Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

1. Plan Description

The following brief description of the Tribune Media Company 401(k) Plan (formerly the Tribune/Local TV 401(k) Savings Plan, and prior to that, the Local TV, LLC Employee Savings Trust) (the "Plan") is provided for general information purposes. Plan participants should refer to the Plan document, including amendments thereto, for complete information.

General

The Plan is a defined contribution plan covering substantially all full-time, non-union employees of Tribune Media Company and participating subsidiaries (collectively, the "Company") who are age 21 or older and have satisfied the service period requirement, which is none for full-time employees and one year of service for part-time employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On December 27, 2013, Local TV, LLC, was acquired by Tribune Company ("Tribune" or the "Company"). On December 9, 2013, Tribune filed a registration statement on Form 10 with the U.S. Securities and Exchange Commission (the "SEC") for the purpose of effecting the separation of its principal publishing operations (the "Publishing Spin-Off") into an independent company, Tribune Publishing Company ("Tribune Publishing") (formerly tronc, Inc.). On July 16, 2014, Tribune amended and restated its certificate of incorporation and changed its name to Tribune Media Company ("Tribune Media" or the "Company"). Tribune Media completed the Publishing Spin-Off on August 4, 2014.

Effective March 3, 2014, the Plan (then, the Local TV, LLC Employee Savings Trust) was amended, restated and renamed the Tribune/Local TV 401(k) Savings Plan. The March 3, 2014 amendment also added employees of a newly acquired business to the Plan and made certain other changes to the Plan terms.

Effective as of June 13, 2014, the Plan was amended, restated and renamed the Tribune Media Company 401(k) Plan and the trustee of the Plan was changed from Fidelity Management Trust Company ("Fidelity") to Vanguard Fiduciary Trust Company ("Vanguard"). On July 1, 2014, participant balances of non-union employees and terminated employees were transferred from Fidelity to newly established accounts held at Vanguard. Investment elections and Plan asset balances were mapped to funds at Vanguard that most closely mirrored the characteristics of the funds that were previously administered by Fidelity. Participants were given the required blackout notices in accordance with the U.S. Department of Labor regulations.

On June 13, 2014, non-union employees from Tribune Media and its subsidiaries who remained with Tribune Media after the Publishing Spin-Off (and who formerly participated in the Tribune Company 401(k) Savings Plan) became automatically enrolled in the Plan. On June 13, 2014, all union employees who were participants in the Plan ceased participating in the Plan and were enrolled automatically in the new Tribune Media Company Defined Contribution Retirement Plan (the "Tribune Media DCRP"). Union participants' balances that were previously held in the Plan were transferred over to new accounts in the Tribune Media DCRP on July 1, 2014. Investment elections and Plan asset balances were mapped to funds at Vanguard which most closely mirrored the characteristics of the funds that were administered by Fidelity. Participants were given the required blackout notices in accordance with the U.S. Department of Labor regulations.

Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

On January 31, 2017, the Company completed the sale of substantially all of the Digital and Data business operations, which included Gracenote Inc., Gracenote Canada, Inc., Gracenote Netherlands Holdings B.V., Tribune Digital Ventures LLC and Tribune International Holdco, LLC (the "Gracenote Companies"). Accordingly, the sale of the Gracenote Companies resulted in a separation from service for those participants, who became fully vested in their Company matching and profit sharing contributions on January 31, 2017. Gracenote Companies participants may choose to leave his or her account balance in the Plan, roll the account into an IRA or take a distribution from the Plan, according to the rules of the Plan.

On November 30, 2018, the Company entered into an Agreement and Plan of Merger (the "Nexstar Merger Agreement") with Nexstar Media Group, Inc. ("Nexstar") and Titan Merger Sub, Inc. (the "Nexstar Merger Sub") providing for the acquisition of all of the outstanding shares of the Company's Class A common stock and Class B common stock by means of a merger of Nexstar Media Sub with and into Tribune Media Company, with the Company surviving the merger as a wholly-owned subsidiary of Nexstar (the "Nexstar Merger"). The Nexstar Merger was consummated on September 19, 2019. Substantially concurrently with the Merger, Nexstar also completed the sale of the assets of 21 full power television stations in 16 markets to TEGNA, Inc., E.W. Scripps Company and Circle City Broadcasting I, Inc. In September 2019, \$524,292 of participant balances related to the stations that were sold and that were previously held in the Plan transferred over to TEGNA, Inc., E.W. Scripps and Circle Broadcasting I, Inc., respectively, and are reflected as a Transfer of Assets in the Statement of Changes in Net Assets Available for Benefits.

The Company froze the Plan on December 31, 2019 (the "Freeze Date"). After the Freeze Date, Plan participants are no longer allowed to make additional contributions to the Plan, although the Plan continues to accept repayment of Plan loans. Eligible employees who remained with the Company after December 31, 2019, began to participate in the Nexstar Media Group Inc. 401(k) Plan.

Plan Administration

The Plan was administered by the Tribune Media Company Employee Benefits Committee (the "Tribune Committee"), which consisted of Company employees who are appointed by the Board of Directors of the Company or by the Chairman of such Committee. Upon the consummation of the Nexstar Merger, the Tribune Committee was dissolved and, effective September 19, 2019, Nexstar Broadcasting, Inc., a subsidiary of Nexstar, assumed responsibilities for governance of the Plan. Vanguard Fiduciary Trust Company ("Vanguard") is the Plan's trustee (the "Trustee"). The Trustee is responsible for the custody of the Plan's assets and the investment management of some of the Plan's assets.

Contributions

Prior to June 13, 2014, participants could elect to make before-tax contributions up to a maximum of 85% of a participant's annual compensation, but no less than 1 percent, subject to Plan and Internal Revenue Service ("IRS") limits. Effective June 13, 2014 and until the Freeze Date, the Plan was amended so that participants could elect to make contributions of up to 100% of their compensation (as defined in the Plan) on a pretax or Roth 401(k) after-tax basis, subject to the Plan and IRS limits. If a participant is age 50 or older, or will turn age 50 by year's end, that participant could elect to defer additional amounts ("catch-up contributions") to the Plan as of the January 1st of that year in order to save above the IRS annual limit on a pre-tax or Roth basis. Participants directed the investment of their contributions into various investment options offered by the Plan. Participants could also make contributions to the Plan in the form of a rollover of funds from another qualified plan, other than from certain Tribune Media and Tribune Media-related plans.

Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

Prior to March 3, 2014, the Plan enabled the Company to make discretionary matching contributions. Effective March 3, 2014, the Plan was amended to provide for a matching contribution by the Company of up to 4% of an employee's eligible pay. The first 2% of employee contributions are matched dollar-for-dollar, and the next 4% are matched \$0.50 for each dollar contributed by the employee. The Plan also enables the Company to make discretionary profit-sharing contributions. The Company did not make a profit-sharing contribution for the 2019 plan year.

Effective January 1, 2015, the Plan was amended to become a "safe harbor" plan, namely a "qualified automatic contribution arrangement" ("QACA") within the meaning of section 401(k)(13) of the IRC. As a safe harbor plan, employee and employer matching contributions to the Plan are deemed to be nondiscriminatory, and are no longer subject to nondiscrimination testing. Under the Plan's QACA feature, eligible employees who do not make an affirmation election to participate or not to participate, are automatically enrolled in the Plan at 3% of their compensation with 1% annual increases up to 10% beginning in the second year after the year in which they are automatically enrolled.

Prior to the Freeze Date, participants could elect to have all or a percentage (in 1% increments) of their contributions and their share of the Company's contributions, if applicable, invested in or transferred among one or more of the investment funds. Company and participant contributions were automatically allocated to the series of Vanguard Target Retirement Funds (selected based on the participant's expected retirement age), unless the eligible participant elected to have them allocated otherwise. Participants could change how contributions were invested at any time, and these changes were effective the next pay period. Participants may make interfund transfers on a daily basis.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions and allocations of (a) Company profit sharing contributions, if applicable and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant elections or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are, at all times, 100% vested in their own contributions. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Effective January 1, 2014, participants vest in contributions made by the Company after two years of service (1,000 hours worked each year). Prior to that, participants generally vested in contributions by the Company 20% after one year of service and another 20% per year thereafter until they become fully vested after five years of service.

Forfeited Accounts

Forfeitures of terminated unvested account balances are used to reduce future employer contributions or pay administrative expenses at the Committee's discretion. Unallocated forfeiture balances as of December 31, 2019 and 2018 were \$31,626 and \$13,852, respectively, and forfeitures used to reduce employer matching contributions for 2019 amounted to \$175,909.

Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

Payment of Benefits

Participants who have attained age 59½ or who are totally and permanently disabled may, in most instances, elect to withdraw their vested account balances through notice to the Company at any time.

Participants may make withdrawals of any part or all of the balance in their before-tax contribution accounts (excluding certain earnings), prior to termination, in order for the participant to meet an immediate and significant financial need for which a withdrawal would be permitted by IRS regulations ("the hardship withdrawals"). Participants who make hardship withdrawals cannot make before-tax contributions in the Plan or in any other plan maintained by the Company for six months after the withdrawal.

Distributions of account balances are generally made to participants in a lump-sum cash payment.

Notes Receivable from Participants

The Plan permits participants to borrow from their accounts. The minimum amount that can be borrowed is \$500. The maximum amount is equal to the lesser of (a) \$50,000 less the highest outstanding loan balance during the most recent 12-month period, if any, or (b) 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's outstanding loan balance. Loan terms range from 1 to 5 years, however, terms of principal residence loans range from 5 to 30 years. Participants may have up to two loans outstanding at one time. The loans are secured by the balance in the participant's account. The interest rate for a loan is the prime rate on the last business day of the month prior to loan inception and is fixed for the life of the loan. Principal and interest are paid ratably through payroll deductions. The interest rates on notes receivable from participants outstanding at December 31, 2019 and 2018 ranged from 3.25% to 5.50%.

Plan Amendment or Termination

The Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions and distributions will be made in accordance with the provisions of ERISA.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investment in the Tribune Media Company Master Retirement Savings Trust (the "Master Trust") is stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

The fair value of the Plan's interest in the Master Trust is based on the specific interest that each plan has in the underlying investments of the Master Trust.

Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold and unrealized gains and losses on investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Distributions are recorded when paid. There were no benefit claims that have been processed and approved for payment prior to December 31, 2019, but not yet distributed as of that date.

Administrative Expenses

Substantially all of the administrative and recordkeeping expenses incurred in connection with the Plan are paid by the Plan and allocated per capita to each participant. The amount is reflected on each participant's quarterly statement. Administrative expenses paid to Vanguard for trustee and record keeping services were \$275,151 in 2019. Investment related expenses are included in Plan interest in net investment income of the Master Trust.

New Accounting Pronouncements

In February 2017, the FASB issued ASU No. 2017-06, "Employee Benefit Plan Master Trust Reporting". ASU 2017-06 clarifies the presentation requirements of a plan's interest in a master trust and requires more detailed disclosures of the plan's interest in the master trust. The amendments in ASU 2017-06 are effective for fiscal years beginning after December 15, 2018, with early adoption permitted. Application of these amendments require retrospective application for all periods presented. The Plan adopted ASU 2017-06 as of the year ended December 31, 2019. Additional disclosures are presented in Note 3 as a result of this adoption.

3. Interest in Tribune Media Company Master Retirement Savings Trust

Beginning on June 13, 2014, the Plan's assets are invested in the Master Trust, which was established for the investment of assets of the Plan and another Tribune Media Company sponsored retirement plan. Each participating retirement plan owns units of the Master Trust. The assets of the Master Trust are held by the Trustee. Investment income and administrative expenses related to the Master Trust are allocated to the individual plans based upon balances invested by each plan.

4. Fair Value Measurements

ASC Topic 820 "Fair Value Measurements and Disclosures" ("ASC 820") establishes a framework for measuring fair value and expands disclosures about fair value measurements. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Notes to Financial Statements

Level 3 Unobservable inputs that are supported by little or no market activity that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Registered Investment Companies/Mutual Funds

Registered investment companies consist of investments in mutual funds. Mutual funds are valued based on exchange listed prices, for exchange traded registered investment companies, or the Net Asset Value ("NAV") for open-ended and continuously offered closed-end registered investment companies.

Commingled Investment Trust

The commingled investment trust consists of a pool of investments used by institutional investors to obtain equity market exposures by investing in funds which are intended to mirror market indices. It is valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets in the respective commingled trust. The funds are valued using NAV as provided by the investment account manager as a practical expedient. The commingled investment trust included in the Master Trust is the Fidelity Diversified International Commingled Pool.

The table below reports by level, within the fair value hierarchy, the Master Trust investment assets at fair value as of December 31, 2019 and 2018. As required by ASC 820, the assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Registered investment companies	\$ 293,863,115	\$ -	\$ -	\$ 293,863,115

	Assets at Fair Value as of December 31, 2018

Commingled investment trust measured at NAV as practical expedient ¹ :				5,858,657
Total Tribune Company Master Retirement Savings Trust assets				\$ 251,200,625

¹. Commingled investment trusts that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of fair value to the total value of plan assets.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers of assets between the levels in 2019 and 2018.

The following table summarizes the investment at fair value based on NAV per share as of December 31, 2019 and 2018:

December 31, 2019	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Commingled investment trust	\$ 6,810,613	\$ -	Daily	None required
December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Commingled investment trust	\$ 5,858,657	\$ -	Daily	None required

5. Income Tax Status

The IRS has determined and informed the Company by letter dated December 15, 2016, which considered amendments executed through December 23, 2015, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended subsequent to December 23, 2015. However, the Plan's ERISA counsel believes that the Plan is designed to comply with, and the Company believes the Plan is currently being operated in material compliance with, the applicable requirements of the IRC and is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's tax exempt status.

Tribune Media Company 401(k) Plan

Notes to Financial Statements

December 31, 2019 and 2018

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

6. Related Party Transactions

As described in Note 1 and 2, certain Plan investments are managed by the Trustee and the Plan paid the Trustee for certain expenses related to plan operations, therefore, these Master Trust transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. See Note 3 and Schedule H, Line 4i: Schedule of Assets (Held at End of Year).

7. Risks and Uncertainties

The Plan provides for various investment options in several investment securities and instruments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks and values will occur in the near term and that the effect of such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

8. Information Certified by the Trustee

The Plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the financial statements, notes to the financial statements and supplemental schedule is complete and accurate:

- Plan interest in the Master Trust as shown in the Statements of Net Assets Available for Benefits.
- Notes receivable from participants as shown in the Statements of Net Assets Available for Benefits.
- Plan interest in net investment income of the Master Trust as shown in the Statement of Changes in Net Assets Available for Benefits.
- Interest from notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits.
- Investment and investment income amounts, as shown in Notes 3 and 4, related to the Master Trust.
- Schedule H, Line 4i: Schedule of Assets (Held at End of Year), December 31, 2019.

December 31, 2019 and 2018

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

9. Subsequent Events

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, which continues to spread throughout the United States and the world and has caused business disruptions and adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. There is significant uncertainty around the duration and the overall impact on economic and market conditions. The business disruption and declines in financial markets has had and may continue to have a material adverse effect on the Plan's net assets available for benefits and results for 2020. However, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time.

Due to COVID-19, the Coronavirus Aid Relief, and Economic Security Act ("CARES" Act) was enacted in 2020. Portions of the CARES Act make changes to existing law including relating to the amount and circumstances permitting penalty-free distributions. The administrator of the Plan is currently evaluating the CARES Act to determine if changes to the Plan are necessary as a result.

Effective June 1, 2020, the Plan was merged into the Nexstar Media Group, Inc. 401(k) Plan and all balances in the Plan were transferred.

The Plan has evaluated subsequent events through October 2, 2020, which is the date the financial statements were available to be issued.
