Report of Independent Auditors

To the Administrator of Tribune Company 401(k) Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Tribune Company 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018 and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2019 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Plan Description

The following brief description of the Tribune Company 401(k) Savings Plan (the "Plan") is provided for general information purposes. Plan participants should refer to the revised Plan document with amendments for complete information. As discussed below, on June 12, 2014, the Plan was frozen and participants were no longer able to contribute to the Plan while allowing for certain rollovers. On July 16, 2014, Tribune Company amended and restated its certificate of incorporation and changed its name to Tribune Media Company ("Tribune Media" or the "Company").

General

The Plan is a defined contribution plan that covers eligible salaried and hourly employees of the Company and participating subsidiaries. Separate benefit accounts are maintained for each participant.

Prior to the Freeze Date (as defined below), full-time employees (and part-time employees after one year of service) of the Company and participating subsidiaries were generally eligible to participate if they were at least 21 years of age, except for employees covered by collective bargaining agreements which do not provide for their participation in the Plan.

On January 31, 2017, the Company completed the sale of substantially all the Digital and Data business operations (the "Gracenote Sale"), which included Gracenote Inc., Gracenote Canada, Inc., Gracenote Netherlands Holdings B.V., Tribune Digital Ventures LLC and Tribune International Holdco, LLC (the "Gracenote Companies"). Accordingly, the sale of the Gracenote Companies resulted in a separation from service for those participants, who were already fully vested in their Company matching and profit-sharing contributions on January 31, 2017. Gracenote Companies participants may choose to leave his or her account balance in the Plan, roll the account into an IRA or take a distribution from the Plan, according to the rules of the Plan.

On November 30, 2018, the Company entered into an Agreement and Plan of Merger (the "Nexstar Merger Agreement") with Nexstar Media Group, Inc. ("Nexstar") and Titan Merger Sub, Inc. (the "Nexstar Merger Sub") providing for the acquisition of all of the outstanding shares of the Company's Class A common stock and Class B common stock by means of a merger of Nexstar Media Sub with and into Tribune Media Company, with the Company surviving the merger as a wholly owned subsidiary of Nexstar (the "Nexstar Merger"). The Nexstar Merger was consummated on September 19, 2019. Substantially concurrently with the Merger, Nexstar also completed the sale of the assets of 21 full power television stations in 16 markets to TEGNA, Inc., E.W. Scripps Company and Circle City Broadcasting I, Inc. In September 2019, $126,807 of participant balances related to the stations that were sold and that were previously held in the Plan transferred over to TEGNA, Inc., E.W. Scripps and Circle Broadcasting I, Inc., respectively, and are included in the Transfer of Assets in the Statement of Changes in Net Assets Available for Benefits.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan Freeze

On December 9, 2013, the Company filed a registration statement on Form 10 with the U.S. Securities and Exchange Commission for the purpose of effecting the separation of its principal publishing operations (the "Publishing Spin-Off") into an independent company, Tribune Publishing Company ("Tribune Publishing") (formerly tronc, Inc.). The Publishing Spin-Off was consummated on August 4, 2014. In connection with the Publishing Spin-Off, the Company froze the Plan on

June 12, 2014 (the "Freeze Date"), and, effective June 13, 2014, established new, separate plans for each of the Company and Tribune Publishing (the "New Plans"), including eligible employees of the Plan. After the Freeze Date, Plan participants were no longer able to make additional contributions to the Plan, although the Plan continues to accept repayment of Plan loans. Under the terms of the New Plans, account balances distributed from the Plan are not being transferred, and may not be rolled over, to either of the New Plans.

Because sponsorship of the Plan remains with the Company after the Publishing Spin-Off, the Publishing Spin-Off resulted in a separation from service of Tribune Publishing participants for Plan purposes. Accordingly, the Publishing Spin-Off resulted in partial termination of the Plan with respect to the Tribune Publishing participants, who became fully vested. Each Tribune Publishing participant had to choose to leave his or her account balance in the Plan, roll the account into an Individual Retirement Account ("IRA") or take a distribution from the Plan, according to the rules of the Plan. By contrast, participants who are employees of the Company are not treated as having separated from service with the Company and may not take a distribution or roll the account into an IRA as a result of the Publishing Spin-Off.

Chapter 11 Reorganization
On December 8, 2008, Tribune Company and 110 of its direct and indirect wholly owned subsidiaries (collectively, the "Debtors"), filed voluntary petitions for relief under Chapter 11 of title 11 ("Chapter 11") of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). On December 31, 2012, a plan of reorganization for the Debtors became effective and the Debtors emerged from Chapter 11. Pursuant to the Debtors' plan of reorganization, the Plan has been assumed by the applicable reorganized Debtor.

Plan Administration
The Plan was administered by the Tribune Media Company Employee Benefits Committee (the "Committee"), which consisted of Company employees who are appointed by the Board of Directors of the Company or by the Chairman of such Committee. Upon the consummation of the Nexstar Merger, the Tribune Committee was dissolved and, effective September 19, 2019, Nexstar Broadcasting, Inc., a subsidiary of Nexstar, assumed responsibilities for governance of the Plan. Vanguard Fiduciary Trust Company ("Vanguard") is the Plan's trustee (the "Trustee"). The Trustee is responsible for the custody of the Plan's assets and the investment management of some of the Plan's assets.

Contributions
Prior to the Freeze Date, participants could elect to make before-tax contributions of up to 100% of their compensation (as defined in the Plan) subject to Plan and Internal Revenue Service ("IRS") limits. Participants directed the investment of their contributions and continue to direct the investment of their current balances into various investment options offered by the Plan.

Effective January 1, 2004, the Plan was amended to allow the Company to make a retirement contribution to the Plan each payroll period in an amount equal to 4% of an eligible participant's compensation for that payroll period. The Plan also allowed the Company to make an annual profit sharing contribution at the discretion of the Company's board of directors each year. As of December 31, 2007, the Plan was again amended to cease the Company contribution and profit sharing contribution to the Plan except for a specific group of employees.

Effective January 1, 2010, the Plan was amended to include a matching contribution by the Company of up to 4% of an employee's eligible pay. The first 2% of employee contributions are matched dollar-for-dollar, and the next 4% of employee contributions are matched $0.50 for each

dollar contributed by the employee. The Plan was also amended to provide for an annual discretionary profit sharing allocation. If a profit sharing allocation was made, all eligible employees received it, regardless of whether or not they contributed to the Plan. Company contributions ceased at the Freeze Date.

Effective January 1, 2010, the Plan was amended to become a "safe harbor" plan, namely a "qualified automatic contribution arrangement" ("QACA") within the meaning of section 401(k)(13) of the IRC. As a safe harbor plan, employee and employer matching contributions to the Plan are deemed to be nondiscriminatory, and are no longer subject to nondiscrimination testing. Under the Plan's QACA feature, eligible employees who do not make an affirmation election to participate or not to participate, were automatically enrolled in the Plan at 3% of their compensation with 1% annual increases up to 6% (effective January 1, 2012, up to 10%) beginning in the second year after the year in which they are automatically enrolled.

Prior to the Freeze Date, participants could elect to have all or a percentage (in 1% increments) of their contributions and their share of the Company's contributions, if applicable, invested in or transferred among one or more of the investment funds. Company and employee contributions were automatically allocated to the series of Vanguard Target Retirement Funds (selected based on the participant's expected retirement age), unless the eligible participant elected to have them allocated otherwise. Participants could change how contributions were invested at any time, and these changes were effective the next pay period. Participants may make interfund transfers on a daily basis.

Participants' Accounts
Each participant's account is credited with the participant's contribution and Company matching contributions (through the Freeze Date) and allocations of (a) Company profit sharing contributions, if applicable (through the Freeze Date) and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant elections or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are, at all times, 100% vested in their own contributions. All participants generally become fully vested in the Company's matching contributions and profit sharing contributions after two years of service. Different vesting schedules apply for other employer contributions. Full vesting is provided in certain instances regardless of a participant's period of service.

Forfeited Accounts
Forfeitures of terminated unvested account balances are used to reduce future employer contributions or pay administrative expenses at the Committee's discretion. Unallocated forfeiture balances as of December 31, 2019 and 2018 were $52,913 and $112,698, respectively. The Company used $176,191 of forfeitures during 2019 to pay administrative expenses and plans to use future forfeitures in the same way.

Payment of Benefits
Participants who have attained age 59½ or who are totally and permanently disabled may, in most instances, elect to withdraw their vested account balances through notice to the Company at any time.

Participants may make withdrawals of any part or all of the balance in their before-tax contribution accounts (excluding certain earnings), prior to termination, in order for the participant to meet an immediate and significant financial need for which a withdrawal would be permitted by IRS regulations.

Distributions of account balances are generally made to participants in a lump-sum cash payment.

Notes Receivable from Participants
The Plan permits participants to borrow from their accounts. The minimum amount that can be borrowed is set by the Committee at their discretion. The maximum amount is equal to the lesser of (a) $50,000 less the highest outstanding loan balance during the most recent 12 month period or (b) 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's outstanding loan balance. Loan terms range from one to five years. Participants are eligible for a second loan, including a loan related to the purchase of a principal residence. Principal residence loan terms range from 5 to 30 years. The loans are secured by the balance in the participant's account. The interest rate for a loan is the prime rate on the last business day of the month prior to loan inception and is fixed for the life of the loan. Principal and interest are paid ratably through payroll deductions. The interest rates on notes receivable from participants outstanding at December 31, 2019 and 2018 ranged from 3.25% to 10.00%.

In connection with the Publishing Spin-Off and the Gracenote Sale, participants who had outstanding loans could not continue to make loan payments through payroll deductions after the Publishing Spin-Off and the Gracenote Sale, respectively. Participants had to arrange repayment directly with the Trustee within 60 days of each respective transaction. If participants did not arrange repayment of his or her loan with the Trustee within 60 days, the loans defaulted and the outstanding balance was treated as a distribution and subject to regular income tax and a corresponding penalty (if applicable). No future loans are permitted for these participants, but participants may take a lump sum distribution of the full account balance from the Plan anytime on or after the date of each respective transaction, or roll the account into an IRA, subject to terms and conditions of the Plan and applicable taxes and penalties.

Plan Amendment or Termination
The Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their employer contributions and distributions will be made in accordance with the provisions of ERISA.

2. Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Investment Valuation and Income Recognition
The Plan's investments in the Tribune Company Master Retirement Savings Trust (the "Master Trust") are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

The fair value of the Plan's interest in the Master Trust is based on the specific interest that each plan has in the underlying investments of the master trust.

Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold and unrealized gains and losses on investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits
Distributions are recorded when paid. There were no benefit claims that have been processed and approved for payment prior to December 31, 2019, but not yet distributed as of that date.

Administrative Expenses
Substantially all of the administrative and recordkeeping expenses incurred in connection with the Plan are paid by the Plan and allocated per capita to each participant. The amount is reflected on each participant's quarterly statement. Administrative expenses paid to Vanguard for trustee and record keeping services were $314,142 in 2019. Investment related expenses are included in Plan interest in net investment income of the Master Trust.

New Accounting Pronouncements
In February 2017, the FASB issued ASU NO, 2017-06, "Employee Benefit Plan Master Trust Reporting". ASU 2017-06 clarifies the presentation requirements of a plan's interest in a master trust and requires more detailed disclosures of the plan's interest in the master trust. The amendments in ASU 2017-06 are effective for fiscal years beginning after December 15, 2018, with early adoption permitted. Application of these amendments require retrospective application for all periods presented. The Plan adopted ASU 2017-06 as of the year ended December 31, 2019. Additional disclosures are presented in Note 4 as a result of this adoption.

3. Transfers of Assets

Certain Plan participants who were formerly employees of The Times Mirror Company, the Los Angeles Times, Matthew Bender & Company, Inc., Achieve Global, Inc., The Morning Call, Inc., Newsday and Times Mirror Magazines, Inc. have accounts in the Plan that hold investments attributable to The Times Mirror Employee Stock Ownership Plan (the "Times Mirror ESOP"). Benefits under the Times Mirror ESOP are coordinated with participants' defined-pension benefits held in the Tribune Company Cash Balance Pension Plan ("Cash Balance Pension Plan"). Under this arrangement, a participant receives a pension benefit equal to the greater of his or her applicable pension benefit amount or the annuity equivalent of the participant's Times Mirror ESOP account balance. At retirement, if a participant does not affirmatively elect to receive his Times

Mirror ESOP account balance as a lump sum distribution, the participant's Times Mirror ESOP account balance will automatically be transferred to the Cash Balance Pension Plan in accordance with procedures established by the Plan administrator. Transfers of assets represent Times Mirror ESOP account balances that were transferred from the Plan to the Cash Balance Pension Plan of which $1,305,103 was transferred in 2019 and $2,135,415 was transferred in 2020 but related to account balances as of December 31, 2019.

4. Interests in Tribune Company Master Retirement Savings Trust

A portion of the Plan's assets are invested in the Master Trust, which was established for the investment of assets of the Plan and several other Tribune Company sponsored retirement plans. Each participating retirement plan owns units of the Master Trust. The assets of the Master Trust are held by the Trustee. Investment income and administrative expenses related to the Master Trust are allocated to the individual plans based upon balances invested by each plan.

The following table presents the fair values of investments and investment income for the Master Trust at December 31, 2019 and 2018, respectively, and for the year ended December 31, 2019.

	2019	
	Master Trust Balances	**Plan's Interest in Master Trust Balances**
Investments at fair value		
Registered investment companies	$ 771,310,772	$ 715,826,226
Commingled investment trust	48,407,901	44,257,550
	$ 819,718,673	$ 760,083,776

	2018	
	Master Trust Balances	**Plan's Interest in Master Trust Balances**

Commingled investment trust	46,832,914	42,707,860
	$ 812,174,985	$ 748,721,389

Investment income	
Net appreciation in fair value of registered investment companies	$ 128,133,835
Net appreciation in fair value of commingled investment trust	12,379,675
Interest and dividends	23,418,564
Total investment income	$ 163,932,074

5. Fair Value Measurements

The actuarial present value of accumulated plan benefits and the changes in the actuarial present value of accumulated plan benefits are as follows:

ASC TOPIC 820 “Fair Value Measurements and Disclosures” (“ASC 820”) establishes a framework for measuring fair value and expands disclosures about fair value measurements. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs that are supported by little or no market activity that are significant to the fair value of the assets or liabilities.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Registered Investment Companies
Registered investment companies consist of investments in mutual funds. Mutual funds are valued based on exchange listed prices, for exchange traded registered investment companies, or the Net Asset Value ("NAV") for open-ended and continuously offered closed-end registered investment companies.

Commingled Investment Trust
The commingled investment trust consists of a pool of investments used by institutional investors to obtain equity market exposures by investing in funds which are intended to mirror market indices. It is valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets in the respective commingled trust. The funds are valued using NAV as provided by the investment account manager as a practical expedient. The commingled investment trust included in the Master Trust is the Fidelity Diversified International Commingled Pool.

The table below reports by level, within the fair value hierarchy, the Master Trust investment assets at fair value as of December 31, 2019 and 2018. As required by ASC 820, the assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Tribune Company Master Trust for Retirement Savings Trust				
Registered investment companies	$ 771,310,772	$ -	$ -	$ 771,310,772
Total Master Trust investment assets at fair value	$ 771,310,772	$ -	$ -	771,310,772
Commingled investment trust measured at NAV as practical expedient[1]				48,407,901
Total Tribune Company Master Retirement Savings Trust assets				$ 819,718,673

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Tribune Company Master Trust for Retirement Savings Trust				
Registered investment companies	$ 765,342,071	$ -	$ -	$ 765,342,071
Total Master Trust investment assets at fair value	$ 765,342,071	$ -	$ -	765,342,071
Commingled investment trust measured at NAV as practical expedient[1]				46,832,914
Total Tribune Company Master Retirement Savings Trust assets				$ 812,174,985

[1] Commingled investment trusts that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of fair value to the total value of plan assets.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan transferred assets from a registered investment company into a commingled investment trust during 2018. There were no transfers of assets between the levels in 2019 and 2018.

The following table summarizes the investment at fair value based on NAV per share as of December 31, 2019 and 2018:

December 31, 2019	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Commingled investment trust	$ 48,407,901	$ -	Daily	None required

December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Commingled investment trust	$ 46,832,914	$ -	Daily	None required

6. Income Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated March 31, 2017, which considered amendments executed through December 23, 2015, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended subsequent to December 23, 2015. However, the Plan's ERISA counsel believes that the Plan is designed to comply with, and the Company believes the Plan is currently being operated in material compliance with, the applicable requirements of the IRC and is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's tax exempt status.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

7. Related Party Transactions

As described in Note 1 and 2, certain Plan investments are managed by the Trustee and the Plan paid the Trustee for certain expenses related to plan operations, therefore, these Master Trust transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. See Note 4 and Schedule H, Line 4i: Schedule of Assets (Held at End of Year).

8. Risks and Uncertainties

The Plan provides for various investment options in several investment securities and instruments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks and values will occur in the near term and that the effect of such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

9. Other Matters

The Plan has been named as a defendant in an action entitled *Deutsche Bank Trust Company v. Ohlson Enterprises, et al.* ("*Deutsche Bank*"). Although this action was originally filed in the Northern District of Illinois on June 2, 2011, the Plan was not named as a defendant until the plaintiff filed its Third Amended Complaint on March 6, 2012. The Plan was served on March 9, 2012. The litigation has been consolidated as part of the "multi-district litigation" in the U.S. District Court for the Southern District of New York. This action, based on state law constructive fraudulent conveyance claims, was brought by Tribune Company creditors against shareholders whose shares were redeemed in connection with the leveraged buyout of the Tribune Company in 2007.

Defendant's Motion to Dismiss certain state law claims in *Deutsche Bank* was granted by the District Court on September 23, 2013. On March 29, 2016, the United States Court of Appeals for the Second Circuit (the "Second Circuit"), in a unanimous opinion, affirmed the District Court's dismissal of the state law claims on alternative grounds. On April 12, 2016, the plaintiff asserting the state law claims filed a petition for rehearing of the Second Circuit's decision en banc. On July 22, 2016, the Second Circuit denied that petition. On September 9, 2016 the plaintiff filed a petition for a writ of certiorari in the United States Supreme Court. On April 3, 2018, Supreme Court Justices Kennedy and Thomas issued a Statement indicating that consideration of the petition for certiorari in *Deutsche Bank* "will be deferred for an additional period of time" because of the possibility that "there might not be a quorum" of Justices available to consider those cases. The Statement also said that this deferral would allow the Second Circuit or the District Court to consider whether to recall the mandate, entertain a motion to vacate the earlier judgment, or provide any other available relief in light of the Supreme Court's decision in another case, *FTI Consulting, Inc. v. Merit Management Group* ("*Merit Mgmt.*"), 830 F.3d 690 (7th Cir. 2016). On April 10, 2018, the plaintiff in *Deutsche Bank* filed a motion requesting that the Second Circuit recall its mandate, vacate its affirmation of the District Court's dismissal of their claims, and remand *Deutsche Bank* to the District Court for further proceedings. On April 20, 2018, members of the Executive Committee of defendants in *Deutsche Bank* filed an opposition to plaintiff's motion. On May 15, 2018, the Second Circuit issued an Order recalling its mandate "in anticipation of further panel review." On December 19, 2019, the Second Circuit affirmed its prior dismissal of the plaintiff's claims. On January 2, 2020, the plaintiff filed a motion requesting that the Second Circuit panel reconsider its ruling or that the full Second Circuit review the opinion en banc. On February 6, 2020, the Second Circuit denied that motion. On July 6, 2020, the plaintiffs filed a further petition for a writ of certiorari in the U.S. Supreme Court. The defendants filed a brief in opposition with the U.S. Supreme Court on August 26, 2020. The case will be listed for consideration by the Supreme Court beginning on September 29, 2020.

Defendants also filed a global Motion to Dismiss all federal law claims against shareholder defendants (including the Master Trust) in *FitzSimons* on May 23, 2014. On January 6, 2017, the District Court granted the shareholder defendants' Global Motion to Dismiss (which includes claims against the Master Trust). On April 4, 2019, *FitzSimons* plaintiff filed a motion to amend his complaint to add constructive fraudulent conveyance claims against shareholder defendants (including the Master Trust). On April 23, 2019, the District Court denied that motion. On July 15, 2019, *FitzSimons* plaintiff filed a notice of appeal to the Second Circuit for these *FitzSimons* District Court rulings. The parties have briefed the issues on appeal, and the Second Circuit heard oral argument on August 24, 2020. The case remains pending.

The amount in respect of the transfers alleged by the lawsuits to have been made to the Master Trust and that would be allocable to the Plan is approximately $458,264,328.

The Plan intends to continue to respond vigorously to the claims and to pursue all available defenses, including defenses specific to the Plan's particular organizational structure and status as an ERISA-covered retirement plan. Separate legal counsel has been retained and is representing the Plan.

10. Information Certified by the Trustee

The Plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the financial statements, notes to the financial statements and supplemental schedule is complete and accurate:

- Plan interest in the Master Trust, at fair value, as shown in the Statements of Net Assets Available for Benefits.
- Notes receivable from participants as shown in the Statements of Net Assets Available for Benefits.
- Plan interest in net investment income of the Master Trust, as shown in the Statement of Changes in Net Assets Available for Benefits.
- Interest from notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits.
- Investment and investment income amounts, as shown in Notes 4 and 5, related to the Master Trust.
- Schedule H, Line 4i: Schedule of Assets (Held at End of Year), December 31, 2019.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

11. Subsequent Events

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, which continues to spread throughout the United States and the world and has caused business disruptions and adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. There is significant uncertainty around the duration and the overall impact on economic and market conditions. The business disruption and declines in financial markets has had and may continue to have a material adverse effect on the Plan's net assets available for benefits and results for 2020. However, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time.

Due to COVID-19, the Coronavirus Aid Relief, and Economic Security Act ("CARES" Act) was enacted in 2020. Portions of the CARES Act make changes to existing law including relating to the amount and circumstances permitting penalty-free distributions. The administrator of the Plan is currently evaluating the CARES Act to determine if changes to the Plan are necessary as a result.

The Plan has evaluated subsequent events through October 2, 2020, the date the financial statements were available to be issued.
