Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mutual of America, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Years Ended December 31, 2019 and 2018

1. DESCRIPTION OF THE PLAN:

The following brief description of the Employee Benefit Plan of Community Mental Health Centers of Warren County Inc. (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General—The Plan, which became effective January 1, 2002, is a defined contribution plan. Employees of Solutions Community Counseling and Recovery Centers (the "Sponsor"), are eligible for entry into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Prior to 2015, the Plan was called Solutions Community Counseling and Recovery Centers 401(k) Plan.

Prior to 2011, the Plan was called the Mental Health & Recovery Center 401(k) Plan, and its sponsor was Mental Health & Recovery Center of Clinton County, Inc. During 2011, Mental Health & Recovery Center of Clinton County, Inc. merged with the current sponsor and the Plan's name was changed.

Contributions—Participant contributions are limited to not exceed a dollar limit that is set by law. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. In addition, the Plan provides for Roth Elective Deferrals.

The Sponsor will make matching contribution equal to 100% of their deferrals not to exceed 3% of annual compensation to participants who have attained age 21 and completed 1,000 hours of service with the twelve month time period following their date of hire.

There is a limit placed on the percent of compensation deferred by participants. The Sponsor determines that the salary deferral percentage, the employer matching percentage, and the total defined contribution percentage comply with several tests as prescribed by law. If the tests are not met, the Sponsor reduces the contribution percentage of those individuals that exceed the limits and refunds the excess contributions to the individual.

Participant accounts—Each participant account is credited with the participant's contribution and allocations of the sponsor contributions and the plan earnings. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting—Participants are immediately vested in their salary deferrals plus actual earnings thereon.

For matching contributions, participants are 25% vested after two years of service, 50% after three years, 75% after four years, and 100% after five years. Also, matching contributions are fully and automatically vested when participants reach age 65 or are totally and permanently disabled or die.

Loans—No loans are permitted under the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies of the Plan:

Basis of accounting—The financial statements of the Plan are prepared using the accrual method of accounting.

Asset valuation and income recognition—Assets are valued at fair value. Fair value is reported by Mutual of America, the custodian, based on the market value of underlying securities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Net appreciation/depreciation in the fair value of assets represents net realized gains/losses on assets sold during the year and net unrealized gains/losses on assets held at the end of the year. These assets, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain assets, it is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

A participant may direct the investment of the portion of their account attributable to deferral and matching contributions. Thirty-six funds are available, which include large, med, and small cap funds, international funds, fixed income funds, and balanced funds. Participants may change their investment options at any time.

The individual investments that represent five percent or more of the plan's assets as of December 31, 2019 are as follows:

T. Rowe Price Blue Chip Growth	\$ 194,747
Mutual of America 2020 Retirement Fund	\$ 165,791
Mutual of America 2025 Retirement Fund	\$ 152,493
Mutual of America 2030 Retirement Fund	\$ 291,130
Mutual of America 2035 Retirement Fund	\$ 300,352
Mutual of America 2040 Retirement Fund	\$ 388,032
Mutual of America 2045 Retirement Fund	\$ 344,925
Mutual of America 2050 Retirement Fund	\$ 217,414

During the year ended December 31, 2019, the Plan's assets (including those bought, sold, and held during the period) appreciated by 537,124.

Withdrawals and payment of benefits—Withdrawals and benefits are recorded upon distribution.

Administrative expenses—Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. The Sponsor has elected to pay certain costs associated with plan administration from its operating assets.

Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. INFORMATION CERTIFIED BY THE CUSTODIAN:

All financial data related to investments used in the preparation of the statements of net assets available for benefits, statements of changes in net assets available for benefits and supplemental schedule of assets (held at end of year) have been certified as to accuracy and completeness by the Plan's custodian, Mutual of America.

4. TAX STATUS:

The Sponsor adopted a Defined Contribution Prototype Plan & Trust, for which a letter from the Internal Revenue Service has been received indicating that an employer who adopts this prototype plan will be considered to have a plan qualified under applicable sections of the Internal Revenue Code (IRC). The Sponsor has elected not to request a separate determination letter for the Plan. The Sponsor and the plan's administrator believe that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, they believe the Plan was qualified as of the financial statement date.

With few exceptions, the Plan's federal information returns are no longer subject to examination by the Internal Revenue Service for the years before 2016.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all benefits will be distributed to participants and beneficiaries in proportion to their respective account balances.

6. RELATED-PARTY TRANSACTIONS:

Certain plan investments are units of exchange traded funds managed by Mutual of America, which is the custodian as defined by the Plan and, therefore, these transactions qualified as party-in-interest transactions.

7. FAIR VALUE MEASUREMENTS:

The Plan applies accounting principles generally accepted in the United States of America (GAAP) for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. Fair value is defined as the price that would be received for an asset or paid to transfer a liability, in the principal or most advantageous market for the asset or liability, in an orderly transaction between market participants at the measurement date. GAAP establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The Plan has determined that the only material financial assets or liabilities that are measured at fair value on a recurring basis and categorized using the fair value hierarchy are investments. Investments are made up of equity securities, fixed income securities, and real estate. These investments are valued using quoted market prices for similar assets. All investments at December 31, 2019 are measured at Level 1 inputs. Significant transfers between fair levels are determined at the end of the reporting period. There were no significant transfers in 2019.

8. SUBSEQUENT EVENTS:

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus disease (COVID-19) as a global pandemic. COVID-19 is having notable impacts on general economic conditions in the United States and internationally. The impacts of COVID-19 on the Sponsor's operations and the financial results subsequent to December 31, 2019 are not available as of the date of this report.

The Sponsor evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements considered events through October 9, 2020, the date on which the financial statements were available to be issued.
