clauses in June 2020.
