Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ALKON CORPORATION PROFIT SHARING PLAN & TRUST, which comprise the statement of net assets available for benefits as of December 31, 2019, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Bank, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the custodian, is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedule

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the accompanying table of contents, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 FR 2520-103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Charles Schwab Bank, the custodian of the Plan. Their report, dated October 11, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the Alkon Corporation Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution Plan covering all eligible employees of Alkon Corporation and Star Hydraulics LLC (collectively the "Company" or "Employer") who meet minimum age and service requirements. For employee salary deferrals and employer matching contributions, the employee must have attained age 21 and completed one year of service. Payroll deferrals may begin on the first day of the Plan year quarter following the date when eligibility requirements are satisfied. For the employer profit sharing contributions, the employee must have completed at least 1,000 hours of service during the first twelve consecutive months of employment with the Company, and be a participant on the last day of the Plan year.

The Plan has adopted an automatic deferral election, where upon becoming eligible to make salary deferrals, the employee will become a Participant in the Plan, and will be deemed to have entered into a salary deferral election at a rate of four percent. Employees have an option to opt out from this automatic enrollment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Salary Deferral and Roth Contributions

Employees may elect to contribute up to 100% of pre-tax or post-tax annual compensation as defined in the Plan to a maximum of \$19,000 for 2019 and \$18,500 for 2018. Participants who are at least age 50 may make additional "catch-up" contributions of \$6,000 for 2019 and 2018. The additional contribution is permitted once the participant's maximum contribution has been reached.

Employer Matching

Matching contributions are discretionary and are determined as a percentage of salary deferrals employees make during the year or a uniform dollar amount. The Company made matching contributions of \$150,532 for 2019 and \$127,579 for 2018.

Profit Sharing Contribution

The Company reserves the right to make an elective contribution each year, and allocate it to participants' accounts based on a uniform formula based on compensation. For the Plan year ended December 31, 2019 and 2018, the Company did not elect to make a profit sharing contribution.

Rollover Contributions

The Plan may receive rollover contributions on behalf of an employee. Acceptance of a rollover contribution shall be subject to the approval of the Plan administrator, and in accordance with the Plan Document.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

3. Participant Accounts - Each participant's account is credited with the participant's contributions, the Company's matching contributions, an allocation of the Company's elective profit sharing contribution, and Plan earnings. Earnings are allocated based on account balances.
4. Investment Options - Participants direct the investment of their account balance and future contributions into various investment options offered by the Plan. Upon enrollment in the Plan, a participant may select any combination of investment options consisting of registered investment companies (mutual funds) and a group annuity contract. Participants may change their investment options at any time.
5. Vesting - Participants are immediately vested in their salary deferrals and rollover contributions, plus actual earnings thereon. Vesting in profit sharing and matching contributions is based on years of continuous service. A participant is 100 percent vested after four years of credited service. Participants become fully vested after reaching early retirement age, and upon termination of service due to death or disability.
6. Notes Receivable from Participants - Participants may borrow from their vested account balances up to a maximum of the lesser of \$50,000 or 50 percent of their available balance, as prescribed in the Participant Loan Program. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant note fund. Loan terms range from one to five years, unless the proceeds of the loan are used to purchase a primary residence. Loans are secured by balances in the participants' accounts. Interest rates on all outstanding loans were 3.50% - 5.5%. Principal and interest are paid ratably through periodic payroll deductions, or by personal checks received from terminated employees.
7. Payments of Benefits - Upon termination of employment, a Participant may elect to receive a lump-sum distribution of his/her entire vested account balance, a partial lump-sum, or an installment distribution in accordance with the Plan Document. Participants who are still employed by the Company have an option to request a hardship distribution. In service distributions are permitted by the Plan for eligible participants.
8. Forfeitures - Forfeitures are used to pay Plan expenses, and to reduce employer and/or matching contributions. Additionally, forfeitures could be used to restore the non-vested portion of the account balance for Participants who resume employment with the Company within certain time limits. Forfeitures available for future use are \$802 as of December 31, 2019 and \$18 as of December 31, 2018.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)
NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2019 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of the defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments, other than the Standard Stable Asset Fund A, are stated at fair value at December 31, 2019 and 2018. If available, quoted market prices are used to value investments. Investments having no quoted market price are reflected at their estimated fair value as determined by the investment manager. Investments in mutual funds are valued at the net asset value of shares held by the Plan at year-end.

The Standard Stable Asset Fund A (Fund) is a group annuity contract that meets the five conditions to be considered fully benefit-responsive. The Fund is stated at contract value (principal balances of the contracts, plus accrued interest at the stated rate, less payments received and contract charges by the insurance company), which is approximate fair value, as determined by Charles Schwab. The contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The market yield for the underlying investments in the Fund was 2.68% for 2019 and 2.53% in 2018.

Market value events may limit the ability of the Fund to transact at contract value with the issuer. Market value events are events or conditions that occur which are outside of the normal operation of the Fund and lead to any Fund disbursements which have or will have a material adverse effect on the operations of the Fund and a financial effect on the investment contract or wrap issuer's interest hereunder.

Such events may include but are not limited to: include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

In the normal course of business, such events or conditions would not limit the ability of the Fund to transact at contract value with the participants in the Fund. The Fund is managed to maintain a certain amount of liquidity to provide for the day-to-day liquidity needs of participants as well as the occasional market value event.

Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year. Dividends, interest, and appreciation (depreciation) are included in investment income (loss).

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

EXCESS CONTRIBUTIONS PAYABLE

The Plan is required to return contributions received during the Plan year in excess of the IRC limits. There were no excess contributions for the year ended December 31, 2019 and 2018.

INVESTMENT OPTIONS

Participants direct the investment of their account balance and future contributions into various investment options offered by the Plan. Upon enrollment in the Plan, a participant may select any combination of available investment options consisting of mutual funds and a group annuity contract. Participants may change their investment options at any time.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 and Level 3 Fair Value Measurements

Level 2 and Level 3 Fair Value Measurements are not applicable to the Plan for 2019 and 2018.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

NOTES TO FINANCIAL STATEMENTS

NOTE 4—INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Bank, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

- a. Investments, as shown in the accompanying statements of net assets available for benefits, as of December 31, 2019 and 2018.
- b. Investment income, as shown in the accompanying statements of changes in net assets available for benefits, for the years ended December 31, 2019 and 2018.
- c. The schedule of assets (held at end of year) as of December 31, 2019, as shown on Schedule H, Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100 percent vested in their accounts.

NOTE 6—PLAN QUALIFICATION

The Plan has adopted a PPA Prototype Style Volume Submitter Plan type. The Plan is not required to obtain its own determination letter because it relies on the opinion letter obtained by the volume submitter. Although the Plan has been amended since the issuance of the determination letter, the Plan's administrator and tax counsel believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7—RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 8—TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 9—PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. In addition, some expenses of the Plan are paid by the Company.

Plan investments are managed by the trustee of the Plan. The Plan's third party administrator is the Standard Insurance Company, which is considered to be a party-in-interest.

NOTE 10—PROHIBITED TRANSACTIONS

During 2019, the Company failed to transmit participant contributions within the timeframe required by DOL Regulation 2510.3-102 totaling \$39,732 for 2019 which was remitted to the Plan during 2019. The Company will remit \$376 to the Plan, in restoration of participants' lost earnings.

NOTE 11—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2020, the date which the financial statements were available for issue.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have incurred declines in fair value since December 31, 2019. The impact of COVID-19 continues to evolve rapidly and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

Except as disclosed above, there were no other subsequent events which require disclosure.
