INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Athletics Investment Group 401(k) Plan
Oakland, California

We were engaged to audit the accompanying financial statements of Athletics Investment Group 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information referred to in Note 3 which was certified by Charles Schwab Bank, the "trustee" of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As further discussed in Note 8, on March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States has caused economic disruption through mandated and voluntary closings of businesses and shelter in place orders. As a result, equity markets have experienced significant volatility. It is at least reasonably possible that this matter will negatively impact the Plan. However, the financial impact and duration cannot be reasonably estimated at this time. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedules

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2019, and of assets (held at end of year) as of December 31, 2019, (collectively "supplemental schedules"), are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF THE PLAN

The following description of Athletics Investment Group 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings plan sponsored by the Athletics Investment Group, LLC dba Oakland Athletics Baseball Company (the "Company"), established effective January 1, 1986. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Company has contracted with Charles Schwab Bank ("Charles Schwab" or the "Trustee") to act as the Plan's trustee and an affiliate of Charles Schwab to provide recordkeeping services.

Eligibility

Full-time employees of the Company become eligible to participate in the Plan on the first day of the month after attaining the age of 21 and completing one year of eligible service, as defined in the plan document. Union employees, hourly employees, Puerto Rico based employees, Rookie Team and Short-season Class A Team employees are not eligible to participate in the Plan. The Plan allows certain classifications of employees associated with the Collective Bargaining Agreement of the Service Employees International Union United Service Workers West to participate in the Plan and to receive non-safe harbor Company matching contributions.

Effective July 1, 2019, the Plan was amended to lower the minimum age for Plan participation from 21 to 18 years of age and to remove the one year of eligible service requirement for participants to enter the Plan and begin making elective deferrals.

Participant accounts

Each participant's account is credited with the participant's contributions or rollovers, and an allocation of the Company's contributions, if any, and Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF THE PLAN (continued)

Participant contributions

Participants may elect to contribute through payroll deductions on a pre-tax basis, up to a maximum amount allowed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants can also make rollover contributions which represent distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective July 1, 2019, the Plan was amended to allow participants to make deferrals on a Roth after-tax basis and to add an auto-enrollment provision whereby participants are automatically enrolled in the Plan at a 3% pre-tax deferral rate within 45 days of meeting Plan eligibility requirements unless they opt-out or make a contrary deferral rate election.

Company contributions

The Company provides a matching contribution equal to 50% of each participant's salary deferred contributions up to a maximum of $500 per year.

Effective July 1, 2019, the Plan was amended to reflect a program to phase out new additions to the Company's Non-uniform Pension Plan ("NUPP"). Eligible employees had the option to either opt into the enhanced 401(k) program or to remain in the NUPP which qualifies them to receive a transition contribution from the Company during the next 5 years. The amendment includes non-elective contributions and a Company match based on age and years of service. The non-elective contributions range from 0% - 6%, and the employer match is equal to 50% of each participant's salary deferred contributions ranging from a maximum of $500 to 3% of qualified income.

The Company made non-elective and matching contributions of $1,011,992 for the year ended December 31, 2019. The Company may also make discretionary profit-sharing contributions, however, no discretionary profit-sharing contributions were made in 2019.

Vesting

Participants are immediately vested in all of their contributions, the Company’s matching contributions that are equal to 50% of each participant’s salary deferred contributions up to a maximum of $500 per year and non-safe harbor non-elective contributions by the club under then enhanced 401(k) program, plus actual earnings thereon. Vesting in the Company’s matching contributions made under the enhanced 401(k) program, occurs at a rate of 33% per year of service, with participants becoming fully vested after 3 years of service, as defined by the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Notes receivable are secured by the balance in the participant's account and bear an interest rate equal to the prime rate on the date that the loan was taken. All outstanding loans bear interest rates ranging from 3.25% to 5.50%, with various maturities through December 2046. The repayment of principal plus interest is required by the Plan to be made through payroll deductions over five years unless the loan is for the purchase of a primary residence, which may be paid over a thirty-year period.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If a participant's account balance is equal to or less than $1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment. Balances between $1,000 and $5,000 upon termination will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. If the account balance is over $5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan or postpone payment to a later date and remain in the Plan as described in the plan document.

Administrative expenses

Certain administrative expenses of the Plan, including recordkeeping and audit fees, were paid by the Company through June 30, 2019. Starting on July 1, 2019, these expenses were paid by participants on a quarterly basis. Investment fees, which may vary according to the individual funds selected, are paid at the fund level, which affects Plan earnings.

Participants may be charged for some or all of the costs and expenses of operating the Plan. Such expenses include, but are not limited to costs to process distributions, participant loans and domestic relations orders. Generally, the Company pays for any administrative expenses of the Plan. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein (Note 8).

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger.

Investment valuation and income recognition

The Plan's investments are reported at fair value as certified by the Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits are recorded when paid.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018;
- Net appreciation in fair value of investments, dividends and interest (including interest income on notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2019; and,
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2019.

Accordingly, as requested by the Plan administrator, the Plan's auditor performed no audit procedures on the certified information included in the financial statements and schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3).

The three levels of fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

4. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset of liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018 .

Mutual funds and money market fund: Valued at the daily closing price as reported on an open exchange. Mutual and money market funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

Common collective trust funds ("CCTs"): Valued using the NAV per share as a practical expedient to fair value as provided by the managers of the fund. The NAV practical expedient is based on the value of the underlying net assets owned by the applicable fund divided by the number of shares outstanding. The CCTs are not available in an exchange and active market; however, the fair values is determined based on the underlying investments as traded in an exchange and active market. There are no unfunded commitments for the CCTs and participants may redeem their investment in the CCTs daily. There is no redemption notice period for any of the CCTs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Money market funds	$ 199,888	$ -	$ -	$ 199,888
Mutual funds	5,026,895	-	-	5,026,895
	$ 5,226,783	$ -	$ -	5,226,783
Investments measured using the NAV practical expedient				21,242,126
				$ 26,468,909

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 15,251,479	$ -	$ -	$ 15,251,479
	$ 15,251,479	$ -	$ -	15,251,479
Investments measured using the NAV practical expedient				5,444,514
				$ 20,695,993

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan are paid by the Company. The Plan is not required to repay expenses paid by the Company on its behalf.

6. PARTY-IN-INTEREST TRANSACTIONS (continued)

The Trustee retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by the Trustee or its affiliates, therefore, these investment transactions qualify as exempt party-in-interest transactions.

7. INCOME TAX STATUS

The Plan has adopted the Charles Schwab non-standardized 401(k)/Profit Sharing Plan. The Internal Revenue Service informed Schwab by a letter dated June 19, 2014, that its prototype plan was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

8. SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States has caused economic disruption through mandated and voluntary closings of businesses and shelter in place orders. As a result, equity markets declined significantly from their historically high levels. In response the U.S. Government has enacted the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, which includes significant provisions to provide relief and assistance to affected organizations. While the disruption is currently expected to be temporary, and markets typically recover, there is considerable uncertainty surrounding the duration of the closings and shelter in place orders, the shorter term market volatility, and the ultimate impact of the CARES Act and other governmental initiatives. It is at least reasonably possible that this matter will negatively impact the Plan. However, the financial impact and duration cannot reasonably be estimated at this time.

The Plan has evaluated subsequent events through October 14, 2020, the date the financial statements were available to be issued. No other subsequent events have occurred that would have material impact on the presentation of the financial statements.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
