Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Stow-Glen, Inc. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As described in Note 2 to the financial statements, the Plan's sponsor, Stow-Glen, Inc. (the "Company"), has incurred significant operating losses which could limit its ability to retain appropriate financing and to continue as a going concern. The financial statements do not include any adjustments that might be necessary due to this uncertainty.

Other Matter – Supplemental Schedule

The supplemental schedule on page 12 as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report dated August 2, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2019 AND 2018

1. Description of the Plan:

The following description of the Stow-Glen, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, established January 1, 2001, is a defined contribution plan covering full-time eligible employees of Stow-Glen, Inc. (the Company) who complete 90 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by trustees who are appointed by the Company. The trustees are responsible for oversight of the Plan. The trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions:

Participants may elect to contribute a percentage of their eligible compensation, subject to limits set by the Plan and the Internal Revenue Service (IRS) to the Plan on a pre-tax and after-tax (Roth) basis. The Plan has an automatic enrollment feature in which employees are automatically enrolled when they become eligible. Unless otherwise directed by the participant, 3% of eligible compensation is withheld and invested in a fund that meets Department of Labor guidelines for qualified default investment alternatives. Company contributions are discretionary and are determined annually. No Company contributions were made to the Plan during the years ended December 31, 2019 and 2018.

Participant accounts:

Each participant's account is credited with the participant's contributions, the Company's discretionary contributions, and Plan earnings. Each participant's account is charged with an allocation of administrative expenses paid by the Plan and decreased by allocations of investment losses and depreciation. Allocations are based on participant earnings, account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account. Participants direct the investment of their contributions and any Company contributions into the various investment options offered by the Plan.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Participants vest in the Company's contribution portion of their accounts after three years of continuous service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

1. Description of the Plan (continued):

Notes receivable from participants:

The Plan permits limited borrowing by a participant against the value of his or her account to the extent of one-half of a participant's vested account balance under the Plan, not to exceed \$50,000. The minimum note amount is \$1,000 and only one note can be outstanding at a time. Notes are to be repaid through payroll deductions in equal per-pay installments, over a period not extending beyond five years from the date of the note, with the exception of notes used to purchase a principal residence. Repayments of principal and interest are credited to the participants' separate accounts within the funds as elected by the participants. The notes are secured by the balance in the participant's account. Until such repayments are received, the note receivable is accounted for in the participant note fund. The notes bear interest at the prime rate at the time the note is made. Interest rates on outstanding notes range from 3.25% to 5.50% at December 31, 2019 and 2018.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death, and are distributed in a single lump-sum or direct rollover to an IRA or another qualified plan.

Participants who are automatically enrolled into the Plan may withdraw the automatic deferrals within 90 days after the first amounts are withheld and remitted to the Plan without penalty.

The Plan accepts certain transfers from the Stow-Glen Employees' Stock Ownership Trust and Plan (ESOP) made at the discretion of employees who have been participants under the ESOP for at least ten years and who have attained age 55. During the years ended December 31, 2019 and 2018, no transfers were made into the Plan from the ESOP under elections made by participants.

Forfeitures:

When certain terminations of participants in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be used to pay for the Plan's administrative expenses, allocated to participants, or offset Company contributions. There were no forfeitures utilized during the year ended December 31, 2019 or 2018, and no forfeited balances at December 31, 2019 and 2018.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

2. Summary of significant accounting policies (continued):

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Investment valuation and income recognition:

The Plan's pooled separate accounts are reported at fair value, as provided by John Hancock Life Insurance Company (John Hancock), the custodian of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as part of the note balance. No allowance for credit losses has been recorded at December 31, 2019 or 2018. Delinquent participant notes are reclassified as distributions based upon terms of the Plan document.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain administrative expenses, including third-party administrator fees, are paid by the Plan with the expense allocated to each participant. Certain expenses of maintaining the Plan are paid directly by the Company, and are excluded from these financial statements. The Company provides other accounting and administrative services at no cost to the Plan. No such employee, nor the Company, receives compensation from the Plan. These transactions qualify as party-in-interest transactions.

Additionally, investment related expenses are included in net appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

2. Summary of significant accounting policies (continued):

Emphasis of matter:

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. The Company has incurred significant operating losses which could limit its ability to retain appropriate financing and to continue as a going concern. The financial statements do not include any adjustments that might be necessary due to this uncertainty.

Recent accounting pronouncement:

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Changes to the Disclosure Requirements for Fair Value Measurements*. This ASU is intended to improve the effectiveness of disclosures in the notes to the financial statements and modify the disclosure requirements on fair value measurements in FASB Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*. This ASU is effective for years beginning after December 15, 2019, with early adoption permitted. The Plan is currently evaluating the impact this ASU will have on its financial statements, and will adopt the provisions of the ASU upon its effective date.

3. Investments:

The following table presents the current value of investments at December 31, 2019 and 2018. All investments of the Plan were participant-directed at December 31, 2019 and 2018.

	2019	2018
Pooled separate accounts (at fair value)	\$ 714,609	\$ 553,688

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

4. Fair value (continued):

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018.

The pooled separate accounts is based on the fund's net asset values per share (NAV) at the end of the year, similar to a mutual fund NAV.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation technique is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2019 and 2018.

	<u>2019</u>	<u>2018</u>
	<u>Level 2</u>	<u>Level 2</u>
Pooled separate accounts	\$ <u>714,609</u>	\$ <u>553,688</u>

5. Information certified by the custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2019 and 2018, and net appreciation (depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2019 and 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, (the custodian of the Plan).

6. Party-in-interest transactions:

All Plan investments are pooled separate accounts of John Hancock, the custodian and, therefore, these transactions qualify as party-in-interest transactions.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

6. Party-in-interest transactions (continued):

The Plan issues loans to participants, which are secured by the vested balance in the participant's account, and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest.

7. Tax status:

On March 31, 2014, the IRS stated that the volume-submitter plan adopted by the Plan, as then designed, qualifies under the appropriate section of the Internal Revenue Code (the Code). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion on the volume-submitter plan; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan were to terminate or partially terminate, all participants would become 100% vested in their accounts.

9. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2019 AND 2018

10. Subsequent events:

Effective January 1, 2020, the Company adopted a new volume submitter plan with no significant modifications to the eligibility requirements or Plan features.

On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic with multiple jurisdictions in the United States declaring a state of emergency. Certain states, including Ohio, had issued “stay-at-home” orders for non-essential businesses, as defined. As a result, economic uncertainties have arisen which has contributed to significant volatility for businesses and in financial markets. The pandemic may have continued adverse impact on economic and market conditions that could result in a global economic slowdown for an extended period of time. Consequently, there is and will continue to be uncertainty and risk with respect to the Company, the Plan, its investments, and its financial results. Management has, and will continue to monitor the situation and make operational changes in an attempt to minimize any future financial impact to the Company and the Plan.

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2020, the date the Plan’s financial statements were available to be issued.
