Profit Sharing 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the ten-month period then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the period ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the December 31, 2019 financial statements. Accordingly, we do not express an opinion on the December 31, 2019 financial statements referred to in the first paragraph.

Other Matter—Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2019 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule referred to above.

Other Matter – February 28, 2019 Financial Statements

The financial statements of the Plan as of and for the year ended February 28, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Delaware Charter Guarantee and Trust Company dba Principal Trust Company, the trustee of the Plan. Their report, dated December 12, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations December 31, 2019

The form and content of the information included in the December 31, 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Plan Trustees are responsible for oversight of the Plan, which include determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

Effective March 1, 2019, the Plan changed its fiscal year from February 28, to now have a fiscal year ending on December 31. At this time, the Plan also changed its name from Slakey Brothers Employee Retirement Savings Plan, to now be named Slakey Brothers, Inc. Profit Sharing 401(k) Plan. Furthermore, the Plan changed its Trustee from Delaware Charter Guarantee and Trust Company dba Principal Trust Company to Charles Schwab Trust Company. In connection with the change in trustees, the Plan liquidated assets totaling $19,680,679 on February 28, 2019 which was transferred to the new trustee on March 1, 2020. The Plan held a guaranteed investment contract with an insurance company at March 1, 2019 with a put that required 12 months notice to terminate the contract. The put expired on December 24, 2019, at which time the contract was terminated, liquidated, and cash of $2,873,222 was transferred to the new trustee.

Eligibility

Employees of the Company are eligible to participate in the Plan after completing one month of service, as defined by the Plan. Employees may enter the Plan on scheduled enrollment dates following their completion of the eligibility requirements. To be eligible for the profit sharing part of the Plan, eligibility requirements consist of being employed on the first and the last day of the Plan year, and to have completed 1,000 hours of service within the applicable Plan year.

Contributions

Participants – Each year, participants may contribute up to 75 percent of pretax or post-tax (Roth) annual compensation, as defined by the Plan, and subject to certain IRS limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 2 percent of eligible compensation and their contributions invested in an applicable fund within the Vanguard Target Retirement series of funds, based on the participant's age, until changed by the participant.

Discretionary Matching – The Company may make discretionary matching contributions. For the plan ten-month period ended December 31, 2019, the Company made no discretionary matching contributions.

Discretionary Non-Elective Profit Sharing – The Company may make a discretionary non-elective profit sharing contribution. Contributions of 5.35% of each eligible participant's qualified compensation, or $1,229,457 was made for the ten-month period ended December 31, 2019. The contribution is made subsequent to the plan year-end.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts
Separate accounts are maintained for each participant. Each participant's respective account is credited with the participant's contributions and Company matching and profit sharing contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options
Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may move portions of their accounts between investment options at any time.

Vesting
Participants are vested immediately in their deferral contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested in the discretionary matching contributions and the discretionary non-elective profit-sharing contributions after six years of credited service.

Notes Receivable from Participants
Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the trustee. Principal and interest is paid ratably through regular payroll deductions.

Payment of Benefits
On termination of service due to death, disability, retirement, or other reasons, as defined by the Plan, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Hardship withdrawals are not permitted by the Plan.

Forfeitures
At December 31, 2019 and February 28, 2019, forfeited non-vested accounts totaled $17,488 and $0, respectively. These accounts will be used to pay administrative expenses under the Plan or reduce future employer contributions or reallocate as additional employer contributions. Also, during the ten-month period ended December 31, 2019, no funds were used from the forfeited non-vested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Company's management determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and February 28, 2019. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events
The Plan has evaluated subsequent events through October 9, 2020, the date the financial statements were available to be issued.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments held at December 31, 2019, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the ten-month period ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Bank (the trustee of the Plan). The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (CONTINUED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments, non-interest bearing cash, and the contract value of the fully benefit-responsive guaranteed investment contracts held at February 28, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company dba Principal Trust Company (the trustee of the Plan). The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in \inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and February 28, 2019.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Common Collective Trust:

A stable value fund that is composed primarily of fully-benefit responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total fair value of the assets in the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019. There are no investments at fair value as of February 28, 2019.

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 35,577,416	$ -	$ -	$ 35,577,416
Total assets in the fair value hierarchy	$ 35,577,416	$ -	$ -	35,577,416
Collective trust fund, at net asset value *				3,979,465
Investments, at fair value				$ 39,556,881

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Investments measured using the net asset value per share practical expedient

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

	December 31, 2019			
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust fund	$ 3,979,465	$ -	Daily	12 months

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are mutual funds managed by Charles Schwab Bank. Charles Schwab Bank is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees of $5,867 were paid to Charles Schwab Bank in 2019.

The Company is a party in interest to the Plan. However, there were no transactions with the Company other than employer contributions and the payment of certain administrative expenses on behalf of the Plan. The Plan uses third-party service providers for administration and custodian services. These transactions qualify as exempt party in interest transactions.

NOTE 7 TAX STATUS

Effective March 1, 2019, the Plan adopted a Volume Submitter Profit Sharing Plan with CODA. CCH Incorporated dba FTWilliam Com., the sponsor of this prototype plan, obtained its latest IRS determination letter on March 31, 2014, in which the IRS stated that the form of the Plan, as then designed was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by any applicable tax authorities. The Plan is subject to routine audits by taxing jurisdictions; An IRS exam is in progress, but the timing of completion and the outcome cannot be reasonably estimated.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks, and external risks such as political, economic, and the effects of the COVID-19 pandemic. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENT AND IMPACT OF COVID-19

Subsequent to December 31, 2019, the COVID-19 virus outbreak in the United States has resulted in significant economic uncertainties. The Coronavirus Aid, Relief, and Economic Security (CARES) Act signed into law on March 27, 2020 allows for defined contribution plans to make significant changes to various Plan terms in the interest of participants. Under these rules, the Plan was provisionally amended effective March 27, 2020 to provide for larger maximum participant loans, allow for delay of loan repayments that would otherwise be due between March 27, 2020, and December 31, 2020, allow for waiver of early withdrawal penalties in certain circumstances, and waive required minimum distributions for 2020. The Plan management expects to formalize this amendment in early 2021. The Company has continued to fully fund all employee and discretionary employer contributions and participant access to accounts has not been disrupted. However, if the health crisis were to continue, the full extent of the economic impact on the Company and the Plan cannot be reasonably estimated at this time.
