Independent Auditor's Report

Board of Directors
The Aulick Employee Retirement Plan
Scottsbluff, Nebraska

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Aulick Employee Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As described in Note 7 to the financial statements, the governing body of The Aulick Employee Retirement Plan approved a plan of termination on November 14, 2019. As a result, all assets of the Plan were transferred to another plan on December 31, 2019. Our report is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Aulick Employee Retirement Plan Note to Financial Statements

NOTE 1 – PLAN DESCRIPTION

The following description of The Aulick Employee Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Organization

The Plan is a defined contribution plan sponsored and administered by Aulick Leasing Corp. ("Plan sponsor" and "employer") for its employees. Related employers who also participate in the Plan include Original Equipment Co.; Aulick Manufacturing, Inc. and ShirAul, LLC. The Plan was started and became effective January 1, 2005. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has designated John Hancock Life Insurance Company (the "Custodian") as custodian of the Plan assets. Under the terms of the trust agreement between the Custodian and the Plan, the Custodian invests funds of the Plan in investment pools at approximate percentage guidelines as specified by the Plan's sponsor or as directed by the Plan participants.

Eligibility

Eligibility for participation in the Plan is based upon a minimum attained age of 18 years and completion of one year of eligible service.

Participant Contribution

Participants may make elective contributions to either a Pre-tax 401(k) salary deferral or a Roth 401(k) salary deferral of a percentage of their total eligible compensation, provided that the contribution does not exceed annual limitations set by the Internal Revenue Service.

Employer Contributions

The employer makes safe harbor matching contributions of 100% of employees' salary deferral amounts on the first 3% and 50% of the next 2% of employees' compensation. In addition, the employer may make profit-sharing contributions. Employer profit-sharing contributions are discretionary as determined by the employer's Board of Directors. The employer did not make any profit-sharing contributions during the year ended December 31, 2019.

Participant Accounts

Each participant's account is credited with the participant's elective contributions, a proportional allocation of the employer discretionary contributions, and investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are allowed to direct contributions to the various funds offered by the Plan.

Note to Financial Statements**

NOTE 1 – PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings there on.

Participants vest in profit sharing contributions portion of their accounts plus earnings thereon based on years of continuous service. A participant is fully vested after five years of continuous service or once they attain normal retirement age.

Payment of Benefits

The accounts of participants who leave the employment of the Plan sponsor are paid by the trustee in accordance with the various options defined in the Plan.

Forfeited Accounts

At December 31, 2019 and 2018, there were no forfeited nonvested accounts. Forfeited accounts will be used to reduce future employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

Investment Valuation and Income Recognition

The investments are reported at fair value as provided by John Hancock. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan has designated certain company stockholders and management as trustees of the Plan, and they determine the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

All administrative expenses of the Plan are paid for by the Plan out of the participant accounts.

Benefits

Benefit payments to participants are recorded upon distribution.

**The Aulick Employee Retirement Plan
Note to Financial Statements**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through September 29, 2020, the date these financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results may differ from those estimates.

Federal Income Taxes

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Benefit Plans, Inc. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2019 and 2018, and net appreciation in fair value of investments for the year ended December 31, 2019, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (the custodian of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**The Aulick Employee Retirement Plan
Note to Financial Statements**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note to Financial Statements

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

Assets at Fair Value as of December 31, 2019

	Level 1	Total
Mutual funds	\$ -	\$ -
Total assets in the fair value hierarchy	\$ -	-
Investments measured at NAV*		-
Total investments		\$ -

Assets at Fair Value as of December 31, 2018

	Level 1	Total
Mutual funds	\$ 6,545,852	\$ 6,545,852
Total assets in the fair value hierarchy	\$ 6,545,852	6,545,852
Investments measured at NAV*		352,624
Total investments		\$ 6,898,476

* In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy table to the fair value of investments presented in the statements of net assets available for benefits.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization or relatives of such persons.

Certain Plan investments are shares of mutual funds managed by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Company provides certain administrative services at no cost to the Plan.

The Aulick Employee Retirement Plan
Note to Financial Statements

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – TERMINATION OF THE PLAN

In April 2019, Aulick Leasing Corp. and ShirAul, LLC were purchased by TForce International and on November 14, 2019, Plan sponsor approved the termination of The Aulick Employee Retirement Plan and merger of Plan participants into the TForce Holdings USA, Inc. 401(k) Plan, effective December 31, 2019. As of December 31, 2019, all account balances were transferred from the Plan into the TForce Holdings USA, Inc. 401(k) Plan.
