Independent Auditors' Report

The Administrative Committee
ABM 401(k) Employee Savings Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ABM 401(k) Employee Savings Plan (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 3, which was certified by Bank of America, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Basis of Accounting***

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule H, Part IV, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2019 and schedule H, Part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2019 are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ABM 401(k) EMPLOYEE SAVINGS PLAN

Notes to Financial Statements
(Modified Cash Basis)

December 31, 2019 and 2018

(1) Description of the Plan

The ABM 401(k) Employee Savings Plan (the Plan) is a defined contribution plan, which is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended (the Code), as a profit sharing plan with a qualified cash or deferred arrangement that satisfies Code Section 401(k) and is funded by a trust intended to be exempt from tax under Code Section 501(a). The Sponsoring Employer under the Plan is ABM Industries Incorporated, a Delaware corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The plan document was last amended and restated effective January 1, 2015. Subsequent to that date, there have been amendments to the Plan. The following is a brief description of the Plan's provisions. Participants should refer to the plan document for a more complete description of the Plan's provisions.

(a) Eligibility

In general, all employees of the Company and its domestic subsidiaries which are under common control with the Company within the meaning of Code Section 414(b), (c), (m), or (o) are eligible to participate in the Plan (A) unless they are (i) eligible to participate in the ABM 401(k) Employee Savings Plan II (Plan II), (ii) members of a collective bargaining unit whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of bargaining, (iii) certain nonresident aliens who received no earned income (within the meaning of Code Section 911 (d)(-2)), or (iv) seasonal or temporary employees and (B) provided that the Plan has been adopted by the board of directors of the subsidiary which employs such employee. Effective January 1, 2017, an employee is eligible to participate in the Plan on the first day of the month following completion of 6 months of service, with no minimum hours of service requirement.

The Company entered into a merger agreement with GCA Services Group Inc. effective July 11, 2017. GCA employees became eligible to participate in the Plan effective January 1, 2018 and the GCA Services Group Inc. 401(k) Profit Sharing Plan was merged into the Plan on April 2, 2018.

(b) Contributions

Participants may elect to contribute between 1% and 50% of eligible compensation by salary deferral. Contributions are subject to applicable Code restrictions and limitations.

Individuals age 50 and over are allowed to make additional elective pre-tax catch-up contributions each year.

Participants may also contribute amounts representing distributions from former employers' qualified retirement plans (rollovers).

The Plan operates under a safe harbor employer matching contribution formula that applies to all eligible participants in the Plan. Under this matching formula, the employer made matching contributions for eligible participants equal to 100% of the first 3% of the participant's eligible compensation contributed to the Plan, plus 50% of the next 2% of eligible compensation contributed to the Plan.

(c) Vesting

The value of the participant's account, including the Company's matching portion, is fully vested at all times.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contribution, and plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on the participant's specific investments or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's entire account balance.

(e) Notes Receivable from Participants

The Plan permits participant loans. Loans are limited to the lesser of \$50,000 reduced by the highest outstanding loan balance in the prior twelve-month period, or 50% of the participant's vested account balances. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account. Loans are repaid via payroll deductions, generally have a term of not greater than 60 months, and bear a fixed interest rate equal to the prime rate as published in *The Wall Street Journal* on the last business day of the calendar quarter preceding the date the loan is finalized, plus 1%. As of December 31, 2019, the interest rates on loans ranged from 4.25% to 10% with maturity dates through September 2044.

(f) Payment of Benefits

Upon termination of service, retirement, or permanent disability, a participant may receive a lump-sum amount equal to the value of the participant's vested account balance. If the participant's account balance is \$1,000 or less, a lump-sum payment may be made without the participant's written consent. If the value of a participant's account is between \$1,000 and \$5,000, and if the participant does not specify the form of payment, the Company is authorized to rollover the vested amounts into an Individual Retirement Account established by the plan administrator for the participant.

In the event of the death of a participant, the account balance becomes payable to the beneficiary or beneficiaries as designated by the participant.

A participant may receive hardship withdrawals and in-service 59 ½ withdrawals from certain accounts under the Plan.

(g) Administrative Expenses

Generally, administrative expenses are paid by the Plan. However, certain administrative expenses may be paid by the Company. Loans and other transaction specific fees are charged to the accounts of participants electing such transactions. In addition, certain investment related expenses reduce investment income presented in the accompanying statements of changes in net assets available for benefits.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch), a wholly owned subsidiary of Bank of America Corporation, provides certain administrative services to the Company pursuant to a Master

Plan Services Agreement between the Company and Merrill Lynch, effective as of January 1, 2013 (the MSA). As described in the MSA, Merrill Lynch receives revenue from processing fees, service fees, distribution fees and other fees from mutual fund or collective trust providers, which revenues are attributable to the Plan's assets invested in such funds. This revenue is used to offset certain amounts owed to Merrill Lynch in connection with the administration of the Plan. If the revenue received by Merrill Lynch from such mutual fund or collective trust providers exceeds the amount owed to Merrill Lynch under the MSA, Merrill Lynch remits the excess to the Plan's trust. The determination of whether such revenues exceed or fall below the amount due Merrill Lynch under the MSA is made on a quarterly basis. The amount of any such excess is deposited in the Plan trust no later than forty-five (45) days following the end of any such quarter. Such amounts are held in an unallocated account and may be applied to pay administrative expenses, and/or allocated to the accounts of Plan participants.

(h) Plan Investments

Participants direct the investment of their contributions and account balances within various investments offered by the Plan. Plan assets are held in a trust administered by the plan trustee.

Effective August 30, 2019, the Invesco International Growth Fund was replaced with Clearbridge International growth Fund, Allianz Small Cap Value Fund was replaced with Vanguard Small Cap Value Index Fund and all Manning & Napier Retirement Target Funds were replaced with TIAA-CREF Lifecycle Index Funds.

(i) Asset Transfers

From time to time, asset transfers occur between the Plan and Plan II due to changes in employee classifications.

(j) Plan Administration

The Plan is administered by the Administrative Committee appointed by the Compensation Committee of the Board of Directors of the Company. Bank of America, N.A. serves as directed trustee of the Plan and Merrill Lynch serves as the recordkeeper of the Plan.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accounts of the Plan are prepared on a cash basis of accounting modified to carry investments at fair value, whereas contributions are recognized when received rather than when earned, and deductions are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in accordance with U.S. generally accepted accounting principles (GAAP).

(b) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

ABM 401(k) EMPLOYEE SAVINGS PLAN

Notes to Financial Statements
(Modified Cash Basis)

December 31, 2019 and 2018

(c) *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 9 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded when received. Net appreciation (depreciation) in fair value of investments consists of the change in unrealized appreciation or depreciation during the years, and the realized gain or loss on the sales of investments during the year. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

(d) *Notes Receivable from Participants*

Notes receivable from participants are valued at amortized cost. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document.

(e) *Risks and Uncertainties*

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term.

(f) *Payment of Benefits*

Benefits are recorded when paid.

(3) *Trustee Certification*

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications as of and for the years ended December 31, 2019 and 2018 from the trustee, that all of the information provided by the trustee is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, notes receivable from participants, investment income (loss), interest on notes receivable from participants and all investment information in the supplemental schedule 2 is presented in reliance solely upon this certification.

(4) Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated November 8, 2016, that the Plan and related trust are designed in accordance with applicable Sections of the Code. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is designed in compliance with the applicable requirements of the Code.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

During 2019, the Company discovered that certain covered groups were no longer eligible to participate in Plan II but continued to participate. These participants were eligible to participate in the Plan effective 1/1/2018 resulting in a receivable into the Plan from Plan II. The Company is in the process of submitting a Voluntary Correction Program (VCP) application to the Internal Revenue Service (IRS) for correction and does not believe the correction will be material to the Plan's financial statements.

(5) Transactions with Related Parties

Certain Plan investments are managed by the trustee or an affiliate of the trustee, and therefore, these transactions qualify as party-in-interest transactions.

(6) Nonexempt Transactions

As reported on Supplemental Schedule 1, certain employee contributions and participant loan repayments during 2018 totaling \$754,205, respectively, were not remitted to the trust within the time frame specified by the DOL's Regulation 29 CFR 2510.3 102, thus constituting nonexempt transactions between the Plan and the Company for the years ended December 31, 2019. Untimely remittances of \$4,279 will be funded to the Plan along with lost earnings in 2020 and \$749,926 of untimely remittances were funded to the Plan in 2018 with lost earnings to be funded in 2020.

(7) Administrative Committee

The Plan provides that a committee shall serve without compensation until the resignation or the termination of this committee by the Company. The Administrative Committee, by majority agreement, oversees the operation and administration of the Plan.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA or the Code. In the event of termination of the Plan, all assets would be distributed based on the participants' account balances.

(9) Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. ASC 820 establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Money market funds are valued at par, which represents fair value and thus is included within Level 1 of the valuation hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and thus are included within Level 1 of the valuation hierarchy.

Common/collective trust funds are reported at NAV of units held by the Plan on the last business day of the Plan year by the manager of the fund. These funds publish a daily net asset value (NAV) and transact at that price. The common/collective trusts held by the Plan are deemed to be actively traded and have a readily determinable fair value and thus are included within Level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During 2019 and 2018, there were no changes in methodologies or transfers between levels.

(10) Subsequent Events

For the year ended December 31, 2019, subsequent events were evaluated through October 15, 2020, which is the date the financial statements were available to be issued and determined there were no items to disclose other than the items discussed herein.

In December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) was enacted and was effective beginning on January 1, 2020. The SECURE Act provisions included, among other things, an increase in the age limit for required minimum distributions from 70½ to 72.

December 31, 2019 and 2018

The outbreak of COVID-19 and its development into a pandemic in March 2020 has significantly disrupted many aspects of society as well as economic markets. The extent to which the pandemic will impact the Plan will depend on future developments, which are highly uncertain and cannot be predicted or estimated. Because the values of the Plan's individual investments have fluctuated and will continue to fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted. The CARES Act provides immediate and temporary relief for eligible retirement plans and their participants who were adversely impacted by COVID-19. Effective April 2020, the Plan has adopted the provisions of the CARES Act to allow these participants to take coronavirus-related distributions up to \$100,000, increase participant loan amounts up to 100 percent of eligible vested balances, defer loan repayments for up to one year, and waive required minimum distributions for 2020.

Effective, June 1, 2020, the Plan was amended to suspend the safe harbor matching contributions to the Plan.
