## *Report on the Financial Statements*

We were engaged to audit the accompanying financial statements of Water Lilies LLC 401(k) Profit Sharing Plan and Trust, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

## *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## *Basis for Disclaimer of Opinion*

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Emphasis of Matter***

As described in Note 10 to the financial statements, the Plan did not comply with the ERISA requirements that the Plan carry bond coverage valued at least 10% of the plan assets. The Plan obtained fidelity bond coverage effective October 9, 2020 covering the period through the effective date of the cancellation or termination of the policy. Our opinion is not modified with respect to this matter.

***Other Matter – Report on Supplementary Information and Report on Compiled 2018 Financial Statement***

The supplemental schedule of Schedule of Assets (Held at End of Year), as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Plan management is responsible for the accompanying financial statements of Water Lilies LLC 401(k) Profit Sharing Plan and Trust, which comprises the statement of net assets available for benefits as of December 31, 2018 and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

***Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statements***

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Water Lilies LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all employees except for employees covered by a collective bargaining agreement, nonresident aliens, and employees resulting from an acquisition or merger as defined in the Plan document of Water Lilies LLC. (the "Company"). Employees are eligible to participate in the Plan and defer their voluntary contributions effective on their employment commencement date and must be 21 years old. They will be eligible to receive discretionary profit sharing contributions immediately following attainment of age 21 and work 1,000 hours of service that constitutes one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a Paychex Inc Prototype Non-Standardized Profit Sharing Plan with Cash or Deferred Arrangement ("CODA").

Effective September 24, 2018, the Plan was amended and restated in its entirety to incorporate certain amendments, revise certain administrative procedures, and make the amendments necessary to maintain the Plan's qualified status under the Internal Revenue Code ("IRC") of 1986, as amended, and regulations there under.

On December 5, 2019, the Company entered into an agreement with Reliance Trust Company whereas the Company established a trust to hold the assets of the Plan and appoints Reliance Trust Company as the new trustee. A plan transfer will occur and is further discussed in Note 10.

Contributions - Participants may contribute up to the lesser of the annual limitation ($19,000 and $18,500 for 2019 and 2018, respectively), or 100% of their eligible compensation as defined in the Plan document. Elective deferrals that are not designated as roth contributions will be pre-tax elective deferral contributions.

The Company may make a discretionary profit sharing contribution allocated to each participant in proportion to each participants compensation, as defined in the Plan document. There were no discretionary profit sharing contributions made during 2019 and 2018.

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of IRC Code Section 414(v). The maximum additional elective deferral for 2019 and 2018 is limited to $6,000.

The annual addition (which includes employee, employer contributions, and forfeitures) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of $56,000 and $55,000 for 2019 and 2018, respectively, as adjusted for increases in the cost of living under Code Section 415(d), or 100% of the participant's compensation within the meaning of Code Section 415(c)(3), for the limitation year.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary profit sharing contributions, (b) Plan income and losses, and (c) administrative expenses. Earnings, losses and expenses are allocated to the participant's accounts at the end of each day, based on the participant's account balance at the beginning of the day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions, plus actual earnings thereon into any of the 14 investment options maintained by Mid Atlantic Trust Company (the "Custodian"). The participants may change their investment elections for new contributions and existing balances daily.

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions plus actual earnings thereon. The Company's discretionary profit sharing contribution portion of each participants account is subject to the following vesting requirements:

| Period of Service | Percent Vested |
|---|---|
| Less than 2 years | 0% |
| 2 years | 20% |
| 3 years | 40% |
| 4 years | 60% |
| 5 years | 80% |
| 6 years | 100% |

A completed year of service equates to 1,000 hours of service completed by the participant in the vesting computation period. When a participant withdraws from the Plan prior to becoming fully vested, the non-vested portion of the participant's account is forfeited and is used to reduce future employer contributions or plan administrative expenses. Upon death or total and permanent disability a participant will become 100% vested in the employer discretionary profit sharing contributions.

Payment of Benefits - A participant who has attained age 59 ½, has incurred a deemed severance from employment, or has become disabled may receive a distribution from the Plan in the form of lump sum payments, partial payments, installment payments or purchase of an annuity contract. The Plan may also make a distribution upon termination of service or death. Upon termination of service, if the participant's account balance is $5,000 or less, and the participant does not make an election, payment will automatically be made as a lump-sum payment less applicable withholding tax. If the participant's account exceeds $5,000, the participant may elect to either (a) receive an immediate lump-sum payment or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. For a 5% owner, the required beginning date to receive a distribution is April 1 following the year in which the 5% owner attains the age of 70 ½. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 70 ½ or terminates employment, if later.

Notes Receivable from Participants - The Plan document allows participants to borrow, subject to certain restrictions, against their vested account balance at the request of the participant. The minimum note that a participant may take is $1,000. The total of such notes from the Plan to a participant will not exceed the lesser of the following amounts:

(a) $50,000, reduced by the highest outstanding loan balance in the previous 12 months or

(b) An amount equal to 50% of any participant's current vested interest in his/her account.

Notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence the period may be extended. Participants are allowed only one note at a time. The notes bear interest at a fixed rate, which is determined by the prime rate published in the Wall Street Journal plus one percentage point. Notes are secured by the vested balance in the participant's account and are repaid through payroll deductions. There were no outstanding loans as of December 31, 2019 or 2018.

Plan Administrative Expenses - Expenses incurred by the Plan administrator and Custodian for their services and costs in administrating the Plan may be paid by the Plan or the Company. Transaction charges (for note and benefit payment transactions) are paid by the participant by reducing the balances of those participants initiating the transactions.

Forfeited Accounts - Forfeited non-vested accounts are used to reduce future employer contributions, pay administrative expenses, or are allocated to the remaining participants, in accordance with the Plan's provisions. There were no outstanding forfeited amounts as of December 31, 2019 and 2018.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation in Fair Value of Investments - The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation on those investments. The net change in unrealized appreciation in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted loans are recorded as a deemed distribution based upon the terms of the Plan document.

New Accounting Pronouncements - During 2019 and 2018, various new Accounting Standard Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The plan administrator of the Plan has determined, based on their review, that the

following new accounting pronouncement that was issued is applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable, and if they are applicable, their effect will be included in the notes to the financial statements.

In August 2018, the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement", to improve the disclosures in the notes to the financial statements by giving clear communication about the information required by U.S. GAAP. This ASU removed disclosures relating to the amount of, and reasons for, transfers between Level 1 and Level 2 of the fair value hierarchy; the policy for timing of transfers between levels; the valuation process for Level 3 fair value measurements; and for not-for-profits, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period.

The ASU also modified some disclosure requirements including in a place of rollforward for Level 3 fair value measurements, a non-public entity is required to disclose transfers in and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities; investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date that restrictions from redemption may lapse, but only if the investee has communicated the timing to the entity or announced the timing publicly, and cleared up that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date.

Finally, this ASU added disclosure requirements for public entities. These include the changes in unrealized gains and losses for the period included in other comprehensive income for recurring Level 3 fair value measurements held at the end of the reporting period, and the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements.

This ASU is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The amendments regarding changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. Management has determined that the adoption of this guidance will not have any impact on the financial statements and notes thereto.

3. INVESTMENTS (2019 UNAUDITED AND 2018 COMPILED)

At December 31, 2019 and 2018, the Plan's investments and executed transactions therein were held by the Custodian. The following is a summary of the Plan's financial information that is included in the financial statements and supplemental schedule based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

At December 31, 2019 and 2018, the Plan's investments consisted of the following:

| Putnam Dynamic Asset Allocation Balanced Fund Class A | 4,604 | 3,212 |
| Total Mutual Funds | $ 192,847 | $ 102,463 |

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $16,872 during the year ended December 31, 2019.

The Plan's independent auditors did not perform auditing procedures with respect to investments which were certified by the Custodian at December 31, 2019, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

The Plan's mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2019 and 2018.

| | Level 1 |
|---|---|
| December 31, 2019 | |
| Investments Measured at Fair Value | |
| Mutual Funds | $ 192,847 |

| | Level 1 |
|---|---|
| December 31, 2018 (Compiled) | |
| Investments Measured at Fair Value | |
| Mutual Funds | $ 102,463 |

## 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax exempt status, the prototype plan from which the Plan was drafted has received a favorable determination letter from the IRS dated April 10, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian as defined by the Plan document. Transactions with the Custodian qualify as party-in-interest transactions. Any fees for investment management services are included in net appreciation in the fair value of the investments. Direct fees paid by the Plan for custodian and recordkeeping services were $863 for the year ended December 31, 2019.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balances after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

9. RECONCILIATION OF FINANCIAL STATEMENT FOR FORM 5500

10. NON-COMPLIANCE WITH ERISA

As of December 31, 2019, the Plan did not comply with ERISA requirements that the Plan carry bond coverage valued at least 10% of the plan assets. The Plan obtained fidelity bond coverage effective October 9, 2020 covering the period through the effective date of the cancellation or termination of the policy.

11. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through October 14, 2020, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event items were identified.

In early 2020, an outbreak of a novel strain of coronavirus was identified and infections have been found in a number of countries around the world, including the United States. As a result of the spread of coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Effective May 1, 2020, the Plan transferred all of its assets to Reliance Trust Company (see Note 1). A blackout period occurred from May 4, 2020 to June 12, 2020, and investments currently held with Mid Atlantic Trust Company will be mapped to similar style investments within the Automatic Data Processing investment portfolio. As a result of this transfer, the Plan adopted the Automatic Data Processing Prototype 401(k) and Profit Sharing Plan. This Prototype Plan received a favorable determination from the IRS dated July 8, 2014. All aspects of this Plan remained the same as the Paychex Inc Prototype Non-Standardized Profit Sharing Plan except all employees exceeding the age of 21 with no minimum service requirement are eligible to participate in the Plan, and employees may contribute up to the lesser of 90% of their compensation or the annual limitation to the Plan.
