CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan

The following description of the Choice Employer Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a multiple employer defined contribution plan covering eligible employees of Choice Employer Solutions, Inc. (the Sponsor or the Sponsoring Employer) and Adopting Employers. Employees are eligible to participate in the Plan based on elections made by the Adopting Employers (Participating Employers). The provisions of the Plan as applicable to the Adopting Employer and its employees are based on the selections of the Adopting Employer with respect to the variable features provided by the Plan document and the adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Retirement Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The Plan is a multiple-employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Company is a Professional Employer Organization (PEO) and provides payroll processing and human resource services to its clients. Each client of the Sponsoring Employer has the option of adopting this Plan for the benefit of its employees. A client establishes its eligibility requirement related to age and length of service for its employees in accordance with the Plan document and IRC. An Adopting Employer may elect to waive or change the service eligibility requirement for individuals who are performing services for the Adopting Employer as of the date the Plan is adopted. However, hiring individuals after the adoption date is subject to the standard requirements, unless otherwise elected.

Contributions

Each year, participants in the Plan may contribute an amount of annual compensation, as elected by their Adopting Employer, as defined by the Plan, within the limitations prescribed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified plans (rollover). For the year ended December 31, 2019, individual participants' contributions were limited to \$19,000. Participants who are age 50 and older may also contribute an additional \$6,000 for the year ended December 31, 2019. Participants direct the investment of their contributions into various investment options offered by the Plan. Roth deferrals are allowed under the Plan, if elected by Adopting Employers.

Each Adopting Employer elects the level of safe harbor, matching and/or profit-sharing contributions. Adopting Employer contributions, if any, are recorded in the year for which the contributions apply. Aggregate Adopting Employer contributions for the year ended December 31, 2019 totaled \$756,989. Participating Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions. Contributions are subject to certain limitations.

Participant accounts

Each participant account is credited with the participant's contribution, and an allocation of (a) their Adopting Employer's matching contributions, if applicable, and (b) Plan earnings or losses, and is charged with his or her withdrawals and an allocation of Plan administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their contributions and their Adopting Employer's safe harbor contributions, if applicable, plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Adopting Employer's discretionary contributions made on behalf of a participant, and earnings thereon, vest in accordance with the schedule specified in the corresponding Adopting Employer's adoption agreement. Vesting schedules vary based on the Adopting Employer's elections. Participant accounts become fully vested upon death, disability, or retirement age (65).

Forfeitures

Non-vested Participating Employer discretionary contributions forfeited by participants are used to reduce future Participating Employer's matching contributions or to pay Plan expenses. Total forfeitures utilized to reduce Participating Employer's contributions for the year ended December 31, 2019 totaled \$11,699. At December 31, 2019 and 2018, forfeited non-vested accounts available for use approximated \$239,000 and \$226,000, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years, except in the case of loans for the purchase of a primary residence. The loans are secured by the balance in a participant's account and bear interest at local prevailing rates, as determined quarterly and use as of the date of the loan request, ranging from 4.25% - 6.50% at December 31, 2019. Principal and interest is paid ratably through regular payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, retirement, or other reasons, or qualifying under certain "hardship" rules, as prescribed by the IRS, a participant may receive distributions from the Plan equal to the value of the participant's vested interest in his or her account. Distributions may be in the form of a lump-sum payment, installment payments, or a rollover into another qualified plan. Participants may take in-service withdrawals upon attainment the age of 59½ or for immediate and heavy financial hardship needs, as defined in the Plan document.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses of maintaining the Plan are paid directly by the Participating Employers and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian. See Note 4 for a discussion of fair value measurements.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make scheduled repayments and the Plan Administrator deems the note receivable to be in default, the notes receivable is reduced and a benefit payment recorded per the terms of the Plan document.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Risks and uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Payment of benefits

The Plan records benefits when paid.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan subsequently refunded the excess contributions to the applicable participants.

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration

The Sponsor is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's assets are maintained by The Lincoln National Life Insurance Company (Lincoln or the Custodian), held the Plan's assets and executed investment transactions as of and for the year ended December 31, 2019. The Custodian invests cash received, interest and dividend income and makes distributions to participants (as directed).

Pinnacle Financial Services has been designated as a third party administrator and servicing agent to perform certain reporting and administrative functions, as well as accounting and compliance reporting. The Sponsor, may, at its discretion, pay the Plan's administrative expenses. Substantially all Plan expenses were paid by the Plan for the year ended December 31, 2019.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, Plan management has determined it does not have any positions at December 31, 2019 that it would be unable to substantiate.

New accounting pronouncement

In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820), Disclosure Framework – Changes to Disclosure Requirements for Fair Value Measurement (ASU 2018-13)*. The amendments in ASU 2018-13 modify the disclosure requirements in Topic 820 of the disclosure framework. The modifications include the removal of the requirement to disclose the amount of and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, the policy of timing between levels, the valuation processes for Level 3 fair value measurements, and the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. Also, in lieu of a roll forward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities. Additionally, for certain entities that calculate net asset value, an entity is required to disclose the timing of an investee's assets and the date when restrictions from redemptions lapse only if the investee has communicated the timing to the entity or announced the timing publicly. ASU 2018-13 is effective for fiscal years beginning on or after December 15, 2019 with early adoption permitted to any removed or modified disclosures of this update. Plan management is evaluating the effect of ASU 2018-13 on its financial statements and related disclosures.

Note 3 – Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2019 and 2018;
- Net investment income and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2019; and
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2019.

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 3 – Information Certified by the Custodian, Continued

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2019 and 2018. During the years ended December 31, 2019 and 2018, there were no transfers of financial instruments into or out of Level 3. Following is a description of the valuation methodologies used for assets measured at fair value:

Guaranteed investment contracts - The guaranteed investment contracts are composed primarily of fully benefit-responsive investment contracts and valued at the net asset value (NAV) of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled separate accounts - Valued at its NAV based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs, but are not based upon quoted market prices in an active market and are classified as Level 2 investments within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

Fair Value Measurements as of December 31, 2019				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 14,458,181	\$ -	\$ 14,458,181
Guaranteed investment contracts*	-	-	-	2,572,824
Investments, at fair value	<u>\$ -</u>	<u>\$ 14,458,181</u>	<u>\$ -</u>	<u>\$ 17,031,005</u>

Fair Value Measurements as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 16,242,996	\$ -	\$ 16,242,996
Guaranteed investment contracts*	-	-	-	3,192,846
Investments, at fair value	<u>\$ -</u>	<u>\$ 16,242,996</u>	<u>\$ -</u>	<u>\$ 19,435,842</u>

* In accordance with subtopic 820-10, certain investments that were measured at contract value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

Note 5 – Group Annuity Contracts with Insurance Company

The Plan has two fully benefit-responsive investments with Lincoln. The guaranteed stable value account and a managed principal protected portfolio total \$2,572,824 and \$3,192,846, respectively, at December 31, 2019 and 2018, are reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive contracts. Lincoln is the issuer of these contracts and maintains these investments in general accounts. The Guaranteed Stable Value Account and the Managed Principal Protected Portfolio (collectively, the Accounts) are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and interest under the terms of the contract.

Contributions received each quarter are credited with the applicable interest rate during the current quarter and the next three succeeding quarters. Interest is credited daily at a rate not less than the guaranteed minimum interest rate which cannot be less than zero, as shown on the contract specifications. The interest crediting rate is set on a quarterly basis.

Participants may have ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to, the following: (1) amendments to the plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which have limited the Plan's ability to transact at contract value with the Plan's participants occurred.

CHOICE EMPLOYER SOLUTIONS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 6 – Related Party and Party-In-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsoring Employer, Adopting Employers and certain others. The Plan's investments include shares of pooled separate accounts and guaranteed funds issued, managed, and administered by the Custodian. Therefore, transactions with the Custodian qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Sponsoring Employer. No officer or employee receives compensation from the Plan for these services.

The Custodian receives revenue from service providers for services the Custodian provides to the funds. This revenue is used to offset certain amounts owed to the Custodian for its administrative services. Fees incurred for the Plan for investment management services are included in net appreciation in fair value of investments, which were covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Pinnacle Financial Services, the Plan's third party administrator, receives fees for accounting and certain recordkeeping services. Therefore, transactions with them qualify as party-in-interest transactions.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Sponsoring Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Adopting Employer's contribution portion of their accounts.

Note 9 – Plan Transfers

In the normal course of business, the Sponsoring Employer adds Adopting Employers, and assets from the individual qualified plans that the added Adopting Employers previously sponsored are transferred into the Plan, when administratively feasible to do so. Likewise, as Adopting Employers leave the Sponsoring Employer and adopt different qualified plans, assets attributable to these outgoing Adopting Employers are transferred out of the Plan.

Note 10 – Tax Status

On March 31, 2014, the IRS stated that the prototype non-standardized profit sharing plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and therefore, the Plan and its related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

Note 11 – Prohibited Transactions

Certain Participating Employers failed to remit to the Plan's Custodian, employee contributions and notes receivable payments within the period prescribed by the Department of Labor's regulations. Delays in remitting contributions to the asset Custodian were due to administrative errors, and Participating Employers will make contributions to the affected participant's accounts to compensate those participants for lost income due to the delays. Delinquent contributions totaling \$8,867 for the year ended December 31, 2019 are pending correction at December 31, 2019.

Note 12 – Subsequent Events

In March 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic and the President of the United States declared the COVID-19 outbreak a national emergency. Global financial markets have experienced, and may continue to experience, significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions, benefit obligations and distributions will depend on future developments, including the duration and spread of the outbreak.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for certain required minimum distributions.

The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to reflect these changes, as well as related adoption agreements, will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan evaluated events occurring subsequent to December 31, 2019 through October 13, 2020, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
