NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

A. Description of the Plan

General

The following brief description of the SPP Resource Services, LLC 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by SPP Resource Services, LLC (the “Plan Sponsor” or “Company”). Participants should refer to the plan document for more complete information. The Company’s corporate offices are located in Plano, Texas. The Plan was effective January 1, 2007, restated most recently effective January 1, 2018, and is a defined contribution plan available to substantially all employees of the Company who have attained age 18 and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The purpose of the Plan is to enable eligible employees to defer compensation and share in employer contributions, and to save and invest funds for retirement.

Contributions

Participants may contribute up to 100% of pre-tax, after-tax, and Roth annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the plan document. Roth contributions and employee after-tax contributions are also allowable. Eligible participants may make a rollover contribution to the Plan.

Eligible employees who do not decline enrollment in the Plan become automatically enrolled and are consider to elect pre-tax contributions equal to 4% of their eligible compensation.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the Plan year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Company may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the participants’ elective deferrals, up to 4% of the participant’s eligible compensation contributed to the Plan. In 2019 and 2018, the Company made matching contributions of 50% up to 4% of each participant’s eligible compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

A. Description of the Plan – continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of accounts, plus actual earnings thereon is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Participants must work 1,000 hours in a year to accumulate a year of service.

In the event of death, disability, or reaching the normal retirement age of 65, as defined by the Plan, the participant will become fully vested.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum loan amount is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate of 6% for the years ended December 31, 2019 and 2018, commensurate with local prevailing rates as determined by the Plan Sponsor. Principal and interest is paid ratably through payroll deductions.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Benefit Payments – continued

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence (5) for payments for the funeral or burial expenses for a participant's parent, spouse, child, or dependent; or, (6) to repair damage to a participant's principal residence that would qualify for a casualty loss.

Effective January 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants are no longer (1) required to obtain a loan prior to requesting a hardship withdrawal; and (2) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. Expansion of the reasons for heavy financial need were also expanded to include certain disaster events and casualty losses not associated with disasters.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used first to pay plan expenses and then to offset employer matching contributions for the plan year. Forfeitures allocated to reduce matching contributions for the years ended December 31, 2019 and 2018 were \$18,166 and \$14,657, respectively. Unallocated forfeitures outstanding as of December 31, 2019 and 2018, were \$4,363 and \$2,143, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with plan provisions, the Company pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan Administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies under GAAP.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

SPP RESOURCE SERVICES, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

There have been no changes in the methodologies used at December 31, 2019 and 2018 **and 2018**. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2019 and 2018 **and 2018**. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

D. Information Certified by the Custodian

The Plan Administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator limited auditing procedures with respect to the investment information certified by Reliance Trust Company, the Custodian, which included total investments as of December 31, 2019 and 2018, the total net investment income (loss) for the years ended December 31, 2019 and 2018, and all information included in the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019.

E. Tax Status

Effective January 1, 2018, the Plan was amended and restated by the adoption of the Lane Gorman Trubitt, PLLC Defined Contribution Prototype Plan and Trust (basic plan document #11). The Internal Revenue Service ("IRS") has issued an opinion letter dated March 31, 2014, stating that the prototype plan is acceptable under Section 401(a) of the Code for use by employers for the benefit of their employees. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since requesting its determination letter, the Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SPP RESOURCE SERVICES, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

G. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Transactions with the Plan's Custodian, as well as participant loans qualified as party in interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

H. Subsequent Events

In preparing the accompanying financial statements, management of the Company has evaluated all subsequent events and transactions for potential recognition or disclosure through October 15, 2020, the date of the financial statements were available for issuance.

Effective January 1, 2020, the Plan was amended and restated to reflect the following:

- The Plan Sponsor was changed to Maverick Fitness Holdings, LLC
- The Plan name was changed to Maverick Fitness Holdings, LLC 401(k) Retirement Plan
- Significant changes were made to the Plan's participating employers, as described in the Plan document.

Effective January 1, 2020, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants deferral contributions will no longer be suspended after receipt of a hardship withdrawal which became mandatory by law on this date.

SPP RESOURCE SERVICES, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

H. Subsequent Events – continued

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (“COVID-19”) as a pandemic which continues to spread throughout the United States of America. COVID-19 has adversely affected, and may continue to adversely affect, the macro-economic environment and global economy. Due to the disruption of COVID-19 on the global economy, the values of investment securities have become subject to increased volatility and have been or may be adversely affected. The impact to the Plan cannot be reasonably estimated at this time.

While the COVID-19 outbreak has negatively impacted global financial markets, as well as various industries including the Plan Sponsor’s due to government mandated shutdowns of non-essential businesses, management does not believe there is substantial doubt about the Plan’s ability to continue as a going concern. Management believes the Plan administrator could continue on the administrative functions of the Plan for at least the period of one year from the date of this report.

On March 27, 2020, President Trump signed into law the “Coronavirus Aid, Relief, and Economic Security Act” (the “CARES Act”) which allowed plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, the Plan Sponsor determined it was in the best interest of the participants to allow a) a COVID-19 distribution up to \$100,000, b) an increase in the available participant loan amount up to \$100,000, not to exceed 100% of the participant’s account balance, and c) deferral of 2020 loan repayments for a year.
