We were engaged to audit the accompanying financial statements of Trident Profit Sharing Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2018, the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by MG Trust Company d/b/a Matrix Trust Company (Matrix), Principal Life Insurance Company, and John Hancock Life Insurance Company (U.S.A.), the Custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodians hold the Plan's assets and execute transactions. The Plan Administrator has obtained certifications from the Custodians as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan Administrator by the Custodians is complete and accurate.

TRIDENT PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Trident Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was amended and restated effective March 1, 2018.

General – The Plan is a defined contribution plan covering all employees of Trident Holding Company, LLC (the Company or Sponsor) and its wholly owned subsidiaries. Employees may enter the Plan on the first day of the calendar month coinciding with or following satisfaction of the eligibility requirements. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participants may contribute a specific percentage or dollar amount of up to 100% of their annual eligible compensation (elective deferrals), as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Participants are permitted to make pre-tax and/or after-tax (Roth) contributions. Participants age 50 or older may elect to defer additional amounts (catch-up contributions) to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company may provide discretionary matching, profit-sharing, and/or qualified non-elective contributions determined at year-end by management and the Board. Discretionary contributions shall only be made on behalf of participants who are employed on the last day of the Plan year except in limited circumstances as defined in the Plan agreement. There were no matching or profit-sharing contributions for the year ended December 31, 2018.

All eligible employees employed on or after March 1, 2018 shall be deemed to have made an elective deferral election in the amount of 4% of compensation, subject to the following terms and conditions. In a reasonable time period before the deemed election takes place, the eligible employee shall receive a notice that explains the automatic elective deferral election, his or her compensation reduction percentage and the individual's right to elect to have no such elective deferral made to the Plan, or to alter the amount of contributions. All automatic elective deferrals shall be designated as pre-tax.

Investment Options – Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options at any time.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions, if any, Plan investment earnings/losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, contributions, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferrals, rollover contributions, and qualified non-elective contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 25% vested in the Company contribution portion after completing one year of credited service, 50% vested after two years of credited service, 75% vested after three years of credited service, and 100% vested after completing four years of credited service.

TRIDENT PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Payment of Benefits – The Plan permits withdrawals when a participant terminates employment, retires, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.

Forfeitures – Forfeitures are used to reduce future employer contributions, pay Plan expenses or re-allocated to eligible employees. Forfeited non-vested accounts totaled \$157,874 and \$30,146 as of December 31, 2018 and 2017, respectively.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to 30 years for the purchase of a participant's primary residence. The notes are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. As of December 31, 2018, the notes bear interest at annual rates ranging from 4.25% to 6.50% and mature through 2047. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America and in accordance with the Plan Agreement. A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows.

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee and investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

TRIDENT PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the schedule repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced, and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Contributions – Contributions from Plan participants and the matching contribution from the Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit-sharing contributions are recognized upon authorization and in the year the underlying compensation is recognized under the Plan. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan's investments are held by the Custodians of the Plan. The Custodians of the Plan are MG Trust Company, d/b/a Matrix Trust Company, Principal Life Insurance Company and John Hancock Life Insurance Company (U.S.A). Information certified as complete and accurate as of December 31, 2018 and 2017, and for the year ended December 31, 2018, by the Custodians of the Plan follows:

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated from by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash: Valued at cost which equals fair value.

Common collective trust fund stable value fund: A stable value fund that is composed primarily of fully benefit-responsive contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimating fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

MG Trust Company d/b/a Matrix Trust Company was the Custodian of the Plan until March 2018, when Plan assets were transferred to John Hancock Life Insurance Company (U.S.A.); therefore, transactions with the Custodians qualify as party-in-interest transactions. On March 1, 2018, the Plan merged in the participants of the Schryver Medical Sales & Marketing, LLC 401(K) Plan from the Principal Life Insurance Company and Principal Global Investors Trust Company, the Custodians of the Plan.

No fees were paid by the Plan to the trustee during the year ended December 31, 2018.

The Company paid certain administrative expenses of the Plan. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 7 – TAX STATUS

Effective January 1, 2016, the Plan adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by Sungard Business Systems LLC. The Volume Submitter Plan has received an opinion letter from the IRS dated March 31, 2014 as to the Plan's qualified status. The Volume Submitter Plan opinion letter has been relied upon by this Plan.

Effective March 1, 2018, the Plan sponsor amended, restated, and merged the Trident Holding Company, LLC 401(k) Plan and the Schryver Medical Sales & Marketing, LLC 401(k) Plan into the Trident Profit Sharing Plan. The Plan adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by CCH Incorporated. The Volume Submitter Plan has received an opinion letter from the IRS dated March 31, 2014 as to the Plan's qualified status. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions and is currently under examination by the DOL for the year ended December 31, 2016.

NOTE 8 – NONEXEMPT TRANSACTIONS

As of January 1, 2017, the Company had failed to reimburse the Plan for lost interest on participant deferrals in the amount of \$435,564 not deposited timely for the years 2012 through 2016. During 2017, the Company inadvertently failed to deposit an additional \$2,786 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Company filed Form 5330's and paid the applicable excise tax for certain late deposits totaling \$217,844 in 2017. The excise tax payments were made from the Sponsor's assets and not from assets of the Plan. For the remaining uncorrected late deposits as of December 31, 2017, the Company intends to reimburse the Plan for lost interest. The Company also intends to file Form 5330's and pay the applicable excise tax from the Company's assets and not from the assets of the Plan.
