Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, assets held by Capital Bank and Trust Company, the custodian of the Plan, as of December 18, 2019 and December 31, 2018 and transactions in those assets for the period from January 1, 2019 to December 18, 2019 were excluded from the scope of our audit of the Plan's financial statements, except for comparing the information provided by the custodian which is summarized in Note 3, with the related information included in the financial statements.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Employment Management Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was established effective January 1, 2012, and was amended and restated effective June 1, 2014. The Plan was sponsored by Employment Management Services, LLC (the Company or Plan Sponsor) through August 31, 2018. The Plan was most recently amended effective September 1, 2018, to permit Franklin Apartment Management, Ltd. to adopt the Plan as an adopting employer (the Company or Plan Sponsor) and subsequently amended effective January 1, 2019, to change Plan trustees.

General: The Plan is a defined contribution plan covering all employees of the Company who have completed two months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Dates of entry in the Plan are the first day of each quarter.

Plan merger: On August 7, 2018, it was announced that the services of payroll, benefits and other human resources functions currently performed by the Company would be transferred to SWBC Professional Employer Services (SWBC), a professional employer organization. This transaction was completed during 2018, and the Company dissolved its operations at that time. Effective September 1, 2018, the Plan was adopted by Franklin Apartment Management, Ltd. (Franklin), a related entity participating in the Plan, as Plan Sponsor. Effective January 1, 2019, the Plan Administrator and trustee was replaced with two different individuals to serve as Plan Administrators and trustees. Effective April 1, 2019, Franklin adopted the SWBC Professional Employer Services 401(k) Plan (SWBC Plan) as a participating employer in a multiple employer plan. Effective April 1, 2019, eligible employees could participate in the SWBC Plan. Participant deferrals made beginning April 1, 2019, are remitted into the SWBC Plan. Participant balances under the Plan remained in the custody of Capital Bank and Trust Company and participants could transact within and access their accounts until December 13, 2019; however, no deferrals made subsequent to March 31, 2019, were accepted into the Plan. Effective December 18, 2019, the Franklin assets in the Plan were spun-off from the Plan and merged with the SWBC Plan, with the SWBC Plan being the surviving Plan. All net assets totaling \$836,570 were liquidated on December 18, 2019. The transfer of assets to the SWBC Plan and completion of the Plan merger occurred on December 19, 2019. The merger does not impact participant benefits. The transfer is reported as a Transfer of Assets on the 2019 Statement of Changes in Net Assets Available for Benefits. Although no assets remain in the Plan, the Plan is still in existence at December 31, 2019.

Contributions: The Plan does not allow for employer contributions.

Contributions by participants into the Plan were allowed until April 1, 2019, when eligible employees began participating in the SWBC Plan. See Plan merger. Participants may elect to contribute up to 100% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Roth deferrals are allowed.

Participant accounts: Participants direct the investment of their contributions into various investment options offered by the Plan.

Each participant's account is credited with the participant's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and actual earnings thereon.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms shall be no more than five years except when the proceeds of a loan are used to acquire a dwelling to be used as a participant's principal residence, then the Plan Administrators may permit a longer repayment period. The notes are secured by the balance in the participant's account and bear interest, as determined by the Plan Administrators.

Principal and interest are paid through payroll deductions. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrators deem the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits: On termination of service, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Any balance under \$5,000 is automatically paid out as soon as administratively possible. Hardship withdrawals are also available subject to certain limitations.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be recognized to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for disclosure of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and December 31, 2018.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes.

Payment of benefits: Benefits are recorded when paid.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Recent accounting pronouncement: In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying or adding certain disclosures. ASU No. 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. An entity is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date. The Plan adopted ASU No. 2018-13 during Plan year ended December 31, 2018.

Subsequent events: On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID-19 continues to evolve rapidly and the Plan Sponsor is not able at this time to estimate its full impact on the Plan's financial statements.

The Plan has evaluated subsequent events through October 8, 2020, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by Capital Bank and Trust Company

The following is a summary of the Plan's asset information as of December 18, 2019 and December 31, 2018, and for the period January 1, 2019 to December 18, 2019, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Capital Bank and Trust Company, the custodian of the Plan, and furnished to the Plan Administrators. The Plan Administrators have obtained certifications from the custodian that the information provided to the Plan Administrators by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrators instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule as of and for the period January 1, 2019 to December 18, 2019 and as of and for the year ended December 31, 2018 related to the following assets:

	December 18 2019	December 31 2018
Investments at fair value	\$ -	\$ 1,031,845
Notes receivable from participants	-	18,007

Capital Bank and Trust Company also certified to the completeness and accuracy of \$186,689 of net appreciation in fair value of investments, \$3,989 of dividend income related to the aforementioned investments and \$1,169 of interest income on notes receivable from participants for the period January 1, 2019 to December 18, 2019.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The *FASB Accounting Standards Codification* (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC, Fair Value Measurements and Disclosures, are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices for the asset or liability that are observable
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018.

Mutual funds: Mutual funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,031,845	\$ -	\$ -	\$ 1,031,845

Note 5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the custodian, as defined by the Plan and, therefore, these investments qualify as party-in-interest transactions.

The Plan Sponsor also paid certain administrative expenses related to the Plan for the year ended December 31, 2019. Fees paid by the Plan to the custodian totaled \$3,509 for the year ended December 31, 2019.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions. See Note 1 for discussion of the merger of the Plan during the year ended December 31, 2019.

Note 7. Tax Status

Effective January 1, 2012, the Plan adopted a nonstandardized form of a prototype plan. The prototype plan has received a determination letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrators believe the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Employment Management Services 401(k) Plan

Notes to Financial Statements

Note 8. Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Nonexempt Transactions

During 2019, the Plan Sponsor inadvertently failed to deposit \$1,110 of participant deferrals within the required time frame as stated by the United States Department of Labor's Rules and Regulations. The Plan Sponsor intends to reimburse the SWBC Plan for lost interest and will file Form 5330 and pay the applicable excise tax in 2020. The excise tax payment will be made from the Plan Sponsor's assets and not from assets of the Plan.
