Plan Participants and Plan Administrator
The Bernie Moreno Companies Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Bernie Moreno Companies Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 30, 2019 (in liquidation), and the related statement of changes in net assets available for benefits for the period from January 1, 2019, through date of liquidation, December 30, 2019 (in liquidation), and the statement of net assets available for benefits as of December 31, 2018 (ongoing), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company and Massachusetts Mutual Life Insurance Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Reliance Trust Company and Massachusetts Mutual Life Insurance Company hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the trustees as of December 30, 2019, and December 31, 2018, and for the period from January 1, 2019, through date of liquidation, December 30, 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, Plan management of Bernie Moreno Companies, the plan sponsor, approved a plan of liquidation in September 2019, effective on December 1, 2019, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2018 financial statements to the liquidation basis used in presenting the 2019 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

We were engaged to audit the accompanying financial statements of The Bernie Moreno Companies Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 30, 2019 (in liquidation), and the related statement of changes in net assets available for benefits for the period from January 1, 2019, through date of liquidation, December 30, 2019 (in liquidation), and the statement of net assets available for benefits as of December 31, 2018 (ongoing), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company and Massachusetts Mutual Life Insurance Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Reliance Trust Company and Massachusetts Mutual Life Insurance Company hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the trustees as of December 30, 2019, and December 31, 2018, and for the period from January 1, 2019, through date of liquidation, December 30, 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, Plan management of Bernie Moreno Companies, the plan sponsor, approved a plan of liquidation in September 2019, effective on December 1, 2019, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2018 financial statements to the liquidation basis used in presenting the 2019 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The Bernie Moreno Companies Retirement Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Bernie Moreno Companies dba Collection Auto Group (the Company), who have reached the age of 18. Once eligible, employees may enroll in the Plan on the first day of each Plan quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator oversees governance of the Plan. The Plan's investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan administrator.

Termination of Plan

Effective April 1, 2019, participant and employer contributions into the Plan were ceased. During September 2019, the plan sponsor made the decision to terminate the Plan and started distributing account balances. The plan of liquidation was effective December 1, 2019, and the final distributions were distributed according to participant elections and Plan provisions by December 30, 2019.

Contributions

Participants could make voluntary pre-tax and Roth contributions up to 100% of their eligible compensation as defined in the Plan. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company was required to make safe harbor matching contributions equal to 100% of the first 3%, and 50% of the next 2% of the compensation that a participant contributed to the Plan, as defined. The Company could also authorize discretionary profit sharing contributions to the Plan. These profit sharing contributions were funded in the year subsequent to their authorization. There were no profit sharing contributions authorized for 2019. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account was maintained for each participant. Each participant's account was credited with the participant's contributions, rollover contributions, allocations of the Company's contributions, and Plan earnings or losses, as defined by the Plan agreement. Allocations of the Company's profit sharing contributions were paid at a uniform percentage of participant compensation, as defined, and required a participant to be employed on the last day of the Plan year or, if terminated, require a participant to have had 501 hours of service during the year. Plan earnings or losses were allocated daily based on each participant's account balance. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account. Upon Plan termination, participants were immediately 100% vested in all employee and Company contributions, plus actual earnings or losses thereon.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants could borrow money within certain limits from their individual accounts. The notes were secured by the balance in the participant's account. The loan interest rate, determined at inception, was set at Prime (4.75% and 5.50% at December 30, 2019, and December 31, 2018, respectively), plus 1%, as defined, in accordance with the Plan's loan policy. Principal and interest were paid ratably through payroll deductions.

Payment of Benefits

Upon termination of the Plan, participants received a lump-sum distribution equal to his or her account balance. If the participant's account balance was between \$1,000 and \$5,000, the plan administrator made an automatic rollover of the account balance to a qualified individual retirement account. If the participant's account balance was less than \$1,000, the plan administrator directed the trustee to make a lump-sum distribution. Prior to termination of the Plan, distributions of a participant's 401(k) account balance could be authorized by the plan administrator under certain hardship conditions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The 2019 financial statements of the Plan have been prepared on the liquidation basis of accounting and the 2018 financial statements have been prepared on the going concern basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits – in liquidation and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan assets were liquidated by close of business on December 30, 2019. As of December 31, 2018, investments were reported at fair value as reported by Reliance Trust Company (Reliance) and Massachusetts Mutual Life Insurance Company (MassMutual), the trustees of the Plan (except for fully benefit-responsive investment contracts, which were reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determined the Plan's valuation policies utilizing information provided by the investment advisers and the trustees. See Note 4 for discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year.

Assets of the Plan were held in separate accounts of a trust administered by Reliance and MassMutual, representing investments in mutual funds and a guaranteed investment contract.

Investments of participant's contributions and the Company's contributions into these investments were at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when incurred. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced, and the delinquent participant note receivable was recorded as a benefit payment based on the terms of the Plan document. All outstanding notes receivable from participants were repaid in conjunction with final distributions upon Plan termination.

Payment of Benefits

Benefits were recorded when paid.

Plan Expenses

The Plan's administrative expenses were paid either by the Plan or the Company as provided by the Plan agreement. Expenses that were paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 30, 2019, and December 31, 2018, and for the period from January 1, 2019, through liquidation, December 30, 2019, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through October 15, 2020, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

3. INFORMATION CERTIFIED BY TRUSTEES

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Reliance and MassMutual, the trustees.

Reliance and MassMutual have certified as to the completeness and accuracy of the investments they held, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2018, and changes in net assets arising from investment activity for the period from January 1, 2019, through the date of liquidation, December 30, 2019.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access |
| Level 2 | Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means |
| Level 3 | Inputs are significant and unobservable (including the Plan's own assumptions used to determine value) |

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value at December 31, 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method was appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Assets measured at fair value were comprised of Level 1 mutual funds at December 31, 2018, totaling \$7,155,026.

The Plan did not hold any Level 3 assets during 2019.

5. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan had a fully benefit-responsive investment contract with MassMutual. MassMutual maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract met the fully benefit-responsive criteria and, therefore, was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The crediting interest rate was based on a formula established by the issuer and could not be greater than 3% or less than 1%. Such interest rates were reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract was dependent on the third-party issuer's ability to meet its financial obligations.

The guaranteed investment contract with MassMutual was terminated effective December 1, 2019, and all funds were distributed as of December 30, 2019.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by MassMutual. MassMutual was a trustee and recordkeeper as defined by the Plan and, therefore, such transactions qualified as party-in-interest transactions.

MassMutual provided certain administrative services to the Plan pursuant to an Administrative Plan Services Agreement (ASA) between the Company and MassMutual. MassMutual received revenue from mutual fund service providers for services MassMutual provided to the funds. This revenue was used to offset certain amounts owed to MassMutual for its administrative services to the Plan.

If the revenue received by MassMutual from such mutual fund service providers exceeded the amount owed under the ASA, MassMutual would remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2019, there were no excess amounts. The Plan or the Company could make a payment to MassMutual for administrative expenses not covered by revenue sharing.

NOTES TO THE FINANCIAL STATEMENTS

7. TAX STATUS

The Plan adopted a volume submitter plan provided by MassMutual. MassMutual received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC.
