GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Galleria Stone and Tile 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established for the benefit of eligible employees of the participating Companies. All employees of the Company who have completed sixty consecutive days of service are eligible to participate, provided they are at least 18 years of age. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions - Participants may elect to make pre-tax contributions equal to any whole dollar amount or whole percentage of his/her compensation, up to 100% of compensation. The contribution may not exceed the amount specified in Section 402(g)(5) of the Internal Revenue Code ("IRC"), as indexed for inflation. Effective January 1, 2017, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate, with a default deferral rate set to 3% of eligible compensation. The Plan allows certain catch-up contributions if the participant is age 50 or over. The Plan provides for a discretionary matching contribution by the Company as specified by resolution of the Board of Directors each Plan year. The Company may also contribute a discretionary amount, which amount shall be deemed an employer's non-elective contribution. There were no discretionary employer contributions made to the Plan for the year ended December 31, 2019.

The Plan also has a Roth 401(k) investment option which allows participants to elect to designate all or a portion of their annual compensation, subject to the maximum limitation as defined in the Internal Revenue Code, as an after-tax contribution. The Roth 401(k) contributions are invested separately in funds selected by the participant. The participants' Roth 401(k) account balances and earnings thereon may be withdrawn tax-free subject to the provisions of the Plan document, as revised.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contributions, if applicable, and an allocation of Plan earnings and charged with an allocation of administrative expenses. Earnings allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary pre-tax and after-tax contributions plus actual earnings thereon. Participants are fully vested in their account balances upon attaining their normal retirement date while in active service of the Company or upon the termination of credited services as a result of death or disability. Otherwise, vesting on the discretionary contributions and the matching contributions are determined on years of service based on the following vesting schedule:

<u>Vesting Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant must complete 1,000 hours of service during a Plan year to be credited with a year of service.

GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

NOTE 1 - DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or one-half of the vested portion of their account balance. The Plan provides for a \$1,000 minimum loan requirement. A participant may have up to two loans outstanding at any time. Loan terms range from one to five years, or longer if used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates. The notes currently bear interest at rates between 4.25% and 6.50% at December 31, 2019 and between 4.25% and 6.25% at December 31, 2018. Principal and interest is paid ratably in payments made no less frequently than quarterly through payroll deductions.

Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the vested interest in his or her account by way of lump-sum distribution. If the value of the terminated participant's vested benefit exceeds \$1,000 but does not exceed \$5,000, the entire vested benefit may be paid to the participant by a direct rollover to an individual retirement account.

Investment Elections - Upon enrollment in the Plan, a participant may direct contributions among investment options in increments of one percent. Participants may change their investment choices at any time.

Terminated Participants - As of December 31, 2019 and 2018, the value of accumulated pension benefits remaining in the Plan for terminated participants was \$223,617 and \$260,037, respectively.

Forfeited Accounts - At December 31, 2019 and 2018, forfeited nonvested accounts totaled \$3 and \$3,423, respectively. These accounts can be used to pay administrative expenses or to reduce employer contributions. For the year ended December 31, 2019, \$3,455 of administrative expenses were reduced by forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses - Expenses incurred by the custodian and trustees with regard to the management of the Plan assets are paid for by the Plan. The Company pays for other expenses, such as administrative and accounting fees. Certain investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events occurring between the end of the most recent fiscal year end and October 15, 2020, the date the financial statements were available to be issued, and has determined that there are no material events that require disclosure in the financial statements, except as disclosed in Note 10.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2019 and 2018 and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company (the custodian of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

GALLERIA STONE AND TILE 401(K) PLAN

Notes to Financial Statements

December 31, 2019 and 2018

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 or 2018.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value ("NAV") and to transact at that price, which approximates \$1. The money market fund held by the Plan is deemed to be actively traded.

The following presents by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2019 and 2018. As prescribed by FASB ASU 2015-12, the investments are disaggregated by general type.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has since been amended, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its acceptance of contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will be fully vested in their account balances.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is as least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits. As described in Note 10, subsequent to December 31, 2019, the stock market has experienced significant volatility, the ultimate outcome of which could be material to the Plan's investments.

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets include investments managed by Capital Bank and Trust Company, an affiliate of American Funds. Capital Bank and Trust Company is the Plan's custodian and, as such, transactions with the custodian qualify as party-in-interest transactions. Assets invested in the funds at December 31, 2019 and 2018 totaled \$3,164,603 and \$2,752,106, respectively. Total fees paid by the Plan for administrative expenses were \$6,885 for the year ended December 31, 2019 and are also considered exempt party-in-interest transactions. The Company pays directly any other fees related to the Plan's operations.

NOTE 9 - NONEXEMPT TRANSACTIONS

It was noted in 2019 and 2018 that there were unintentional delays by the Company in submitting employee contributions in the aggregate amount of \$52,222 to the Plan's custodian. The Company intends to reimburse the Plan for the lost interest in the amount of approximately \$75 in October 2020.

NOTE 10 - SUBSEQUENT EVENTS

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
