Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Plan

The following description of the Community Health Professionals 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan that provides benefits to eligible participants as determined according to the provision of the plan agreement. Employees of Community Health Professionals, Inc. (the “Organization”) are eligible to participate in the Plan at the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary reduction contributions subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan accepts rollover contributions from other qualified plans.

Each year, participants can elect to receive an employer contribution from the Organization once they have worked 83 hours in a one-month period. Upon electing to receive this employer contribution, participants receive a 2% of eligible compensation contribution to their account each pay period as long as they are employed by the Organization.

The Organization may also contribute an additional discretionary employer contribution to the Plan. This contribution is then allocated to individuals based on each individual’s eligible compensation compared to the eligible compensation of all individuals in total.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and an allocation of the Organization’s contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting - Participants are immediately vested 100 percent in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the remainder of the accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
Over 5 years	100%

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Plan (Continued)

Payment of Benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of their account, or annual installments.

Distribution Prior to Termination - In-service withdrawals are subject to varying rules depending on the source of the funds in the participant's account. Participants may withdraw all or part of their deferral contributions account and qualified non-elective contributions account provided they have attained age 59½. Participants may take hardship distributions from their vested account balances. These distributions would be subject to potential penalties and taxation. Participants are advised to consult a tax advisor for the most recent tax laws.

Death Benefits - Upon the death of a participant, the account becomes available for distribution to the participant's beneficiaries.

Forfeitures - Forfeited amounts attributable to the Organization matching portion of a participant's account will be applied to reduce the Organization matching contribution for the Plan year in which such forfeitures occur. Forfeited amounts attributable to the Organization discretionary portion of a participant's account will be reallocated to all participants based on compensation, as defined. For the years ending December 31, 2019 and 2018, forfeited amounts used during the year totaled \$10,626 and \$17,686, respectively.

Note 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan.

Basis of Accounting - The Plan prepares its financial statements on the accrual basis. Unrealized gains and losses on the Plan's assets are reported even though no sales of such assets actually took place.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions - Contributions to the Plan are accrued, if necessary, to the year to which they apply.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation (or depreciation) in fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2019

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits – Benefits are recorded when paid.

Information Certified by Custodian - The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certification from Alerus Financial, N.A. that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the custodian, investment income (loss), and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Note 3 - Plan Termination

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA.

Note 4 - Investments (Unaudited)

At December 31, 2019 and 2018, all investments listed on the supplemental schedule of assets held for investment purposes were certified and held by Alerus Financial, N.A., the Plan's custodian. Investments included in the Plan's net assets available for plan benefits were \$4,272,449 and \$4,144,211 at December 31, 2019 and 2018, respectively.

During 2019 and 2018, the Plan's investments including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by \$617,331 and depreciated in value by \$567,853 respectively. Interest and dividends on all investments totaled \$135,074 and \$272,605 for the years ended December 31, 2019 and 2018, respectively.

Note 5 - Fair Value Measurements

Financial Accounting Standards Board ASC 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All investments of the Plan were measured using Level 1 inputs.

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2019

Note 5 - Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair values of mutual funds holding cash, cash equivalents, common stock, corporate bonds, and U.S. government securities are based on quoted market prices, when available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

	<u>Fair Value Measurement Using:</u>	
	Quoted Prices	
	in Active	
	Markets for	
	Identical Assets	Fair Value
	<u>(Level 1)</u>	<u>Total</u>
December 31, 2019:		
Mutual Funds	<u>\$ 4,272,449</u>	<u>\$ 4,272,449</u>
December 31, 2018:		
Mutual Funds	<u>\$ 4,144,211</u>	<u>\$ 4,144,211</u>

Note 6 - Income Tax Status

The Plan is designed based on a prototype plan. The Internal Revenue Service has provided a determination letter dated March 31, 2008, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the plan is qualified. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7 - Related Party

The Plan utilizes the services of Alerus Financial, N.A., the custodian of the Plan. The services provided by the plan custodian qualify as party in interest transactions, however they are consummated at arm's length and therefore are not considered prohibited transactions.

The plan sponsor covers plan audit expenses which are not included in the administrative costs of the Plan.

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2019

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Subsequent Events

Management has evaluated subsequent events through October 15, 2020, the date on which the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic, triggering volatility in the financial markets and having an impact on the global economy. The full impact of the COVID-19 outbreak continues to evolve and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.
